The Missing Letter

Dear Readers

Several of you have expressed disappointment that for several months there has been no letter or introductory article in the magazine.

It seems that without a vicar there has been no contributions. You'll want to know that the process of trying to find a new vicar has begun and it is hoped that there may be some candidates to interview towards the end of September. More news on this will follow.

In the meantime, some of us who lead worship have agreed to provide an item over the coming months. This is the first of those missing letters.

Such a title reminded me of a story I heard many years ago. It was of a church that had a very beautiful east window depicting the nativity scene complete with angels. The inscription read: GLORY TO GOD IN THE HIGHEST.

One day some vandals damaged the window by throwing stones. In particular, they damaged the words of the text. It now read: GLORY TO GOD IN THE HIGH ST. The missing letter provided a new message! The message of the angel is not to be restricted to, or only confined in, religious places – or even expressed in strictly 'religious' language.

At the time of writing this, I am preparing to conduct a funeral and several weddings. Each of them includes music and readings of what it is tempting to call a 'secular' as well as a 'sacred' nature. Nowadays many services feature this variety. Perhaps this distinction between sacred and secular is no longer a necessary or helpful one.

Whether sacred or secular, in the High St. or villages, in the rural farming community as well as in our local churches – all these places are spheres of God's presence in which Glory can be expressed and God's love experienced.

Sincerely

Barry Miller

Au Revoir not Goodbye

At the beginning of August we moved out of Northend, Timble after 29 years there. Our retirement adventure in Northumberland will begin in the New Year when the house there is ready.

But we didn't want to leave without saying how much we have appreciated all the friendship and support we have had from so many people in the Washburn Valley. Gosh, we have had some good times there and they will live long in the memory.

Washburn is a very special place and long may it stay that way. You may wonder why we are leaving - well we only live once and after 41 marvelous years in Timble we would like one last hurrah. We only hope that the folk in Alnmouth are as friendly and that we are allowed back to visit from time to time!

Thank you all

Nigel and Elaine Stead

Chalice Assistants

We are pleased to announce that the Bishop has given permission that we continue to have chalice assistants to help at communion. Even when numbers at services are small the involvement of members of our parishes in this way is of help and significant. It is another demonstration that the Eucharist (thanksgiving) is an action of the whole body of the church.

Our chalice assistants (eligible to assist across the whole Benefice) are:

Sandra Howarth

Yvonne Dale-Winder

and Fran Dale who joins the team this year.

We are grateful for their support.

Events in Weston, Askwith and Denton

The recent Cream Tea Event in Weston Hall Barn was a great success on a lovely day with many people present.

There was an Art Exhibition by Barry Hindmarch in All Saints' Church and escorted tours round Weston Hall Gardens. It was a very busy afternoon for all our helpers who deserve a massive thank you. How we didn't run out of cakes and scones was amazing.

Grateful thanks to Mary and Christopher Dawson for opening their barn and grounds and providing refreshments all afternoon.

The event raised over £1000 for the All Saints' Fabric Fund.

Timble Methodist Chapel

We held our Anniversary service in July.

At the time we knew that regular worship would cease at the end of August but were uncertain as to the future of the Chapel.

Over 50 people came to support us and we ran out of seats! Some folk followed the service from the road outside (see the photo below). Roland Henney led a very thought provoking service and his message was appreciated by the congregation.

It was a very uplifting occasion and the members were so grateful for the support of so many friends from near and far. The collection, a generous £240, was split between 'All We Can' the Methodist overseas charity, and The Salvation Army. Thanks too to Martin Gott for playing the organ.

(Jnl:4,5 Heb13:5)

God knows the end from the beginning,
He knows His purposes are good.
When darkness hides the path and signposts,
He keeps our feet on the safe road.
His light shines in Jesus, true forever,
Darkness a trick of troubled minds,
God is real and travels with us
Guards our steps before, behind.

Let's be thankful for this moment,
Trust our questions to His grace,
He knows the end from the beginning,
We are secure, He has a place...

