Dear Friends,

Many of us enjoy travelling, going on journeys, and as we travel we look forward with anticipation to our destination.

Preachers often use the metaphor of journey when speaking about Christian discipleship. We talk about the journey of life and of travelling with God. One of the Christian classics is John Bunyan's "Pilgrims Progress". Methodist Presbyters traditionally refer to their time in active ministry as their "years of travel". Jesus spoke of the narrow pathway that leads to eternal life.

As we approach Lent this metaphor of journeying seems especially appropriate as we remember the time Jesus spent in the wilderness. The accounts of this time in Matthew's and Luke's gospels focus on the three temptations which seem to come near the end of that time, but Jesus was in that wilderness for a considerable number of days. Why? What was Jesus doing? Jesus was undertaking his own personal spiritual journey in a place without distractions, in a place where he could guarantee solitude, thinking about the crucial ministry he was about to undertake.

As usual there is a Lent Course in the valley, but if you are unable to join us can I suggest you spend time looking back on your journey with God in order to be able to more firmly fix your eyes on the destination.

You might want to think about those times when you have made real progress on your journey of Christian discipleship, you might want to reflect on those times when there have been traffic jams on life's road, circumstances that slowed your faith journey down or even brought it to a halt. You might like to reflect on those times where there have been distractions on the way that have taken you off the narrow path to God; or even side roads and shortcuts you have tried that have led in the wrong direction.

If you are unsure of the way, unsure if you are indeed heading down the path that leads to eternal life, then just remember some words of Jesus, who when Thomas asked "How can we know the way?" replied, "I am the Way, the Truth and the Life".

May God bless you all during this coming Lent season.

Yours in Christ

Rev Rick Ormrod

You are most welcome to visit Fewston's well ordered six bell tower.

A New Look

Fewston and Blubberhouses Churches have a new look to their website. To be perfectly honest the new look has been in place for 6 months but it's time to shout about it.

The home page shows the events for the current week and links to the latest news. Other pages give more information about activities and service times and there are about weddings, baptisms, prayer and all about the church buildings.

If you want to know when the website has been updated, one of the News items has some instructions to tell you how to get the latest news sent directly to your inbox as soon as it is on the website. Do have a look at our 'New Look'.

Stretching from January to April 2017 our theme 'Churchyard Secrets Revealed' focusses on the remains and artefacts found when the site for the Heritage Centre was excavated in 2009. Scientific research combines with local social history to tell a unique story.

We hope you'll enjoy the 5 events we are holding in March and drop in to see both the new permanent and temporary exhibitions.

On **Saturday March 4th** from 9.30am to 4pm we present '**Another wire workshop with Chris Moss.**' Chris returns for another popular and superb workshop. Come and make a lovely pair of doves or pigeons. For those of you that are quick workers, you might make a second pair costing just £5 more for materials. The event includes homemade refreshments and a delicious 2 course lunch. Cost is £75 (members £60) and booking is essential.

As we progress through the month, come and join us on **Tuesday the 14th March** at 7.30pm until 9.00pm for an informal evening's discussion about "**Our favourite Victorian novels**" and what they tell us about Victorian Society. Feel free to suggest your own favourites. Light refreshments and a cash bar. Cost is £7.50 (members £6)

On **Tuesday 21st March** from 7.30pm to 9pm, David Errickson of Teesside University provides a fascinating talk about how structured light scanning is used to document human remains before reburial in "**Human remains – Another dimension**" Cost is £7.50 (members £6) with home-made refreshments provided.

A lovely weekday walk on **Thursday 23rd March** – "**A tale of two churchyards**" starts at 9.00am until 2.00pm. Hear about the churchyard enclosure and a bit of old Fewston, then walk to explore Meagill Lane cemetery, finishing with a look round Fewston churchyard and its surroundings. Lots of local history and less than 3 miles, mostly on roads but some farm and field tracks. Wellies may be needed! A two course lunch is provided and the cost is £12.50 (members £10). We are sorry, but on this event, no dogs.

We finish our fantastic March events on **Friday 31st March** with "**April Fool! A supper of many surprises**" With a start time of 7pm until 10pm, the evening has a several course tasting menu with a twist – just to keep you guessing! A great sociable event, come and meet friends or bring some with you to another of our lovely suppers. Not to be missed! Cost is £24 (members £19.50)

N.B. The tea room is open on Sundays only in March between 11am and 4pm. As usual the last weekend in the month will just be tea and biscuits as a full menu is served up the road in the Parochial Hall at this time.

