The View from the Vicarage

Those of you who know me will be aware that I am not the most 'sporty' of people. I am not even an 'armchair sportsman.' I am in awe of those who can remember the scores of famous football matches; who scored and when. Those who can recall Test scores for yesteryear are beyond my comprehension. I am frankly baffled by Americans who can tell me all sorts of statistics about Baseball or American Football. My brain just doesn't work that way. I enjoy watching some sports; I love watching Scotland beat England at anything; but as with most of my nation this usually happens inside my head rather than in reality!

To be honest I can only remember one sporting event from the past. The Grand National of 1981. Before you get worried about the Benefice funds, let me make it clear that I have never placed a bet in my life; I wouldn't know how. However, I remember the National of '81 vividly. I was living in Spain and I listened to live commentary of the race on the BBC World Service. The Grand National is always a thrilling race but that year was special. The race was won by Aldaniti ridden by Bob Champion. He led from the eleventh fence at Aintree and held off the favourite, Spartan Missile, to win by four lengths. A thrilling race, but why do I still remember it?

Aldaniti had been a good horse. He had been placed on both the Cheltenham Gold Cup and the Scottish Grand National in 1979 before being seriously injured in another race. He was out of racing for over a year before making a comeback in 1981, he won a race at Ascot in February of '81 and some thought he had a chance at winning but that injury had been serious and the Aintree course was testing; could he do it?

Bob Champion his jockey, had been a successful National Hunt rider. Then, he too was cut down by illness; diagnosed with cancer in '79. He was successfully treated and the National of '81 was his big comeback.

We British love a good story; an injured horse fighting back to fitness and a jockey recovering from cancer. And they won!

When Aldaniti was injured, putting him down must have been considered before the decision was made to soldier on. When Bob Champion was told he had cancer he must have thought about his death. But from those two pits of suffering both horse and rider triumphed.

Throughout this month of March we are journeying through Lent, for some a time of giving things up, for others a time pray or read the Bible a bit more. For others Lent doesn't really mean anything. Whatever the case the month will role on; Spring will continue to unwrap around us and we will be at Easter before we know it.

For Christians, Easter speaks of new life; of the endless possibilities that the Risen Jesus has given us. For all of us Easter shows us new life all around us; the lambs in the fields, our gardens springing to life; even if that means more weeding! Life is endlessly changing; sometimes good, sometimes less so. However, this March finds you remember, you are not alone. You are part of this wonderful community, so reach out either to help another or to ask for help. Either way you will be blessed.

Yours aye
Stephen

Stephen's Lent Appeal

I often find myself driving around the Benefice with a smile on my face as I consider how lucky I am to be here. Our countryside is spectacular but it didn't just happen. The industrial past of the Washburn Valley has shaped a lot of it but all around us the countryside is as it is due to the work of the Farming Community. They work each and every day from before dawn till after dark caring for their stock and their land and feeding us.

The Farming Community is strong and resilient. They look out for each other and pull together. If you have ever been to a Farmers funeral you will know what I mean. But farming can be a lonely life. Personal or professional pressures can build up until a situation can seem hopeless. In the UK more than one farmer a week takes their own life.

This is where the Farming Community Network (FCN) comes in. They run a help line each and every day of the year from 7am. till 11pm. (03000111999) and an e-helpline (help@fcn.org.uk) . This allows farmers, and their families to talk in confidence to someone who knows what their life is like. The FCN volunteers mostly come from a farming or country background. As well as the helpline the FCN also has a large team of Caseworkers who can give support on issues to do with Finance, Animal Disease, Family and Health.

All this costs money, in fact it costs around £1,500 a day to run the FCN. I've been around farmers all my life and they have fed me well! In fact, a little too well. So during Lent this year (26 February till 11 April) I'll be dieting to raise funds for the FCN. Each day I'll be eating around 800 calories so hope to lose a reasonable amount of weight. I'll let you know my weight (in Stones and pounds) on Ash Wednesday and on Easter Day.

