## The View from the Vicarage

February is an odd month. (Even odder this year with its extra day). The nights are starting to get shorter, but the weather is still very wintery. It is a short month, but it does seem to drag. As I say it is an odd month. When I was stationed in Germany it was the month that we all dreaded. Christmas was long past, Easter, and Spring, far in the future. Even the beauty of the German countryside, covered in snow and looking charming could not make up for what was a bleak time of the year. February was the month that I could count on to bring me more soldiers with problems than any other month of the year. As you can see I'm not a big fan of February.

For many of us the highlight of the month is Valentine's Day. Again I'm not a fan. I like to buy Charlotte flowers throughout the year, rather than focus on one day (when they are really overpriced; you can take the man out of Scotland....). Before you take me for an old romantic I've always found that buying flowers for my wife on a regular basis makes it harder for her to spot when I buying them to apologise! Or perhaps I need to apologise more often than I think I do.

This year February also sees the start of Lent with Ash Wednesday falling on the 26<sup>th</sup>. Lent is traditionally a time of fasting. A time to give something up to help us prepare for Easter. You will see elsewhere in this edition that I'm doing a bit of extreme fasting (800 calories a day) to raise funds for the Farming Community Network. Do consider sponsoring me if you are able to.

Though Spring seems a long way off the word Lent comes from an old English word for Spring. So in this month when things can get on top of us remember that Spring is on the way, bringing with it new life, new hope. Soon the fields will be filled with the sounds of lambs, our gardens will see snowdrops and daffodils. All this is still to come, but it will come.

So as we head into Lent, as we look forward to the hope that Spring will bring, as we prepare for Easter Day what can we do to get ready?

Do give something up, if that helps you. But rather than giving something up, think about doing something instead. Come to church, read the Bible, pray. Think of a way that you can help someone.

The light of Christ that shone at Christmas still shines in the world but in this bleak month it can sometimes be harder to see. But if each of us can be kinder to the other. If each of us can share the light that is in us with another. If each of us can care for our friends and our neighbours; maybe even care for those we struggle with. Then our community will be a better place, our country will be a better place, and even February may not seem so bad.

God loves us all and he wants us to share that love with each other. So share your light with those around you and keep the darkness at bay. And all shall be well.

Have a good Lent!

Stephen

## Stephen's Lent Appeal

I often find myself driving around the Benefice with a smile on my face as I consider how lucky I am to be here. Our countryside is spectacular but it didn't just happen. The industrial past of the Washburn Valley has shaped a lot of it but all around us the countryside is as it is due to the work of the Farming Community. They work each and every day from before dawn till after dark caring for their stock and their land and feeding us.

The Farming Community is strong and resilient. They look out for each other and pull together. If you have ever been to a Farmers funeral you will know what I mean. But farming can be a lonely life. Personal or professional pressures can build up until a situation can seem hopeless. In the UK more than one farmer a week takes their own life.

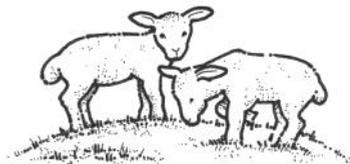

This is where the Farming Community Network (FCN) comes in. They run a help line each and every day of the year from 7am. till 11pm. (03000111999) and an e-helpline (help@fcn.org.uk) . This allows farmers, and their families to talk in confidence to someone who knows what their life is like. The FCN volunteers mostly come from a farming or country background. As well as the helpline the FCN also has a large team of Caseworkers who can give support on issues to do with Finance, Animal Disease, Family and Health.

All this costs money, in fact it costs around £1,500 a day to run the FCN. I've been around farmers all my life and they have fed me well! In fact, a little too well. So during Lent this year (26 February till 11 April) I'll be dieting to raise funds for the FCN. Each day I'll be eating around 800 calories so hope to lose a reasonable amount of weight. I'll let you know my weight (in Stones and pounds) on Ash Wednesday and on Easter Day.

I hope that you will be able to sponsor me during Lent to raise some cash for the FCN. You either give per pound lost or a lump sum, or whatever you can spare. There will be sponsorship forms in each church in the Benefice or you can sponsor me online on my GoFundMe page (just search for either Stephen McCaulay or Farming Community Network and you will see my appeal page).

Thank you very much for your support and I hope that there will be less of me to see on Easter Day.  
Stephen

# Mid Wharfedale Parish Council

An Ordinary meeting of MWPC was held at Askwith Village Hall on 21st November 2019. All parishes were represented along with Cllr Lumley of NYCC and Cllr Oldham from HBC.

The Clerk had prepared a budget for 2020/21. This was discussed and it was felt that as the council would need to pay for road side grass cutting the precept should rise by £200 to £4385 to accommodate this, this was proposed Cllr Caton seconded Cllr Bush and resolved to accept the new budget.

The appointment of the internal auditor was discussed. It was resolved that Yorkshire Internal Audit Services should be appointed for the 2020/21 year.

