

The story used in our advent trail resources has been adapted from

'It Begins in Bethlehem' by Bob Hartman available from the Bible Society. There is also a video of the story. Available to watch for free:

Most of the crafts have been created by Anne Westoby specifically for the trail – where we have used something from the internet we have tried to include the link to acknowledge copyright. We have tried to ensure that all resource are available for free use for non-commercial purposes.

## Lichfield Methodist Church

### Who We Are?

We are a warm and caring community of all ages, in which people from across the spectrum of Christian experience and theological views are enabled to grow in their relationship with God and with each other. Whether you have been a Christian for many years or you just want to find out a bit more about the faith why not talk to one of our ministers.
