Growing our Vision for our Church

For the past year or so we have been working hard on addressing the electrics in the church which are nearing the end of their life. We have engaged our church architect and specialists to help us with this task and they are now drawing up a specification for the work.

This provides us with the opportunity to reflect on how we wish our building to be used and by whom. We have faithfully borne witness to Christ in and from this building for nearly 60 years and we look forward to doing so for the next 60 years.

Our parish has changed, people have left and new people have arrived and I have no doubt that this will continue to be so. So how can we use our building to continue to show the love of Christ in our parish over the next five years? What could happen to and in the building for us to proclaim afresh the Gospel and serve God in our parish? These are questions I have been pondering for some time. Now I don't have all the answers, but I believe between us we do. So I've included a questionnaire in the newssheet for you to complete and return to me.

At our Summer Party, I will be asking members of our community (those who see us as their church and help us with the mission of this church but may not join us often for worship).

With every blessing

Mthr. Bernadette