MWPC policies had been updated and it was Proposed Cllr Marston, seconded Cllr Bush and resolved that the following policies should be adopted en-bloc. Standing Orders, Procedures & Policies, Financial Regulations, Financial Risk Assessment, Code of Practice for Handling Complaints, Freedom of Information Publication Scheme, Freedom of Information cost, Code of Conduct.

Under Highway matters the Clerk was asked to write to NYCC Highways regarding various items including blocked gullies and overgrown ditches in numerous locations in the parish. Salt bins in Denton needing replenishment. The possibility of getting Moorside Lane, Askwith resurfaced. Hedge cutting responsibilities on Carters Lane, Middleton.

Phone boxes in Askwith, Middleton and Nesfield were discussed. The recent planning consultation by BT to remove these had been objected by HBC. This means the boxes will remain in position for at least the next 3 years. However as Nesfield were already using their box for village items it was proposed Cllr Chivers, seconded Cllr Ellis and resolved that MWPC should investigate the adoption of the box.

Invoices were presented and cheques signed. The Bank Mandate paperwork was signed for future updating.

Planning permissions were discussed and recorded.

The next meeting is 20th February 2020 at Askwith Village Hall starting at 7.45pm.

25 February

**Shrove Tuesday or Pancake Day**

Ever wonder why we eat pancakes just before Lent? The tradition dates back to Anglo-Saxon times, when Christians spent Lent in repentance and severe fasting.

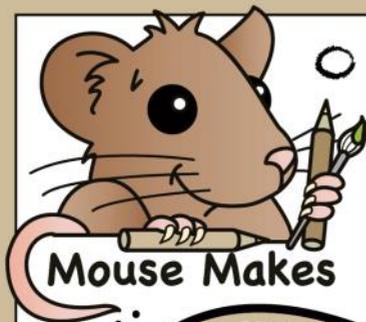

So on the Tuesday before Ash Wednesday, the church bell would summon them to confession, where they would be 'shriven', or absolved from their sins, which gives us *Shrove* Tuesday. At home, they would then eat up their last eggs and fat, and making a pancake was the easiest way to do this. For the next 47 days, they pretty well starved themselves.

Pancakes feature in cookery books as far back as 1439, and today's pancake races are in remembrance of a panicked woman back in 1445 in Olney, Buckinghamshire. She was making pancakes when she heard the shiving bell calling her to confession. Afraid she'd be late, she ran to the church in a panic, still in her apron, and still holding the pan.

Flipping pancakes is also centuries old. A poem from Pasquil's Palin in 1619 runs: "And every man and maide doe take their turne, And tosse their Pancakes up for feare they burne."

Some people have noted that the ingredients of pancakes can be used to highlight four significant things about this time of year: eggs stand for creation, flour is the staff of life, while salt keeps things wholesome, and milk stands for purity.

Shrove Tuesday is always 47 days before Easter Sunday and falls between 3<sup>rd</sup> February and 9<sup>th</sup> March.

After **Jesus** was baptised He was led by the Spirit into the **wilderness** for **forty** days where he was tempted by the devil.

## A short story from the Bible

It can be read in the Bible in  
1 Samuel 2:11-17, 22-25, 3:1-21

As soon as he was old enough to leave his parents, Samuel went to live at God's temple in Shiloh, with the priest, Eli..

Eli's sons were also priests, but they helped themselves to what people had brought to give to God.

Eli talked to them about it. They ignored him.

But Samuel did all the work he was given well.

One night, after everyone had gone to bed, Samuel heard someone calling him.

He thought it was Eli, so he ran to him.

No, I didn't call you

It happened again.

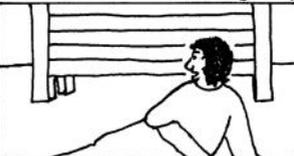

I didn't call. Go back to bed.

The third time, Eli knew it must be God calling Samuel.

You must say, 'Speak, Lord, your servant is listening.'

God called Samuel again,

and Samuel answered as he had been told.

I told Eli his sons had done bad things, but he has not stopped them. Now, even being sorry will not make up for what has happened.

The next morning, Eli demanded to be told what God had said.

Samuel was afraid, but he told him.

He is God. He will deal with us as is right.

God continued to talk to Samuel. He became known throughout Israel.

We had a good end to the year, some of us went to Festive Food and Flowers, lots of lovely food ideas for Christmas and a magnificent flower demo in the afternoon, and others went to our annual Federation Carol Service at Ripon Cathedral, We visited Burton Constable in East Yorkshire to see the house decorated for Christmas and what a treat that was. And it didn't rain ! Many of us enjoyed a pre-Christmas lunch in Ilkley, and our December meeting was a fun evening of board games and socialising.

