## ‘That They May Be One’

The last week of January was the week of prayer for Christian Unity, which is a matter close to my heart.

I’ve been very fortunate that over the years there have been many opportunities for me to work with colleagues from all Christian denominations. Usually this has been within the sphere of the different churches’ work in education. It has also included many occasions when I have shared, and lead worship, in a great variety of churches and chapels. Indeed, for the months of August, for several years and many years ago, a Baptist minister and I collaborated in providing an ecumenical ‘Drive-in-Church’ on the doorstep of the Bishop of Durham’s Palace!

Yet, after all this time, we are still praying for Christian Unity.

I have reflected on this even more at present when there is so much division nationally and internationally. All forms of media – not least among them social media networks such as Twitter – often foster these divisions. Emotional words and pictures reinforce people’s fears, prejudices and stereotypes. Of course, we all have our own subjective views. These may be no more than preferences, but they can soon become prejudices especially when viewing the vast variety of people throughout the world. We have our fears some of which we know are irrational but nonetheless they feel real. Perhaps other fears are also irrational but we don’t recognise them as such.

Is there, then, any hope for unity be it within the Church or across people of different nations, races, religions, culture or other groupings?

I’m optimistic enough to believe so, once we’re open minded enough to review our views in the light of reason and by seeking the truth. I don’t minimise the challenge this presents. Therefore, I suggest, it is a collaborative activity. It requires dialogue and discussion. Since we’ve not seen much of that within the political divisions in our own country in recent months perhaps the Church might lead the way and be an example in actively seeking unity. Perhaps also a challenge to us as individuals to learn more about the views of others in the spirit of honest and reasonable discussion. I also believe that, as my introductory paragraph suggests, working together in a spirit of collaboration with those who share different views is so very enriching.

‘That they may be one’ are the words of Jesus which have always been interpreted as his prayer for the Church. Too narrow a view, perhaps, when we remember his mission and message was to the whole world.

Will you make that prayer yours too?

*Barry Miller*

## In Memoriam ~ Lena Boldero (nee Bradley)

Lena was the daughter of Mark and Agnes Bradley. The Bradley family were well-known in the Washburn Valley as farmers. They farmed High Wood Farm until 1947 when Mark and Agnes moved to Croft Farm in Timble village, with Lena and her brother Harry.

Mark and Agnes were stalwarts of Timble Methodist Chapel and Lena followed Agnes as the organist. She was Senior Steward of the chapel until her illness in 2017 forced her retirement, and she played the organ for the last time in November 2017. She was able to attend the Chapel Anniversary in July 2018.

Lena worked for many years as a cook at the Methodist Children's Home at Hilton Grange in Bramhope, which is why her baking (those scones!) was so sought after at coffee mornings in the Robinson Library. In 1998 Lena married Geoff Boldero, whom she had known in the Second World War when Geoff was evacuated from London to Timble. Although they had not met for many years, it was when Geoff made a nostalgic visit to Timble that their friendship was renewed.

In the Harrogate care home where she spent her last months, Lena was visited by many friends and relations, including Harry's sons and their families. She was always an inspiration to her visitors, with a smile and handclasp, though latterly she had been less aware of her surroundings.

Geoff was beside Lena when she died peacefully on 1st January, 2019, aged 86. She is much missed in the life of the village and Timble Methodist Chapel.

## St Valentine's Day

falls on 14<sup>th</sup> February and since the 18<sup>th</sup> Century has been associated with the declaration of love, albeit anonymously. Originally this might be through the offering of sweets or flowers, and now more commonly by the sending of an unsigned card.

One suggestion is that St Valentinus was a Roman Christian who performed weddings for soldiers in the Roman army, even though they were not permitted to marry. According to this story, Valentinus was sentenced to death for his offence, but during his imprisonment prayed for the blind daughter of his judge, who miraculously recovered. Before his execution he left her a note, which he signed 'Your Valentine.'

All of us long to know that we are loved by someone, but declaring our love to another is always a risky business since we may be rejected. They may consider us not attractive enough, or unsuitable in any number of other ways. The pain of unrequited love is indeed great, and so many of us hold back because of the fear of rejection.

