Philip: John 14:1-14

At the beginning of this month (1st) we remember the apostle Philip, who in our reading asks of Jesus, 'Lord, show us the Father and that will be enough for us'(8). His longing for a vision of God in answer to his doubts shows how like us he really is!

Philip's Question

As a practical down-to-earth guy, Philip wants to understand what Jesus is saying, when he answers Thomas, 'From now on, you do know him (the Father) and have seen him'. This is not untypical of Philip; when faced with 5000 people to feed, he wants to know where the money is coming from (6:7)! Like many of us, he sees faith in very practical terms.

- In what ways do we struggle with the language of spirituality?

Jesus' Answer

Jesus' answer to Philip is unequivocal; 'Anyone who has seen me has seen the Father'. Although the disciples had been with Jesus for over two years, he challenges them about what they had seen. They had a unique opportunity of seeing God in Jesus, as someone who speaks with the voice of God, reveals the love of God and does the works of God.

- How do we see Jesus for ourselves today?

Our Response

Jesus goes on to show how his disciples will share in his own relationship with his Father; 'anyone who has faith in me will do what I have been doing'. This promise is dependent on his leaving and returning to his Father. While acknowledging the limitations of his earthly ministry, Jesus also promises new power and authority through the Holy Spirit in their lives.

- In what ways can we do even greater things than Jesus did in his earthly ministry?

Paul Hardingham

Thanks to Vic Walsham for providing this – I gather that Paul Hardingham is a former Vicar of Halliwell and an honorary Canon of Manchester Cathedral.

Bones

The membership of any organisation is made up of four sets of bones.

There are the **Wishbones**, who spend all their time wishing someone else would do the work; along with the **Jawbones**, who do all the talking but very little else. Another group is the **Knucklebones** – they knock everything that anyone else tries to do. But most valuable are the **Backbones**, who get under the load and actually do the work. To which set do you belong?

1st Freethorpe Scout Group

Currently we have a Cub Pack, for girls & boys aged 8 to 10.5 years old from the local area who meet together on Thursday evenings. They've been busy learning important First Aid Skills this term and recently had fun at the District Dodgeball Competition.

We would love to offer more opportunities for young people in the area by opening a Beaver Colony for girls & boys aged 6 to 8 years old, and a Scout Troop for boys & girls aged 10.5 to 14 years old. And to do this we need some new volunteers to come join us on the team!

You can find out more about Scouting at www.scouts.org.uk and if you would be interested in getting involved, please contact p.thurston@norfolkscouts.org.uk

Cantley & District W.I.

Our next meeting will take place on Wednesday May 15th at 7.30pm in Cantley Village Hall. One of our favourite speakers, Simon Partridge, will be joining us to give us a talk on Chocolate. This sounds like a rather unusual subject for him and we are intrigued. New members always very welcome.

On May 9th we welcome Katie Maidment who will be talking about 'Cambodia: The Forgotten Country' and in June, Acle Evening will be celebrating their 46th Birthday with an afternoon tea. The guest speaker will be the former Radio Norfolk presenter, Wally Webb.

Easter Flowers at Wickhampton

Thank you to everyone who filled the church with spring colour and fragrance ready for Easter Sunday last week. The displays were lovely, and the scent of the lilies, in particular, was quite intoxicating. Our photograph (front cover) is of the beautiful display created by Maureen Hewitt, in loving memory of her husband Anthony, and their daughter, Jacqueline.

"The signs of the times" – how to read Medieval Art

A talk by Imogen Corrigan MPhil, FRSA

Our ancestors left so many signs and symbols in their art – some more easy to decipher than others. We will be guided through where such images might be found, and the forms they might take, as well as what they meant to the medieval viewer. This talk considers art which ranges from formal sculpture and rough graffiti, to wood carvings, roof bosses, wall paintings and glass of the period c1100 to c1500.

The church café will be open for light refreshments. Tickets: £5 (cash/card).

Reedham Churchyard Day

Many thanks to the faithful few who turned up on April 10th and did some sterling work. You may be wondering why the churchyard grass has not been cut – there appears to have been a mix-up over the contract for this year. We hope to get it resolved soon; but many, many thanks to John Self who has done such splendid work over the past few years.

