## Lockdown Photos

Some great lockdown photos this week. Thank you Mary, Toni and Jeanette.

The Government has allowed faith buildings to open for individual or private prayer from 13 June. As with most Church of England churches in Tower Hamlets we will not be opening at this time, because we believe that, in a borough that has had the 4th highest rate of COVID related deaths in London, we still cannot risk endangering our congregation or the wider community. In a recent statement, Tower Hamlets Inter Faith Forum, John Biggs, Tower Hamlets Mayor, Cllr Sirajul Islam, Deputy Mayor, and Dr Somen Banerjee, Director of Tower Hamlets Public Health asked all faith buildings to remain closed in the borough at this time. We will be discussing when and how we open at our next PCC meeting.

**Parking Barrier Appeal – Your support is needed.** As many of you know, people park in our carpark without permission. The PCC have agreed that the solution is an electronic barrier across the St Paul's Way entrance. This will enable us to control who parks there and it will also ensure that those who do support the church financially with donations will be able to park.

**The barrier doesn't come cheap – our quote 12 months ago was £8,000 approximately.**

We now have planning permission to go ahead. However since the pandemic we have seen our income greatly reduced so it would be great if we could raise £1,000 ourselves therefore all **fundraising ideas and donations** welcome.