One thing we can be sure of, however, is that we are loved by God. He loves us because He made us, and likes us as we are. He loves us because He gave His Son to die for us, and thought we were worthy of such a sacrifice. Here is One who knows everything about us and loves us just the same. His love is unchanging and unending and we need never fear His rejection.

Here is the best declaration of love ever made. God says to you, "I have loved you with an everlasting love (Jeremiah 31:3)."

## Washburn Parish Council

Washburn Parish Council covers the areas of Blubberhouses, Fewston, Norwood and Timble. The Parish Council is the first tier of local government and is a body of volunteers elected to represent the views of their community.

The Parish Council met in early January to agree the parish budget for the upcoming financial year. The Council agreed a parish precept of £7,500 for the year 2019-20. This precept will be used to ensure local maintenance works by our caretaker, upkeep of the Meagill Lane Chapel, and equipment maintenance at the Swinsty Moor Car Park defibrillator, as well as ensuring the Council meets its statutory obligations and responsibilities through the Parish Clerk.

In addition, Washburn Parish Council continues to report highways issues affecting the parish; monitor and comment on local planning applications or major proposals such as the A59 Kex Gill road realignment; and inform residents of activities and events in the parish on our noticeboards and website.

The next meeting of Washburn Parish Council will be held on Monday 4<sup>th</sup> March 2019 at Norwood Social Hall, commencing at 7.30pm.

Should you wish to contact any of your councillors please email [washburnpc@gmail.com](mailto:washburnpc@gmail.com) or for more information about your council please visit [www.washburnparishcouncil.co.uk](http://www.washburnparishcouncil.co.uk)

## The Rectory St James the Least

My dear Nephew Darren

We have just returned from our annual parish three-day silent retreat at St Epiphanius' Priory. We had the usual attendees: those husbands who see it as an opportunity to stop their wives talking, however briefly; those wives who can keep their husbands temporarily from the 19<sup>th</sup> hole at the golf club; and those who want to see if it might be a suitable home in which to park an inconvenient relative.

It can come as quite a shock for first-timers: the ladies are appalled to discover that there is neither coffee shop nor hairdressers, and the men that there is no bar or billiards table. The resident community certainly frowned on the four men among us who were discovered silently pushing a car down the drive late one evening before starting it at the main gates as they escaped to the nearest pub. Those of us who are older hands know to bring our own supplies – carefully wrapped, so that the clinking of bottles is not too obvious as one ascends the main staircase. The near universal retreat to bedrooms before dinner is less an opportunity for quiet reflection and more one for a restorative sherry.

The more experienced also know that temperatures in the house are Siberian. All the movement and hand waving during Services is less charismatic enthusiasm and more an attempt to maintain blood flow to the extremities. The series of addresses were given by an aged member of the community. That some of our party fell asleep during the addresses was excusable; that the person giving them also occasionally did so, was not.

During one stroll round the gardens, I noticed clouds of smoke coming from behind the hedges near the chapel. My hope that it was parishioners experimenting with incense to be used in church on our return was soon crushed when I found it was a group of hardened parishioners topping up their nicotine levels. Seeing them nervously huddled in the shrubbery made one think of schools and bike sheds. I now find it difficult not to picture them all in short trousers and wearing caps.

And so we return, knowing that we have done our bit once again for the spiritual vigour of the parish, and also that three days of vegetarian cooking will mean a long queue at the village butchers tomorrow morning.

Your loving uncle,

Eustace

## All In The Month Of February

It was:

200 years ago, on 14<sup>th</sup> Feb 1819 that Christopher Sholes, American inventor was born. He developed one of the first typewriters and invented the QWERTY keyboard.

150 years ago, on 14<sup>th</sup> Feb 1869 that Charles Thomson Rees Wilson, Scottish physicist was born. Winner of the 1927 Nobel Prize in Physics for inventing the cloud chamber.

100 years ago, on 26<sup>th</sup> Feb 1919 that the Grand Canyon National Park was established in Arizona.

90 years ago, on 11<sup>th</sup> Feb 1929 that Italy and the Vatican signed the Lateran Treaty, which recognised the Vatican City's independence and sovereignty.