I hope that you will be able to sponsor me during Lent to raise some cash for the FCN. You either give per pound lost or a lump sum, or whatever you can spare. There will be sponsorship forms in each church in the Benefice or you can sponsor me online on my GoFundMe page (just search for either Stephen McCaulay or Farming Community Network and you will see my appeal page).

Thank you very much for your support and I hope that there will be less of me to see on Easter Day.

Stephen

Note from the Editor

My name is Anna Bowman, and I have taken over as Editor from Michael Sant, who has been the editor for four years. I moved back to Yorkshire from Portsmouth (where I worked on HMS Warrior (1860)) two years ago and live in the Washburn Valley.

This is my second edition: January's Magazine which I hope you all enjoyed was my first with Mike's support. The Magazine is created from contributions from a myriad of people who represent different organisations in the Parishes. I would like to thank them for sending in their information. As I am new to the role of editor, I am taking the opportunity to make a call for new contributors.

Washburn Parish Council

Washburn Parish Council covers the areas of Blubberhouses, Fewston, Norwood and Timble. The Parish Council is the first tier of local government and is a body of volunteers elected to represent the views of their community.

The Parish Council met in early January to agree the parish budget for the upcoming financial year. The Council agreed a parish precept of £7,700 for the year 2020-21. This precept will be used to ensure local maintenance works by our caretaker, upkeep of the Meagill Lane Chapel, and equipment maintenance at the Swinsty Moor Car Park defibrillator, as well as ensuring the Council meets its statutory obligations and responsibilities through the Parish Clerk.

In addition, Washburn Parish Council continues to report highways issues affecting the parish; monitor and comment on local planning applications or major proposals such as the A59 Kex Gill road realignment; and inform residents of activities and events in the parish on our noticeboards and website.

It was agreed that the Council will undertake a **litter picking day** in the parish on Saturday 18 April. Equipment will be provided for participants although you are encour-

aged to bring your own gloves. The arrangements are: Timble meet at the Robinson Library at 10.00am; Fewston meet at Parochial Hall 10.00am; and Norwood meet at Norwood Social Hall 10.00am. All are very welcome with the aim to beat the number of bags collected last year. We will then all come together and meet for a photo shoot and drink at the Sun Inn about 1.30pm. Anyone who needs further details please contact Cllr Andrew Campbell.

The next meeting of Washburn Parish Council will be held on Monday 2 March 2020 at Norwood Social Hall, commencing at 7.30pm.

Should you wish to contact any of your councillors please email washburnnpc@gmail.com or for more information about your council please visit

In the aftermath of Storm Ciara we were lucky to have a relatively quiet and dry evening for our February meeting and a good number of members came along.

Our speaker was Bob Webb who told us about a trip he took two years ago to Uzbekistan following the ancient Silk Road. As East Asian countries began to develop the silk trade with the West they built a network of routes and that which crossed Uzbekistan made the cities of Samarkand and Bukhara in particular, extremely wealthy. Following independence from the Soviet Union in 1991 Uzbekistan has begun to flourish and although there are still many issues, particularly environmental and in the field of human rights, Bob said it has become an extremely interesting and friendly place to visit.

He gave us a brief introduction to the history, culture, traditions, and cuisine of the country through an excellent selection of photographs of the places he visited. We saw a wealth of magnificent palaces, public buildings, madrasas, and city walls, many of which have been superbly and painstakingly restored by Uzbek craftspeople since the ending of Soviet rule. We realised that most of us knew little about Uzbekistan and so we found Bob's talk totally engrossing.

We've got a couple of trips arranged so far this year, the first to Thorp Perrow Arboretum in the Spring, and in May we're going to visit the Piece Hall in Halifax and Anne Lister's

home, Shibden Hall. Also coming up are lots of events and courses organised by our Federation.

Our speaker on Thursday 12th March will be Matthew Beynon-Tullett who'll be telling us about 'Whiteknights' a group of 60 volunteer bikers who help to deliver urgent out of hours blood, plasma and pathology samples between hospitals and hospices throughout Yorkshire. Being unpaid and relying on donations they help to save the NHS a huge amount of money each year.

We're a very friendly group of women who meet on the second Thursday of the month, 7.30pm, at Askwith Village Hall and we welcome visitors and new members from around the area. If you'd like to know more why not phone Andrea on 01943 462163 or Sue on 01943 839292.