Advance booking and payment are required to secure a place for all events. For details of these and other interesting and 'tasty' events coming up over the next few months please either contact Michelle Metcalfe on 01943 880794 or email centre@washburnvalley.org. Lower Washburn Parish Council

At the January parish meeting it was agreed that the parish would proceed with the purchase of a defibrillator using parish funds with the expectation that there will be donations from local groups. The defibrillator would be placed externally on Leathley village hall.

At Castley the 2015 floods made clear that the outfall to Riffa Beck is insufficient. The Environment agency proposes to install an improved trash screen to the outfall and is investigating the option of lowering the embankment to create a spillway to Riffa Beck. It is hoped that the works could be carried this spring.

A further problem at Castley is riverbank erosion and the responsibility for resolving this problem lies with the landowner, North Yorkshire County Council who are concerned about the issue but do not consider it to be of immediate risk to the road. Consultants have proposed a number of solutions and will recommend one to the Council. NYCC contractors will monitor the erosion and if it is show to be increasing significantly increasing before the work can be carried out it is likely that sacrificial material would be used to protect the highway.

The parish council agreed to increase the parish precept from £7250 to £7500 for the financial year 2017/2018.

The next parish meeting will be on Thursday 9 March 2017 in the Leathley Village hall commencing at 8.00p.m.

Who's that? Well, not quite 'who', but more a happening. Christian Aid Week began in 1957 to support and grow the work that was already ongoing. And had been so since 1945 when World War II ended in Europe. There was a longer title at that time, if I remember rightly:

Inter-Church Aid and Refugee Service.

"Refugee" was then and is now a key word. It tells of thousands of people in great need through no fault of their own. People seeking refuge from war, oppression and random acts of violence. Children, women and men.

As Christian Aid says, "We've been there for refugees since 1945. Your support is more vital now than ever." In 2017.

Christian Aid Week will be 14th-20th May. If you have helped before to collect in our neighbourhood, I'll be in touch to see if you can help us again. If not, and you might be willing, please see me in church or give me a call on 01943 851234.

SHROVE TUESDAY

During **Lent** some Christians eat simple food or go without food for a while like Jesus did. Pancakes are often made to use up all the fresh eggs and milk on Shrove Tuesday, the day before the start of Lent.

ASH WEDNESDAY

The first day of **Lent** is called **Ash Wednesday**, it is a day for saying **sorry** to God for any wrong things you have **said** or **thought** or **done** and to ask for God's help to live in the right way.

In bible times people would cover themselves with ashes as a sign of repentance.

In some churches today on Ash Wednesday the minister will draw a cross shape on our foreheads with ash.

WHAT IS LENT?

When Jesus was 30 years old he was baptised by John in the River Jordan. Before Jesus began to preach and teach and heal he went out into the wilderness alone.

For 40 days he did not eat but spent time praying and talking to God,

preparing himself for what God had sent him to do.

Remembering those days Jesus spent in the wilderness, the Christian Church set aside the 40 days before Easter as a time to pray, read the bible and learn more about God.

This time is called **LENT**

While Jesus was out in the wilderness he was tempted by the Devil *three* times.

Look up the bible verses to see how Jesus replied.

1 The devil said, "If you are God's Son order this stone to turn to bread."

Read Jesus' reply in **Luke 4: 4** and **Deuteronomy 8: 3**

2 The devil said, "I will give you power and wealth if you worship me."

Read Jesus' reply in **Luke 4: 7** and **Deuteronomy 6: 13**

3 The devil said, "If you are God's Son, throw yourself down, the Scriptures say God will take care of you."

Read Jesus' reply in **Luke 4: 12** and **Deuteronomy 6: 1**

Dear Lord,
Please forgive me for

Amen

MAD MARCH GALES

The month of March has a reputation for a wild and blustery start but usually changes to much milder weather before it ends ... as the old saying goes 'March comes in like a lion and goes out like a lamb'.

People's homes are flooded or big trees uprooted in high winds. Even if it doesn't happen to us we see the pictures of other people's suffering in the media.