80 years ago, on 14<sup>th</sup> Feb 1939 that the German battleship Bismarck was launched. It was sunk by the British in May 1941 during a WW2 battle in the North Atlantic.

70 years ago, on 14<sup>th</sup> Feb 1949 that Israel's parliament (the Knesset) convened for the first time.

60 years ago, on 3<sup>rd</sup> Feb 1959 was 'the day music died'. American rock-and-roll performers Buddy Holly, Ritchie Valens and The Big Bopper were killed in a plane crash in Iowa.

50 years ago, on 3<sup>rd</sup> Feb 1969 that Yasser Arafat was appointed leader of the Palestine Liberation Organisation.

40 years ago, on 1<sup>st</sup> Feb 1979 that Iranian religious leader Ayatollah Khomeini returned to Iran after more than 14 years in exile. In November, following a referendum, Iran became an Islamic Republic with Khomeini the Supreme Leader.

30 years ago, on 14<sup>th</sup> Feb 1989 that Iranian Ayatollah Khomeini issued a 'fatwa' calling for the death of the British writer Salman Rushdie, whose novel *The Satanic Verses* was condemned as blasphemous against Muslims.

20 years ago, on 9<sup>th</sup> Feb 1999 that Bryan Mosley, British actor, died. Best known for his role as Alf Roberts in the TV soap *Coronation Street*.

10 years ago, on 10<sup>th</sup> Feb 2009 that two satellites collided in orbit for the first time. A defunct Russian Cosmos-2251 military communications satellite and an operational US Iridium 33 communications satellite were both destroyed, creating thousands of fragments of space debris.

Consider the birds of the air  
They do not store up what they eat  
They need not to worry or care  
Or tweet with a worry-filled tweet.

God looks after them, O it's true!  
He grants them their insects and  
grains  
He gives all their feathers their  
hue;  
And shelters them all from the rain.

But at certain times of the year,  
When birds have to eat, or they  
freeze –  
Though God clearly holds them all  
dear,  
Assistance from us will Him please.

So think of the birds of the air,  
And, after your breakfast is  
chewed,  
Get up, get a coat, get out there  
And give the poor darlings some  
food!

## The Presentation of Christ in the Temple/ Candlemas

Candlemas, 2 February, comes exactly 40 days after Christmas. In New Testament times 40 days old was an important age for a baby boy: it was when they made their first 'public appearance'. Mary, like all good Jewish mothers, went to the Temple

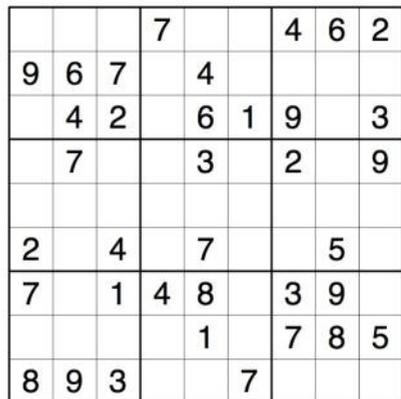

with Jesus, her first male child - to 'present Him to the Lord'. Thus, we have the Festival of the Presentation of Christ in the Temple. (Luke 2: 22-40) So where does the Candlemas bit come in? Jesus is described in the New Testament as the Light of the World, and early Christians developed the tradition of lighting many candles in celebration of this day.

## Farnley Estate Young Farmers Club

By Emma Goulding

### Feeling Festive At Farnley Estate Young Farmers Club!

It has been a busy month leading up to Christmas and the New Year at Farnley Estate Young Farmers. On the 12th December we made wreaths at Almscliffe Village Hall. We all had lots of fun and made some spare wreaths to sell on the Buttercross Stall in Otley. Lots of members also donated baking and raffle prizes and helped to run the stall. Thank you to those people and anyone who bought anything. The money raised will go towards club funds and keeping our club up and running as well as it is now. Also a huge thank you to anyone who helped to get greenery for the wreaths, especially Jim Roberts.

