## PENTECOST 2021 Sunday 23<sup>rd</sup> May Parish Eucharist at 9am and 10.30am

*We celebrate the gift of the Holy Spirit  
upon the church of God.*

***Wear red this Pentecost Sunday!***

### **The Vicar writes**

This May continues to bring newness of life in many ways, not least with the potential lifting of more restrictions later in the month. The easing of restrictions means we can see family and friends outdoors. It also means that outdoors pastoral visits are possible too (up to 6 people and 2 households) in gardens, outside a coffee shop or on a walk. If you would like to arrange a visit, please do be in touch.

There is an increasing sense of hope moving forward. Our thoughts and prayers remain with communities and individuals across the world who continue to suffer the devastating effects of COVID 19.

Our lives which are emerging and being rebuilt are different to our lives when this all began; the world has changed, and our own attitudes and outlooks may have changed. The life of the church has changed too, locally and within our Diocesan context. In the Diocese of Manchester there are major changes underway as to how parishes and clergy will operate. At the start of June, the deanery of Ashton will merge with the deaneries of Oldham East and West to form one large deanery. A full time Area Dean of the new deanery, the Revd Daniel Ramble, will begin his post in June and future patterns of working in "Mission Communities" between parishes and clergy will be discerned and developed. Times have changed and are changing, and we do not yet fully know what that will mean. Newness of life is emerging and as we know, life means that change is inevitable. This can take great courage, and faith and trust in God.

The apostles gathered in uncertainty after the death and resurrection of Jesus, and after his Ascension into heaven – that had experienced great trauma and fast paced change. Uncertain of the way that lay before them, they continued to be faithful in prayer, in supporting one another and in the breaking of bread in remembrance of their Lord. It was into this gathering that the Holy Spirit came in tongues of flame to bring new life, God's life, to the church. Today God's Holy Spirit continues to be given to God's church, as a body and as individuals – the Holy Spirit is poured out to sustain, to enliven, and to make all things new. Like the apostles, we wait, we hope, we pray and we trust in God, who is our rock, our refuge and our strength.

*"Send forth your Spirit, O Lord, and renew the face of the earth."*

With prayers and all good wishes,

**Penny**

## GEORGE'S KITCHEN

After much hard work and preparation, George's Kitchen is up and ready to go! We aim to provide a wholesome, nutritious, home cooked meal delivered frozen ready to pop into the microwave or oven. Our target group is anyone who is vulnerable, isolated or in need of a wholesome meal. Initially we are concentrating on those who live in the Ridgehill area. The meals will be entirely free of charge (although donations will not be refused!)

We have a band of Volunteers who are willing to distribute the meals and a few who will be undertaking the cooking duties. We are thinking of meals such as chicken casserole, cottage pie, chilli, soups, lasagne, curry and meat and potato pie (any other suggestions will be considered!) . We are also planning to provide a vegetarian option if there is a need. Unfortunately, we will be unable to cater for anyone who has a food allergy or for gluten free, vegan etc diets, although we would do our best to buy in ready prepared food for anyone in such need.

Food preparation will be carried out on Wednesdays and frozen ready for distribution. Deliveries will also take place on Wednesdays.

All we need now is to find anyone who is need of our services! If you or someone you know would benefit from this new venture then please let us know! We need a name, address and contact telephone number. Similarly if you would like to volunteer your help, then please do get in touch (especially cooks!!)

## ***Paws for thought***

Life is so much better with friends! Over the past couple of weeks many people have been able to see friends and family a little more outdoors (the perfect place to be in my humble opinion!)

Changes to restrictions have also meant that we can travel a little further afield and I have been excited to visit some of my favourite places once again – all looking beautiful in the spring sunshine (after that pesky snow in April!)

I've enjoyed seeing friendly faces on my walks and being able to stop for a chat. One lady had a REMARKABLY interesting shopping bag – it contained a WHOLE ROAST CHICKEN! What luck! Unfortunately, she did not want to share...