Prepared and waiting and beautiful,
For His children.

The Harrogate Lions Club and Harrogate Borough Council Defibrillator project

are pleased to announce the Defibrillator grant fund is now open for applications. Please see www.harrogate.gov.uk/grants

The grant fund opportunity

The community defibrillator grant fund scheme is a partnership project funded equally between Harrogate Lions Club and Harrogate Borough Council.

The purpose of the defibrillator grant fund is to support communities across the Harrogate district to purchase a Public Access Defibrillator (PAD). A PAD allows 24 hour access to life-saving emergency equipment that is available for anyone to use when a cardiac arrest is suspected.

The successful grant applicants will be provided with a defibrillator approved by Yorkshire Ambulance Service and cabinet to enable the defibrillator to be mounted on an external wall for maximum public access. In return the successful applicant must agree to pay for installation through a local electrician (at a cost of approximately £150) - there is £20,000 available in this grant funding pot.

Applications for defibrillator grants of up to £1,195 (the cost and delivery of the defibrillator and cabinet as purchased by the Harrogate Lions Club/Harrogate Borough Council project) are available to community organisations, businesses and schools across the Harrogate district.

Application forms are to be submitted to smallgrants@harrogate.gov.uk

A total fund of £20,000 is available, it is

envisaged that this will be allocated through up to two grant application rounds. If the full allocation of funding is not achieved in the first application round a second window for applications will be in early 2019.

Who can apply

Applications are welcome from community organisations, businesses and schools across the Harrogate district but in particular communities with a high footfall that do not currently have access to a defibrillator. The current locations of defibrillators in the Harrogate district can be found at [PAD locations](#).

How to apply

read the [guidance notes](#)

complete the [application form](#)

All applications must be typed and submitted electronically to smallgrants@harrogate.gov.uk. If this causes an issue please contact us to arrange an alternative method.

Applications are to be submitted between 1 August and 30 September 2018.

All applications will be assessed together after the closing date and applicants will be informed during October 2018.

If you have any questions please feel free to contact me.

Meeting Programme

12 September 2018 – Craft Evening with Teasles; We'll all be crafting in September and under the guidance of Pat and Janet will use Teasles – that prickly plant, whose seeds are loved by goldfinches – to produce some endearing little animals.

10 October 2018 – Annual Meeting and Faith Support; After the formality of the annual meeting members will enjoy a Faith Supper, with all members contributing a selection of savoury and sweet dishes.

Meeting Reports

13 June 2018 – Crime Scene Investigator; Gill Donnelly a crime scene investigator gave a fascinating insight into her job and its contribution to the conviction of criminals. Gill described that protection clothing she generally donned – very similar to that worn by military personnel at chemical, radiological or nuclear scenes and told us about the 43 powders and range of tools and equipment that she used to identify all the various traces of activity and clues that are left behind at a crime scene.

Her work involves embracing medical, scientific and technological developments and she now uses a digital camera where as once she would have taken exposed film back to her dark room for development – a welcome period of peace and quiet that she misses.

She felt that television has popularised and rather falsely glamorised the work of the forensic investigator and currently there are some 250 university courses with forensics somewhere in their title. Unfortunately many have sufficient forensic content for the graduates to enter a career in the field.

She also gave us an understanding of when DNA evidence can and can't be used explaining how corroborative evidence is required since DNA traces can be transferred between people.

11 July 2018 – Crown Green Bowling; On a warm and sunny evening in July about 16 institute members gathered at Wharfemeadows Bowling Club in Otley for an introduction into the sport of Crown Green Bowling. Only four of us had played before but with the instruction and guidance of a number of helpful and encouraging club members we all enjoyed some competitive and fiercely fought games. It was a tricky green, especially after the long spell of hot weather, but we all made some good bowls and some members may even be considering joining a club!

Farnley Estate WI is a group of friendly ladies. Anyone interested in joining is always welcome to come along and try out one of our meetings. We meet on the second Wednesday of the month at Leathley Parish Room at 7.30pm and have a varied programme of educational, practical and inspiring talks and demonstrations. We also have a Walking Club and Book Club, which both meet each month.