JESUS HAD MANY FRIENDS

BUT SOME WERE EXTRA SPECIAL. THESE WERE HIS 'DISCIPLES'.

JESUS ONCE ASKED A TAX-COLLECTOR CALLED 'MATTHEW' TO BE ONE OF HIS TEAM

MATTHEW AGREED TO FOLLOW JESUS

JESUS WENT TO HAVE A MEAL AT MATTHEW'S HOUSE

BUT MANY PEOPLE COMPLAINED ABOUT THIS. THEY THOUGHT MATTHEW WAS A BAD MAN - AND JESUS SHOULD IGNORE HIM.

JESUS' REPLY WAS VERY STRAIGHT FORWARD.

HE EXPLAINED THAT MATTHEW NEEDED HELP, NOT CRITICISM,

"IT'S NOT THE WELL THAT NEED A DOCTOR - BUT THE SICK!"

Farnley Estate Young Farmers Club

By Emma Goulding

A Busy Month at Farnley Estate Young Farmers!

On the 15th January Farnley Estate Young Farmers attended mystery judging at Almscliffe Village Hall. We judged logs, gunslips and sausage rolls and I think everybody's favorite part was eating the sausage rolls! Thank you to the judges who came, and the results were:

Juniors:

- 1st Daisy Roberts,
- 2nd Andrea Wilson,
- 3rd Jacob Ryder,
- 4th Lily Hughes,
- 5th Ellie Inman
- 6th Izzy Bush.

Intermediates:

- 1st James Driffield,
- 2nd Billie Towers
- 3rd Izzy Hewick and Joe Groves.

We attended the County Public Speaking competition on the 19th January held at Harrogate High School. This was a successful day for our club with the Kwik Cricket teams coming 1st, junior reading team coming 3rd, junior public speaking team coming 1st, Jacob Ryder winning junior member of the year and James Driffield coming 3rd with his 10 minute speech. Thank you to everyone who helped with the catering too.

On the 22nd January Knaresborough Exotic Rescue came to talk to us about their reptiles, parrots and other exotic animals they rescue. We were able to handle snakes, a lizard, a bearded dragon and a cockroach! Thank you to them for coming

and giving us an interesting night. They are run on charity donations so please donate to help them to help more animals.

For a change of pace we learnt Scottish dancing on the 29th January at St Wilfred's Church Hall in Harrogate. We all had lots of fun and improved our dancing as the night went on. Thank you to Harrogate and Saltaire Scottish dancing club who were very patient and welcoming to us and made the night so enjoyable.

We attended a talk by 'The Bilton Hogspital' on the 5th February we went to Almscliffe Village Hall to have a talk who rescue hedgehogs who are in danger around the area. They rescue around 400 hedgehogs a year and release them back into safe areas when they are well again. Thank you to Theresa and Richard for giving us an interesting talk, for bringing samples of hedgehog food and Andy the hedgehog who was very cute! The work they are doing includes long hours but benefits the wildlife in the community. Please donate as they rely on donations.

Next week's meeting is dairy judging. We hope to see lots of members will come along to have a go. As always if you are aged 10-26 and would like to join please call Jacob Ryder on 07497 828065. Thank you

Editors note, sadly the Hogspital has closed to new patients so please send donations or enquiries to www.britishhedgehogs.org.uk/

Lower Washburn Parish Council

Some items of interest.

The Parish Members have agreed that there should be no increase to the parish precept for 2020/2021 and it will remain at £7750.

The work on strengthening the riverbank in Castley to prevent further erosion has now been completed and the tree overhanging the road has been cutback.

Our parish caretaker continues to carry out work around the parish which the parish council feel will assist the area. In addition the parish arrange for a local contractor to cut back the verges on the minor roads and use local farmers to carry out additional work which may require the use of larger machinery.

The next parish meeting will be on Thursday 12 March in the Leathley Village hall commencing at 8.00p.m.

You can contact the parish clerk on 01943864312 or by e-mail to lowerwashburnpc@hotmail.co.uk.

