**Refreshing the Prayer List:** Every so often we revise the list of people for whom we pray regularly, and which appears on this sheet and on the website. We try to keep this current and meaningful by ‘refreshing’ the list and starting again.

So, you are invited to send me the names of anyone you wish your church community to pray for. When people get better it is always good to take them off the list. I will be creating a new list on **21<sup>st</sup> June 2020 so do send me names before then.**

**June 14<sup>th</sup> is the third anniversary of the Grenfell Tower fire.** This year the community in North Kensington is understandably finding it difficult to mark the anniversary in the usual way. Members of the local community including Grenfell United, the bereaved and survivors and have come up with a way in which **we as the Church across London** might be able to help mark this important occasion, and express our sympathy and support for those still affected by the tragedy. On previous anniversaries, the bell in the local parish church has rung 72 times, once for each victim of the fire. The new idea this year is that **at 6pm on Sunday 14<sup>th</sup> June, bells in churches all across London would ring 72 times. This would initiate two minutes silence, after which there would be three more rings, one for each year since the fire itself.** In this way, in the absence of public events, people across London might be reminded of the anniversary and those who still live with the memory of the fire would feel that this important moment for them is marked in a properly public way. An online vigil will begin at that point for those who wish to access it.

**So I will be ringing the bell of our church to mark this occasion. I will Zoom the ringing and you are welcome to join me on Zoom.**