There was a time when Jesus' friends were frightened because a fierce storm blew up while they were fishing. The disciples thought their boat was going to sink and they were very frightened. You can read about it in St Mark's Gospel, chapter 4, verses 35-39.

I get frightened when the wind blows so hard that the trees bend and the lights flicker but then I remember that Jesus is with us all the time. Just as He was with the disciples in the boat, He is with us when we are afraid. Jesus gives us hope, courage and strength.

SAFELY HOME

Can you find your way home through the maze of streets?

What did the north wind say to the east wind?

Let's play draughts

How easy is it for wind gusts to talk to each other?

It is a breeze.

What does a cloud wear under her raincoat?

Thunderwear!

Meeting Programme

8 March 2017 – Riverford Organics; Riverford was one of the first weekly organic veg box schemes back in the late 1980's. Starting from a delivery of around 30 boxes per week to local friends and family it now delivers meat and dairy products as well as fruit and veg to 10s of 1,000s of households nationwide. Andrew Wilson and Susan Taylor will be talking to us about the business.

12 April 2017 – Entertaining made Easy; Experienced cook, Julie Clarke, will be giving a cookery demonstration as well as sharing top tips and advice. Julie was the winner of the WI's 2015 competition to find the best fruit cake recipe. Her recipe was subsequently used for the celebratory cakes made for the 5,000 delegates that attended the WI's centenary conference at the Albert Hall.

Meeting Reports 11 January 2017

Modern Line Dancing: Our 2017 programme got off to a lively and entertaining start with Cathy Hodgson, from Cath's Kickers, providing an instructive hour of line dancing. She efficiently and firmly guided us through four choreographed dances – Geronimo, Cowboy Charleston, Feelin' Kinda Lonely and Mamma Maria – which we all managed to master in one way or another. In essence line dancing involves a short routine that is then repeated in all four directions so there's plenty of time to practice the sequence of steps. We had one or two star performers (perhaps Strictly fans?) but we all worked hard and enjoyed trying something new.

Business matters: The meeting approved the donation of £150 towards the cost of installing defibrillator in Leathley

Farnley Estate WI is group of friendly women. Anyone interested in joining is always welcome to come along and try out one of our meetings. We meet on the second Wednesday of the month at Leathley Village Hall at 7.30pm and have a varied programme of educational, practical and inspiring talks and demonstrations. We also have a Walking Club and Book Club, which both meet each month.

For more information please contact our President Caroline Barker 01423 734412 or email farnleyestateWI@outlook.com

Having cancelled our January meeting at short notice due to bad weather we were particularly looking forward to catching up with all our members this month.

Our speaker was Dr Stephen Turnbull and the title of his talk was 'Japan's Secret Temple Gardens' which sounded rather intriguing and we certainly weren't disappointed. Stephen is a renowned authority on Japanese history and culture and a much published writer. He has long been interested in the art of the Japanese garden and on his many trips to Japan has visited gardens which are only open on a few occasions each year, or not open to the public at all.

He explained how the Japanese like to use the borrowed landscape as a backdrop to their gardens and often imitate nature, for example with their use of small rocks to imitate islands in the sea, or gravel to imitate rivers, or even the sea itself.

They are created to be spaces of meditation and reflection and their style has evolved to become a deep-rooted part of Japanese culture.

Of course the Japanese are famous for their Spring cherry blossom and Stephen had some wonderful slides of gardens positively drenched in blossom, but perhaps less well-known is their fondness for acers so that in Autumn the changing colours can certainly compete with anything seen in New England.

In Summer the primary palette is many shades of green using moss, box, and evergreen azaleas, and then in Winter the wonderful structure of these plants and trees, together with the rocks, tea houses and pergolas, covered in snow create a different but equally striking beauty. Stephen had a wealth of slides to show us and is a wonderfully entertaining speaker. It was a lovely escape from a cold dreary Winter's evening.

There are so many interesting events, courses, and trips planned by our Federation this year and we've already arranged the first two trips for our own WI. We have a walking group, craft group, and lunch club too so why not come along and find out for yourself. We're a friendly group of women and always welcome visitors as well as new members. We meet on the second Thursday of the month, 7.30pm, at Askwith Village Hall and in March we'll be welcoming Vickie Bowden who'll talk about the vital work of Yorkshire Air Ambulance. If you'd like more information you can call Margaret Creek on 01943 467865 or Sue Appleyard on 01943 839292.

