Let's use our time in this lock down to **PRAYERFULLY** imagine our future!

What kinds of worship would you like to see happening in our wonderful church building outside of our regular Sunday Worship?

In what ways could our church building be filled with the life and light of Christ through our space being filled with the life of our community, of our city and of our country?

Whom could we attract to use our building that

provides us with an income not only to care for our historic church but also enable us to show the love of Christ in word and in ACTION?

We have received Lottery Funding to employ Spires to engage with ourselves and the community to help us develop a Business Plan that will not only help us access funding for essential repairs, but also enable us to live out our Christian calling to show the love of Christ in Bow Common in thought word and action. Over the next few weeks, you will be asked for your thoughts, your dreams, your vision – please respond with an open heart and open mind.

A call to prayer during Lockdown: Prayers at 6pm

- Christians are encouraged to pray daily for a specific area of national concern, wherever they are, culminating in a collective moment of prayer at 6pm each evening
- We are calling Christians in the diocese of London to pray on your doorstep for your neighbourhood, and also for the National prayer points:
- *Sunday – Family, friends and loved ones*
- *Monday – Schools and colleges, children and young people*
- *Tuesday – Elderly, isolated and vulnerable*
- *Wednesday – Businesses, the workplace and economic wellbeing*
- *Thursday – The NHS and other key workers*
- *Friday – National and local governments*
- *Saturday – All who are grieving and all suffering with physical and mental ill-health.*