On the 19th December it was the club Christmas special which was a good night for all members to meet up before Christmas. We played games such as spin the bottle and the mistletoe was a very popular place to be afterwards! We all got into the festive spirit and the dress code was Christmas jumpers all round! Thank you to the club leaders for organising such a fab evening.

On the 23rd of December we went carol singing around farms and houses in the local area. We collected money for our club charity and Away in a Manger was a clear favourite!

It was straight back to it on the 2nd of January for the District New Years Social at the Millstones. It was a really sociable night as we got to see our friends in Felliscliffe, Knaresborough, Winksley cum Grantley and Nidderdale clubs. We played lots of games again and the competition became very tense about how many marshmallows we could fit in our mouths!

On the 9th of January we went mystery judging at Askwith Village Hall. We all enjoyed judging scones, shepherd's crooks and hairdryers. It was a rather random array of objects but we got to work judging them and tasting the scones was the favourite part. Soon all that was left to judge was a pile of crumbs! The overall results were:

#### ***Juniors:***

1st Charlie Ryder

2nd Jacob Ryder

3rd Eleanor Ashby

4th Daisy Roberts  
and Izzy Bush

5th Emma Goulding

6th Grace Metcalfe

#### ***Intermediates:***

1st Billie Towers

2nd James Driffield

3rd Joe Groves

#### ***Seniors:***

1st Luby Grayshon

2nd Emily Bradley

3rd Emily Bird

Thank you Dee Holmes for being our judge and giving us some really useful feedback which will guide us through to competition level.

If you are 10-26 years old and interested in joining our club then contact James Driffield on 07752779350. Next week's meeting will be on the 16th January at Keelham Farm Shop.

Emma Goulding

The past couple of months have been a busy time for our WI. We've celebrated our 70th birthday with a thanksgiving service at Weston Church, enjoyed festive cooking and floral demonstrations, made stained glass Christmas decorations, visited Castle Howard dressed in all its festive finery, enjoyed a super Christmas lunch at the Clevedon, trimmed a tree at Otley's Christmas tree festival, and attended our Federation Carol Service at Ripon Cathedral.

We have a fantastic selection of speakers booked for 2019 and at our first meeting of the New Year we welcomed Andrew Fisher whose family have owned and developed Swincar Nursery at Guiseley for more than 50 years.

Despite Andrew's protestations that this wasn't something he normally did he gave us a really interesting potted history about the family nursery. Apparently there has been a nursery on the site for 150 years and for many years it was owned by the Co-op who used it to grow produce and flowers for their numerous shops in the area. When the Fishers bought the site in 1964 both the house and greenhouses were pretty derelict. Andrew's father set about repairing the glasshouses, bringing the growing areas back to life, and installing coke fired boilers for heating. He grew vegetables and flowers which he sold in Bradford Market, set up a fledgling wholesale business, and also sold to local shops. The nursery was almost entirely wholesale until Andrew left school and came on board and then they decided to venture into retail selling direct from the nursery. The retail business accelerated very quickly and within a year they had moved completely out of wholesale and begun to invest in machinery to automate some of the more labour intensive aspects of the operation such as seed sowing.

Nowadays Andrew travels far and wide to buy stock for the nursery concentrating particularly on Holland, but they continue to produce thousands of value for money bedding plants each year, as anyone who visits the nursery will know.

Andrew went on to field numerous questions on all manner of gardening topics and, despite his early reservations, he was a really entertaining speaker.

We're beginning to plan our trips this year which so far include a visit to Goldsborough Hall in February to see the snowdrop display and both Allerton Waste Recovery and Norton Conyers house and garden later in the year.

As well as our own monthly meetings and visits our Federation is planning some exciting trips and events too over the next twelve months.

Our next meeting will be on Thursday 14th February, and because work is being carried out at the village hall, we'll be meeting at The Askwith Arms. We'll be welcoming Beth Hughes from By Betty Headwear who'll be talking about her career as a milliner and also bringing lots of hats for us to try.

We're a very friendly group of women who meet on the second Thursday of the month, 7.30pm, at Askwith Village Hall (apart from our February 2019 meeting) and new members and visitors from all around the area are always welcome. If you'd like more information why not phone either Andrea on 01943 462163 or Sue on 01943 839292.
