As so many things are changing quite rapidly at present, communication can be quite difficult. We are inviting you to use the Benefice Website to tell everyone of events that have been cancelled, resources which are available and generally keep in touch. This is open for everything – not just ‘Churchy’ things. To get something on, please contact me, Kati on [kncowen@tiscali.co.uk](mailto:kncowen@tiscali.co.uk) (or Martin (rector@aclechurch.plus.com) if things go pear-shaped with me). To find out the latest, look in <https://www.abychurches.co.uk/> at the page ‘What’s on’.

As you will probably have heard in the news, all congregational services in the Church of England have been suspended. However, the Church is still here – in its people. Do join us in praying together, even if separately – there is a simple service on the website (look under ‘Prayer’). Our church buildings\* will remain open for private prayer, or just to be quiet and reflect – just observe a bit of distance between you and other people and if possible clean your hands before and after touching door handles etc. We are hoping to still have our Easter Lilies in Reedham, Freethorpe and Wickhampton, in memory of loved ones.

### **Self-isolating in Reedham as a result of COVID-19**

It is possible that in the coming weeks the over 70’s and other vulnerable groups will be asked to self-isolate. If this is something you need to do we have a group of local volunteers who want to help.

Please call or text Tina on 07976275032; Diana on 07799506809; Lesley on 07843248865; or email [reedhamcovid19helpers@outlook.com](mailto:reedhamcovid19helpers@outlook.com) if you need help with any of the following (free of charge)

Picking up shopping or other supplies such as prescriptions

Posting mail

Walking a dog

Regular phone calls to keep you company

or let us know what else you need and we will do what we can to help

If you would like to volunteer to help out, please

email: [reedhamcovid19helpers@outlook.com](mailto:reedhamcovid19helpers@outlook.com) and add Helper in the subject bar.

### **Self-isolating in Halvergate/Freethorpe**

## From the Rectory

4.

I remember being taught that Scouts (and Guides) shake hands with their left hand as a sign of trust – because (African) warriors first had to put down their shields, leaving them vulnerable.

Now we shouldn't be shaking hands at all – but we're certainly vulnerable. Despite all our technical and medical advances, humans are vulnerable as a species to Coronavirus – some (in the high risk groups) more than others, of course. Our way of life is vulnerable: global travel has brought the virus in rapid time from the other side of the world; and now local travel and interaction has been spreading it around the country. Our economy, individual businesses and those who work for them are vulnerable to the measures the Government has introduced: they can't just stop without repercussions.

Until a short time ago, "isolation" (in rural and urban settings) was something we were meant to be combatting; now it's being urged on more than a few. Gathering people together is something intrinsic to me as a Priest and to us as a Church; now, until further notice, it's something we mustn't do; indeed must actively discourage.

Although we won't be coming together in our churches to mark it, Holy Week begins on April 5<sup>th</sup>. As I read the set Bible readings, alone, I know there will be fresh resonances. "*How deserted lies the city, once thronging with people*" (the opening of Lamentations): will we be at that stage; or will it still be a future possibility? "*He was cut off out of the land of the living*" – that's from one of the servant songs of Isaiah (53.8) which Christians readily identify with the Passion of Jesus, stricken for our transgressions.

At Christmas we happily celebrate the vulnerability of God the Son, born as a human baby. On Good Friday we see the dark side of that vulnerability, as Jesus is tortured and dies, isolated on the cross. "*My God, my God, why have you forsaken me?*" Both are united in a passage from Philippians we read often at this time: "*though he was in the form of God ... he emptied himself ... being born in human likeness ... he humbled himself, and became obedient to the point of death, even death on a cross.*" The Son actively chose the way of vulnerability – in order to demonstrate to us God's love. Isaiah again: "*I have trodden the winepress alone, and from the peoples no one was with me*".

So often, love reveals itself in vulnerability: in care, compassion, sacrifice. And so it is now, as those least at risk accept disruption for the sake of the most vulnerable. As health workers respond to the call. As people look to the needs of their neighbours – an offer of help, a friendly phone call.

The contemporary justification for the left-handed Scout handshake is that it is the hand nearest the heart.

In the love of God,

Martin Greenland

The Government's guidance to us all is to avoid both large gatherings and gatherings in smaller public spaces. In response, the Archbishops have cancelled public worship in the Church of England. As this magazine indicates, it is safe to assume that all church events are cancelled or postponed for the foreseeable future: for the time being we can't be in the business of drawing people out or drawing people to come together. I will continue to post a weekly notice sheet on [www.abychurches.co.uk](http://www.abychurches.co.uk) (and put some copies at the back of St. Edmund's Church for those without the internet) to help people keep up with developments. Also on the website (under the Prayer tab) you will find resources for prayer and worship at home – this is likely to develop over time. Again, we'll try to make some of these available in church buildings – which will be open to all as usual. Prayer, especially for those most severely affected, will continue – I just can't invite you to join me in person.

## **Easter Lilies and New Carpet – Reedham\***

7.