As we enter 2020 we have a wonderful selection of speakers coming up including talks on the Golden Road to Samarkand, the Whiteknights, three very diverse authors, a workshop for adults with

learning difficulties, and an award-winning patisserie ! Plus, as well as our own monthly meetings, our Federation is planning some exciting trips, courses and events too over the next twelve months.

Our first meeting of the year is on Thursday 9th January at 7.30pm when we welcome Isobel Griffiths who is a volunteer at the Bronte Parsonage Museum in Haworth.

We're a very friendly and sociable group of women who meet on the second Thursday of the month at Askwith Village Hall and we welcome visitors and new members from all around the area.

If you'd like to know more why not phone Andrea on 01943 462163 or Sue on 01943 839292.

## Fewston and Blubberhouses PCC

The PCC would like to thank all those who help keep Fewston Church running – the Ladies who Clean, Flower arrange every week and Decorate for all the Church Festivals and who bake and provide refreshments and assistance, so willingly, whenever asked.

We also thank all the magazine distributors who manage to get out in all weathers to make sure subscribers know what is

happening in the valley and its churches.

Thank-you to all those people who contributed so generously to our Carol singing efforts the total of which is in excess of £1600.

Last but not least, a huge thank you to the carol singers who turned out to make the above sum possible.

Cheri Beaumont.

We are happy to announce our new exhibition and programme of events: **'Lays and Leaves of the Forest – The Ancient Royal Hunting Forest of Knaresborough'**, commencing on **31 January** at 6pm with a **preview evening for members**. The exhibition will be on display in the Tea Room from Sunday 2 February until the end of May and the events programme starts with **'A Walk Through the Ages'** on Thursday 6 February.

Event leaflets are available in the Centre and in Fewston Church. The events running in February are:

**'A Walk Through the Ages' – WALK - Thursday 6 February at 9.30am.** Meet at the Heritage Centre for a walk visiting sites and buildings with historical connections from the 5<sup>th</sup> to 21<sup>st</sup> century, including the Royal hunting lodge of John of Gaunt. A 5 mile walk traversing fields and woodland, some stiles. Lunch will be served at the Centre. Cost **£12.50 or £10 for members**.

**'Nidd Gorge Through the Seasons' – TALK – Tuesday 11 February at 7.30pm.** A presentation by Keith Wilkinson MBE, Honorary Secretary, Bilton Conservation Group. Keith will tell us of the efforts to conserve the heritage and wildlife of the Nidd Gorge between Bilton viaduct and Knaresborough, including aspects of its archaeology and history. Much has changed as the Woodland Trust appeals have raised funds to acquire about 110 acres of the riverside. Light refreshments will be served. Cost **£7.50 or £6 for members**.

**'Washburn Cinema Matinee' – Saturday 22 February at 2.30pm.** The pop-up Washburn cinema is here again. The first

film **'Working Wood, Working Washburn'** chimes nicely with our theme and is about three wood companies who make a living in the Washburn Valley. After an interval with tea and biscuits, the second film **'Schools'** will be shown and contains extracts from our oral history archive, with past and present residents talking about their school days. A world premiere viewing not to be missed! **Cost £7.50 or £6 for members.**

**'The Washburn Archive' – Saturday 29 February 2.30pm.** What is our archive all about? What have we got and where did it come from? Come and see that there is more in the archive than photos! Gillian and our archivists will show the items we hold and some of the team will talk about their 'pet' items. Not to be missed. Light refreshments will be served and this is a **FREE** event.

If you would like to book a place at any of the events, please contact the Centre, email: [centre@washburnvalley.org](mailto:centre@washburnvalley.org) or call: **01943 880794** (please leave a message if the office is closed). Bookings must be paid for within five days.

Our **Tea Room** is open on Sundays from **11-4pm** until the end of March. Please drop in and sample our homemade food and legendary cakes, all prepared and served by our team of enthusiastic volunteers. As always, we welcome new members and new volunteers. If you would like to join our friendly team of volunteers please contact the Centre. We offer a variety of roles, whether you would like to serve in our Tea Room or help at our many events, you will be given a warm welcome and an opportunity to meet new people.

Gracious God , hear us today in our words of prayer, in each hymn and melody we sing, in our silent thoughts and pleas and may our worship today connect us with heaven and unite our hearts with the sound of eternity. We thank you for the music all around us, the sounds of life; the lapping of the waves, the roar of the wind, the sound of our neighbours talking, the purring of a cat and the persisting calls of the birds.

### The Leap Year

The calendar, one year in four  
 Gives February a little more  
 An extra day! We must be sure!  
 To wisely use these hours  
 The weather, not as bitter cold;  
 The garden weeds have gained  
 no hold;  
 The early bulbs start to unfold  
 We welcome crocus flowers!

The sun bestows a little warmth  
 The winds turn from the bitter  
 north  
 It is the time to sally forth  
 From winter sanctuary!  
 Tis early spring, season sublime  
 So hearken to my little rhyme –  
 Enjoy the little extra time  
 You have in February!