Our new diocese – how's it going?

A message from Bishop Nick

So much has been achieved since the Diocese of Leeds was created just two and a half years ago. Bringing together three very different dioceses was a hugely complex procedure, but we are all now part of a large, coherent body, whose benefits are being increasingly revealed.

The bishops and archdeacons are working closely with their areas, and the combined spiritual wealth of 656 churches, over 240 church schools and three cathedrals has brought increased creative energy.

We now have a central office in Leeds (complete with a charitable coffee shop that's open to all), a new parish share system, new governance and further delegation of authority from the diocesan bishop to the area bishops.

Some of the challenges we face include: getting the right balance between one diocese and the five episcopal areas, tackling the anticipated fall in clergy numbers, growing our churches and maintaining parish share. And it remains vital to reach children and young people with the Gospel in order to build future generations of strong Christians.

At the heart of all we do are the values captured in our diocesan strap line, 'Loving, Living and Learning'. It's a useful list to check against everything we do. What does that mean for you and your church?

+Nick Baines, Bishop of Leeds

Loving, Living, Learning

We aim to:

Love God, the world and one another.

Live in the world as it is, but, drawn by a vision of something better, we want to help individuals and communities flourish.

Learn when we get things wrong, by listening and growing together.

Palm Sunday, Holy Week And Easter 2017

It is well known that Lent is a time of preparation for Easter day and beyond, however there isn't a gap between the end of Lent and Easter day. Palm Sunday and Holy Week are also part of that preparation.

In fact it's a more concentrated time as it's the last week to set time aside to contemplate Christ's last few days, to think about His last words and actions, ponder how His Disciples and others felt, realise what was going on in and around Jerusalem in those days when the Romans dominated God's people and occupied King David's city.

Join us as we shout 'Hosanna', reflect on those last few days, eat together and remember the Last Supper, pray together and reflect on Jesus' last night on the Mount of Olives, gather at the foot of the cross in wonder and awe at Jesus' love for us. This will help us to have more in us as we sing and shout 'Alleluia Christ is Risen!' and change from the purple of Lent to white and gold of Easter.

On Monday to Wednesday from 7.00 pm there'll be a short evening service with reflection at St Oswald's, Leathley. Thursday's venue is Fewston Parochial Hall for 7.00 pm to remember those events in The Upper Room. Friday at noon will see us spend an hour or so in quiet reflection at St Oswald's, Leathley. Palm Sunday – Journey To Jerusalem

Just as we journeyed to Bethlehem for Christmas, Palm Sunday 9th April 6.00pm will see us travel with the Israelites to Jerusalem for one of their major Festivals and learn why they did this – without getting our feet dusty!

Through familiar hymns and anthems (including the W V Choir singing Handel's 'O Thou that Tellest Good Tidings of Zion' from the Messiah) readings and poems we'll discover why the Israelites travelled from all over the Holy Land to the City of David – and what the Roman occupation meant on that first Palm Sunday.

Bring your leafy branch, lubricate your throat, practise shouting Hosanna!, and join the Washburn Valley Choir at **St Oswald's, Leathley** for an evening of celebration and learning. Graham 0113 203 7754

A Lady of Letters

A play by Alan Bennett – from his classic ‘Talking Heads’ series

Irene Ruddock is a single, middle-aged woman living near Bradford and is not afraid to speak, or rather write, her mind. She frequently writes to her MP, the police, the chemist - everyone she can, to remedy the social ills she sees around her. Eventually this leads her into some trouble but ironically, also to happiness in an unlikely place.

His Mother

(John 19:25)

Her "Yes" led to vulnerability,
homelessness, persecution and
misunderstanding -
contrasting with revelation and
angels,
visitors, gifts and joy.

It led to questions with costly
answers.

Yet through the pain and piercing
she remained steadfastly for Him,
her son.

Pondering, wondering but always
present,
always faithful, always loving,
as He completed His Father's work.

There she stood - for all of us who
have loved,
Loyal and brave and heart-broken.
What a woman!
What a calling!

"Near the cross of Jesus stood His
mother."