We still hope to have our Easter Lilies at Reedham Church – the church will be open for you to go and see them, even if we cannot have our Easter Services. However, it is planned the new carpet, kindly donated by Sir Julian Berney, will be laid on Wednesday 15<sup>th</sup> April, which means that we will have to be moving the furniture off the old carpet on Tuesday 14<sup>th</sup>. Therefore, the building will be unavailable then, and our flower arrangements will have to be restricted to cope with the disruption.

Sadly, the Berneys are also having to postpone the celebrations of the creation of the Baronetcy 400 years ago – many of their family live abroad and of course, gatherings are not being encouraged. We will keep you posted on the re-arranged date. KC

## **PARISH REGISTERS FUNERALS**

## **OUTLOOK – FUTURE COPIES**

God Willing, we will be producing an edition of Outlook for May, but it may depend on our band of deliverers whether these are paper copies put through your door, or whether there is just the on-line version. If you have no access to a computer and need a paper copy, please contact me giving your name and address and we will attempt to produce a limited number of 'hard copies' and get them to you. For those who deliver outside Reedham, please would you contact me to say whether you will still be able to do this for the May edition?

Many, many thanks particularly to those delivering this month – it seemed very important to get information out into the community as far as possible – and to Sue Arnold who undertook to fold ALL the Reedham copies!

Kati Cowen 01493 700915.

## **Reedham and District WI**

In early March we met and learnt how to make willow baskets. A fascinating talk from a true craftsman who talked and answered questions and still managed to produce a basket in less than an hour. We have many activities planned for the next few months, but given the current COVID19 situation may have to put most things on hold. Search for [thewi.org.uk](http://thewi.org.uk) and go to our page to keep up to date.

## **Flowers on Acle War Grave – see back cover**

**10.**

When I saw Bob Berry of Acle Branch of the Royal British alongside his wife Brenda regularly tending a grave at St.Edmund's Church I asked Bob for the background story.

He told me that local man, Sergeant 1392196 Raymond Myhill, had been a wireless operator/air gunner in a Short Stirling Bomber of 75 Squadron flying out of RAF Mepal, Cambridgeshire, one of a pair deployed to carry out mine-laying in the vicinity of the Frisian Islands off the coast of Holland. After completing its task it crashed in flames within 2 miles of returning to base. Four of the 6 man crew including Ray Myhill were killed and the two survivors were admitted to Ely Hospital.

Until 2016, on Acle Market days, flowers were left on the grave by his unnamed childhood sweetheart whom he planned to marry at the conclusion of the War. When this custom suddenly ceased the British Legion represented by Bob took over the task.

## **Acle Churches Together Prayer Walk – see back cover**

On the afternoon of Sunday March 1st ACT(Acle Churches Together) held its traditional annual prayer walk, stopping at significant community locations in this East Norfolk village to recognise and pray for the work done by the staff within each building. The walk was led by Church of England Rector Rev Martin Greenland, Methodist minister Rev Andrew King and Roman Catholic Deacon Rev Peter Glanville, a retired BBC producer who conceived about 16 years ago the original idea of the walk as a useful tool to encourage a spirit of ecumenism among the villagers. A cross-section of denominations joined together to recite appropriate prayers outside St.Edmund's church, the Police Station, the Old Rectory, the Veterinary Hospital, the Academy, the Cemetery, the Recreation Centre, the Medical Centre, the Library and finally the Methodist Church where welcome refreshments were served in a very convivial atmosphere.

## Reedham Gardening Club 12.

Now snowdrops and aconites are over it is a good time to split up clumps and spread them around the garden; it give a better result than buying bulbs in the Autumn. There is a lot of moss growing this winter but it is easily removed from paths while it is still wet by lifting with a spade. When it is drier a proprietary moss killer can be applied.

Seed potatoes can be chitted ready for plant out at Easter. Cabbage, cauliflower and lettuce can be sown in the greenhouse.

## Reedham Village Show – Sunday 23<sup>rd</sup> August 2020

We hope you have noticed that all classes and entries to the show will be free this year. Exhibits in any of the classes –

flowers, fruit, vegetables, craft, cookery and photography – will be most welcome. Do please try to keep this long-standing tradition, started in the 1940s, going as it is always colourful and interesting.

Janet.

## REEDHAM PARISH COUNCIL

Meeting held on Monday 10<sup>th</sup> February 2020 at Reedham Village Hall

There were 9 Councillors present, the Clerk, District Councillor Grant Nurden, and County Councillor Brian Iles. 120 members of the public were in attendance. The meeting commenced at 7.40pm.

County Councillor Iles reported that Norfolk County Council's budget will be ratified at the end of the Month with the recommendation of a 1.99% increase plus a 2% levy for Adult Social Care - a total of 3.99%. A new IT system will be introduced to encompass all NCC information. It should make savings of £75m per year.