My friends at St George's have been doing a great job on our sponsored walk too! Together we have walked hundreds of miles – I certainly couldn't have done that on my own. The vicars aren't a huge amount of help – I have to drag them away from their work and get them out and about! My buddies and I have seen some wonderful places – canals, fields, streets, reservoirs, lakes and more (I think one or two may even have seen a pub garden!) Its amazing what can be achieved when we work together, supporting one another.

***Thank you to all of you for your support!***

I can't wait to see more friendly faces soon! One day in the future, I might even get to host a party – I miss parties, the people, the sausage rolls, the joy, the sausage rolls, the laughter, the sausage rolls... that day will come!

In the meantime, my love to you all,

**Buddy**

## Buddy's Challenge

Buddy, Rev. Penny's dog has challenged us to a sponsored dog walk over the 50 days of Eastertide. 17 humans and 9 dogs have accepted the challenge and have pledged to walk in excess of 2500 miles between them! The money raised will be split 50/50 between Saint George's Church and TOG Mind, who offer support for people with all aspects of their mental health. They offer counselling, online wellbeing services and one-one support. You can find details of everything they have to offer on their website at [Tameside Oldham and Glossop Mind \(togmind.org\)](http://TamesideOldham and Glossop Mind (togmind.org))

We all walk separately at a time that suits us, in order to comply with Covid regulations. During the first week of the challenge, Buddy's buddies walked in rain, snow, wind and occasional sunshine in order to clock up the miles. In addition, they visited new places and gave each other ideas for walks. Dogs and other pets are a great help with our mental health, offering unconditional love and a non-judgemental ear. In addition, the NHS, throughout the Covid pandemic, has been encouraging everyone to increase their activity and get out in the fresh air. Buddy's challenge has combined the two and it is hoped that participants will benefit from exercising in the fresh air, with their buddies.

Even Mabel who is only 4 months old, is taking part. Lyndsay writes 'Me and Mabel have been out in all weathers and wellies have been my best friend! Mabel enjoyed catching snowflakes and playing in the snow last weekend which was funny to watch! Mabel also had her first experience of swimming which she is very good at! It's been fab to get Mabel to be attentive on the lead (although this depends on distractions!) And we always come back with sticks! Mabel has also learned that Geese are not her friend and do not want to play'

Ava has enjoyed her daily walks however she sometimes needs encouragement from Lynn when it's raining or snowing, because she doesn't like getting wet. They have been to many different locations with lots of new ground for Ava to sniff which is her favourite hobby. Ava is looking forward to finding many more places over the next few weeks.

Just before Buddy's challenge Ben's favourite place to be was on any comfortable seat - asleep. But since Joyce took on Buddy's challenge, he's been raring to go. Destinations have been mainly local, taking in all the wonder of God's creation but they have also ventured further afield to Lymm and Morecambe. Joyce says 'It is great being in such good company as the others who are taking part in this worthwhile venture. Happy walking all'

Caroline seconds this feeling 'Daisy and I have enjoyed walking that extra mile to raise funds for two much deserved causes! We have enjoyed the camaraderie and encouragement from the other participants and our many supporters! 🐾

Robbie has enjoyed the longer midday walks and he and Alicia have been visiting places that they normally only go to for treats, Buxworth Canal basin, Compstall park, Torside reservoir and other level ground walks, even taking a picnic to enjoy after their walks.

Gillian writes 'Barnaby and I are enjoying our walks in aid of these two great causes. Alicia, thanks for sharing your flat walks - I'm going to give them a try too'

*Molly and Daisy enjoying a swim*

If you would like to join us, there is still time. The challenge runs until 23<sup>rd</sup> May, and is open to everyone – it doesn't matter whether you can walk 100 metres or 100 miles, or whether you have a dog. Everyone is welcome.

If you would like to see more photos of our lovely pups, or offer support and encouragement, please join our Facebook group on <https://www.facebook.com/groups/1578517612350695/>

If you would like to sponsor any of our gorgeous dogs, please use the following link, and quote Buddy's challenge- 'participants name '

If you don't want to sponsor anyone in particular, please put Buddy's challenge. Alternatively, if you prefer to pay cash, please either hand it to the person you are sponsoring, or leave it in an envelope at the back of church. Please label it 'Buddy's challenge- 'participants name' Thank you
