Come and share the magic of St Andrew's

We've given our church hall a new lease of life and you can join in too.

A six-month refit means Sudbury has a brand new venue for pastoral, community, business and social events.

Careful renovation work has restored the hall, famous for its church services when first built in 1905, to more than its former glory.

Today it's a 21st Century landmark, complete with main hall, meeting rooms and tasteful stainless steel kitchen.

During the renovations the original stained glass window depicting an angel with a flaming sword to ward off lawlessness was restored to its former glory. It's a masterpiece.

The hall was blessed by the Bishop of Willesden, the Right Rev'd Peter Broadbent and now it's ready and waiting...FOR YOU