The speaker at our August meeting was Alison McCloy who's the Secretary of Ilkley and District U3A. The University of the Third Age began life in France in 1972 and is now a UK wide organisation. In this country it's come to be known as U3A because it was felt that to have the word University in the name might put off potential members who hadn't been in further education, as the intention of the organisation is to be open to all with or without any kind of qualifications and with no upper or lower age limit.

The Ilkley branch, with 1600 members, now caters for 130 different interest groups ranging from wine tasting to maritime shipping, railways to life drawing, tai chi to family history, and crafting to playing the ukelele. The idea is that whatever your interest if there isn't already a group you can set one up yourself. It turned out that many of us had heard of U3A but didn't really know what it was about so Alison's enthusiastic talk certainly whetted our appetite.

Next month we have our own trip to historic Markenfield Hall and Ripon and on Friday 7th September we'll be selling our home made cakes at the Buttercross in Otley.

Plus our Federation office have organised a wide-ranging and exciting programme of events and courses this Autumn including lunch at Coniston Hall with Harry Gration from BBC Look North, and in September WI members from across our region will be providing the catering at the first Broughton Hall Children's Literature Festival, so no doubt some of our own members will be involved in that event.

Our September meeting features something different. Mike Armstrong who's had a long career as a master baker will be presenting 'Harvest, Bonfire, and Christmas Bakes' and we'll be participating ! That's on Thursday 13th September and the meeting starts at 7.30pm prompt (to give his bread time to rise !).

We are a friendly, lively group of women of all ages who meet on the second Thursday of the month at Askwith Village Hall and anyone from around the area is welcome to come to one of our meetings. All In The Month Of September

It was:

100 years ago, from 26th Sep to 11th Nov that the WWI Meuse-Argonne Offensive took place in France. It was the last major battle of WWI, and the American Expeditionary Force's largest and bloodiest operation of the war. Allied victory.

90 years ago, on 28th Sep 1928 that the use of cannabis was made illegal in the UK. (Medical use of cannabis was made illegal in 1973.)

80 years ago, on 30th Sep 1938 that British Prime Minister Neville Chamberlain returned to England in triumph after signing the Munich Agreement, declaring there would be 'peace in our time'.

40 years ago, on 8th Sep 1978 that the 'Black Friday' of the Iranian Revolution took place. Thousands of protestors gathered in Jaleh Square, Tehran, and ignored calls to disperse. The Imperial Army opened fire and foreign journalists reckoned that up to 4,000 people were killed. This was the pivotal event in the Iranian Revolution, and marked the beginning of the end of the Shah's regime.

Also 40 years ago, on 17th Sep 1978 that the Camp David Accords were signed in Washington DC by Israel and Egypt. They led to the Egypt-Israel Peace Treaty in 1979.

30 years ago, on 6th Sep 1988 that 11-year-old British boy Thomas Gregory became the youngest person to swim the English Channel.

20 years ago, on 4th Sep 1998 that Google, the internet search company, was founded by Larry Page and Sergey Brin, both students at Stanford University in California. The company was initially based in a friend's garage in Menlo Park.

10 years ago, on 7th Sept 2008 that the 2008 Financial Crisis was underway. The troubled US mortgage-financing giants Fannie Mae and Freddie Mac were placed into government conservatorship, under the Federal Housing Finance Agency.

Lord, our very being
here today is a
prayer.

By being here we say 'We love you, Lord' and appreciate all you have done in saving us from our sins.

By being here we say 'Thank you, Lord' because we are aware of all the daily blessings you shower on our lives.

By being here we say 'Use us, Lord' because we are offering ourselves again to your service, and to live for your glory.

By being here we say 'Help us, Lord' because we face many trials and temptations are in need of your grace.

By being here we say 'Change us, Lord' because we want to be more like Jesus in all we say and do.

Our being here today is a prayer Lord, whether spoken or not. Hear us we ask, in Jesus' Name. Amen