Have raised £6550 for Guide Dogs and as a result are being able to name a dog.

We had chosen the name Scramble some months ago and on Saturday 1st February, we were able to meet our puppy, now 6months old! He was a lively boy and is doing well in his training. We wish him well for a happy and successful future.

Thanks also to everyone who helped us raise money and supported our events. Sue

From our Community Police Officer

Since the beginning of 2020 the following crimes have been reported to us from the Washburn Valley and Mid Wharfedale areas:

Between the 28th and 30th January a residential burglary occurred in Fewston whilst the residents were on holiday. A vehicle and jewellery were stolen. The vehicle was found abandoned in Bradford on 31st January.

Overnight on 29th to 30th January an office was broken into and a ticket machine, despite having signs showing that it did not contain any money, was ripped from the floor and opened at Swinsty Moor Car Park.

In the early hours of 3rd January a Quad Bike was stolen from a farm at Leathley. The tracker on the vehicle shows it travel to Bradford but then the tracker was disabled.

If you have any information about any of these incidents please get in touch.

The winter months can bring a whole host of problems with the bad weather and short days. I would urge you all to take care on the roads and look out for each other, especially elderly or disabled neighbours who may struggle to get out in the high winds and cold temperatures.

If you wish to report an incident please ring 101. If a crime is in progress or you feel you are at risk ring 999.

Spring is almost sprung, and my grass is definitely riz! It'll soon be the beginning of the nesting season when building and rebuilding begin again. Birds will be looking for nesting sites and then searching for building materials. Mind you, some of the UK's bird species get started even before springtime, or, in the case of Wood Pigeons, probably never stopped.

The 'Bird Nesting Season' is officially from February until August, according to Natural England, and it is recommended that any hedge or tree work is done outside this period. Nesting may start before and extend beyond this period, but the busiest time for most nesting birds is from early March until the end of July.

Generally, birds which nest early in the season are in a stronger position to take advantage of the early resources - the early bird catches the worm. However, data from a national study conducted by the British Trust for Ornithology (BTO) shows that many species are now breeding up to a month earlier than they were in the 1960s in response to climate change.

Climate change affects different species in different ways, some coping better than others, causing the ecosystem to become unbalanced. This can lead to chicks needing to be fed before the insects they eat emerge, particularly in years when the weather changes rapidly for the worse, as it can in early spring. The result is a low survival rate of chicks which can be catastrophic for single brood species.

Early breeders in a species tend to be at least a year old, and probably more. Their previous experience of life and of breeding gives them an advantage in the season to come. Last year's hatchlings have much still to learn. As well as breeding earlier, older birds generally have larger territories with more consistent boundaries and acquire a mate more quickly

than their youthful counterparts. I guess there have to be some positives to getting older!

Now that winter is fading (I hope I don't regret this statement) we notice birds more as individuals. Blue Tits explore our garden nestboxes and become adopted as our 'own'. A Blackbird brings a stick to our hedge, and overnight, it becomes a neighbour. Birds become more recognisable once the breeding season arrives, as well as more obvious, and they begin to act in distinctive ways.

If you have a nest box, it's fascinating watching birds examining them and their surroundings in detail. Each species has its own preferences; some, like a straight flightpath in (tits) some like to be hidden away (Blackbirds and Robins). Yet others you really have to seek out (Wrens).

Robins are pretty much the only birds singing in winter: this morning I heard two singing against each other in my garden; but when precisely does a Robin's winter defence of its food territory become the spring defence of its breeding territory?

If you find the lives of our garden birds to be of interest, and would like to join in and count the feathered occupants of your garden, please contact me or visit the BTO Garden BirdWatch website www.bto.org/gbw.

Prime ...

is an interesting word. It may mean first, or best, or getting going - as with giving a pump some liquid to enable it to start working. So here am I offering my first note this year about Christian Aid Week. The funds we raise are a vital contribution to Christian Aid's work among really needy people around the world.

I invite you to be aware of the week beginning 10th May 2020 when Christian Aid Week begins.. We shall be holding our House-to-house collection as usual. If you would be willing to help, please see me in church or give me a call on 01943 851234. Thank you.