This month we enjoyed an informative talk given by Stephen Maunder from Norfolk Trading Standards. He spoke about how to recognise and avoid scams, whether they be postal, email, phone calls or doorstep selling. Some of the scams have been doing the rounds for years and most of us recognise them, but others are remarkably sophisticated. Scams are the largest reported crime in the UK. Members should now feel more confident to spot when something does not feel right, and also help support friends and family if they are targeted by unscrupulous criminals.

Our May talk may be less thought provoking and is titled The Secret Life of a Milliner. All local ladies are welcome to come and learn about hats and experience a WI meeting. It will be held at Reedham Village Hall on Tuesday 7th May at 7pm (for 7.30pm start).

We offer a varied programme of walks, lunches out, museum and theatre visits, a singing group, a Book Club, a darts team and other activities. New WI members are always welcome.

Limpenhoe Village Hall

At our Limpenhoe Village Hall AGM on 21st March Pat Bennett stood down as Chair of the Committee. She has been on the Committee since 1995 and Chair since 2007 and has been the happy bubbly face of the village hall, organising more fund raisers than I care to remember! Moving forward our new Chair is Tim Lees and his contact number for any enquiries is 07973 473619

See back page for photo of Pat Bennett being presented with flowers and a garden gift voucher as she retired as Limpenhoe Village Hall Chair.

There is also a picture of one of our new picnic tables made from British recycled plastic. This table is adapted for a wheelchair user and was funded by Jan Davis our Green Party Councillor, via his Ward Grant. It was then sponsored by the daughter of Penny Rushmer (who is buried at Limpenhoe) and has a plaque in her memory.

Women's Night Out

13.

At our April meeting Mike Church spoke to us about the Nancy Oldfield Trust he helps to manage at Neatishead.

They offer accessible sailing, canoeing, motorboats, bird watching and accommodation for disabled and socially disadvantaged people on the Norfolk Broads.

The Nancy Oldfield Trust comes to Reedham

The Nancy Oldfield Trust is a small charity based in Neatishead that offers water-borne activities to the disadvantaged and disabled. To celebrate their 40th anniversary this year they are navigating all seven rivers of the Broads network over ten days in the coming May. The Trust provides motor cruising, sailing, canoeing and paddleboarding for disadvantaged members of society in specially adapted boats. They also have two adapted residential units that can be rented. All carers are entitled to come free of charge. As part of the tour, the Trust's small fleet will be stopping at Reedham Staithe on Monday 13th May. They will be stopping for two to three hours to have lunch and wait for the tide to fall before crossing Breydon Water enroute to Great Yarmouth. They will arrive and depart sometime between 12 noon and 3pm so please come along and speak to the staff and volunteers who are manning the boats and can answer any questions you may have. Hope to see you there.

OVER FIFTIES CLUB

Well, has this year got even faster roller skates on, we are now half way through April and the days just whizz by it seems.

Once again, another good month for the club. We had an excellent Easter raffle with lots of Easter Eggs and 3 baskets and three mystery baskets. Then we had a cash raffle and Carol made us some lovely little prize cards in which we inserted five or ten pound notes. If a member's raffle ticket was drawn out, they picked a cash card from a basket so eight members won prizes on that. Then we had a lovely buffet.

On April 16th the club will have a birthday buffet for members with April birthdays.

Our club is at almost membership capacity so if you are thinking of joining now it's the time - come along to Reedham Village Hall on a Tuesday at 1.30pm. Membership for the year is £7.00 and weekly subscription is £3.00.

Covid spring booster injections for Acle Surgery patients over 75 will be carried out at one of our club afternoons. We do have a club rule that covid injections must be up to date as we try to take all precautions to keep our members as safe as we possibly can.

COACH TRIPS

I have some tickets for Thursford Carol Concert and Cromer Pier Show; if anyone is interested, please give me a ring.

LOTTERY NEWS

Our lottery was won on April 6th by Monica Marsden, the jackpot was £270.00 and Monica very kindly gave a donation to our club for which we are very thankful. Our lottery is open to non-club members and if you would like to join it is £1.00 per week just give me a ring.

Until next time take care of yourselves.

There will be another Rumble on Saturday 10th of August.

Help Needed!

Reedham PCC has considered various fund-raising ideas – as you have probably noticed, we have various expensive repair jobs still to do. However, for any event volunteers are needed to help, and many of us are overstretched already. Would anyone be willing to help at, say, organising and running a Ceilidh, or Sale stall or even a Fair?