District Councillor Nurden reported the Greater Norwich Local Plan consultation is primarily for the purpose of obtaining the thoughts of residents and those directly affected, not just on the sites put forward but also on the strategies and policies contained in the plan. Broadland are proposing to increase their portion of the Council Tax by £4.38 per Band D house. The fee for the brown bin will not increase - £46 if paid by DD or £53.50 paid by another method.

Many of the members of the public in attendance gave their thoughts and ideas on the GNLP, including:

- the sewerage system is unable to cope with current demand
- the water main was upgraded 20 years ago but was still not able to provide enough water for a fire at Pettitts last year
- the road system is not suitable for an increase in traffic as there are pinch points and only 2 roads in to the village
- there is a lack of public transport, namely only 1 bus a day and there have been no trains to Great Yarmouth for 18 months

- the Doctor's surgery is only open part time
- the school is not as undersubscribed as much as indicated
- more housing will change the character of the village
- there are no footpaths/pavements round the village making increased traffic a hazard to pedestrians
- it is an environmentally sensitive area
- flooding in Witton Green and other areas is a current and ongoing problem
- parked cars are a hazard at the moment, particularly due to the recent parking charges at the station
- the GNLP website is difficult to navigate. There is a helpline.

The school has 62 pupils at present with a capacity of 77. There is now a pre-school on site.

The Council discussed their response to the 2 GNLP sites proposed for Reedham. Their responses will be formed around:

GNLP3003: access to the site, safe access to the primary school, density of traffic, the possibility of a hybrid scheme, a high voltage cable running across the site.

GNLP1001: no pavement to the school, access to the agricultural land behind, increase in traffic.

Greater Anglia have confirmed that there is a 20 minute grace waiting period at the station. The signage for Blue Badge holders is incorrect and they can just be displayed in the car.

No local residents have accepted either of the social rented properties available on the Barn Owl Close development. Both properties have been allocated to applicants from outside Reedham.

One planning application was considered:

- A replacement dwelling at The Pink House, 36 Riverside. The Council had objected previously and did not feel this application changed much. It was agreed to object on the grounds that the proposed new dwelling was out of character with the neighbouring houses, was out of proportion with the neighbouring dwellings, was too near to the neighbouring dwelling, and the new garage height was significantly higher than the old one and would affect the neighbour's view and light

The safety works on the trees along the Woodland Walk will take place before the end of March.

Several meetings have been held regarding the Permissive Path. A Public Right of Way along the drive to Brit House was explored and rejected as being not viable. A new agreement between the landowner, the Broads Authority and the Parish Council is being drawn up.

Meeting held on Monday 2<sup>nd</sup> March 2020 at Reedham Village Hall

There were 10 Councillors present, District Councillor Grant Nurden and County Councillor Brian Iles. 15 members of the public were in attendance. The meeting commenced at 7.30pm.

Financial advice is being offered to those who may be affected by the reduction to help access other grants and benefits. Devolution is being discussed again. The new scheme takes into account the fluctuations in household income of those in receipt of Universal Credit as well as simplifying the administration process. ## **Acle Thatch Project – see back cover**

As many of you will know St Edmund's has a considerable problem with the thatch on the north elevation of the nave. The recent quinquennial report did not make pleasant reading in this respect as daylight can be seen through the thatch in several places. The inside of the nave roof consists of late nineteenth century barrel vaulting and clearly the ingress of water would be disastrous. The replacement of the thatch and associated work could well cost £40,000 depending very much on the condition of the roof timbers. Grants have been applied for but there has not yet been a response. We would be grateful for any donations however small to support this project. Already we have about £15,000 boosted by a donation of £1825 from the proceeds of the recent Beer Festival and an anonymous donation of a further £1000. We are truly grateful for this generous support and also to those who have given smaller but nonetheless significant sums.

## **OVER FIFTIES CLUB**

Well we have had good attendances at the club each week sometimes we have hit 40. We had a buffet on March 10th as four members had birthdays and they prepared a lovely array of food for everyone to enjoy. Thank you to Peggy, Beryl, Jane and Carol.

On March 17th we will be having a St Patricks day, so members are going to try and wear something green, a jumper, hat or just a scarf. It is not compulsory if you haven't got anything don't worry the most important thing is you. Jane has had a special Irish cake made for everyone to enjoy.

We are now planning our day coach trips; these will be discussed with members at our club day next week.

Keep washing your hands and keep healthy, keep the virus away and keep safe.

Angie Woolsey - Secretary/Treasurer

*Note: Since this was received, the decision has been taken to suspend the Club for the time being. I trust you all got to enjoy your Irish Cake first! KC*

## **LOTTERY NEWS**

On February 15th the bingo lottery was won by Mrs Angela Caton. The prize was £432.00. Angela very kindly gave the club a donation from her winnings. As you know I run this lottery to help support the Over 50's club but I also give a donation to charity. This time the chosen charity was the Prostrate Cancer Appeal which the Gentlemen's Breakfast Club at the village hall supports, so a donation was given to them to boost their fund for this very worthy cause. If you would like to join please ring me on 07585504199. The more in it the bigger the prize money.
