Mark 3 v 20-35

"The in-crowd"

Jesus draws crowds of followers in Galilee where his family are concerned about the fear and rumours that surround him. The story speaks of relationships and how we behave towards one another. Jesus redefines family as those who do the will of God and therefore redraws the boundaries for community.

Thinking Points: How did you experience the building up of community at the height of the COVID-19 pandemic?
How are the crowds in the story similar to experiences of social media (going viral)? Where is God calling us to stand out from the crowd? Thinking about the images and text that we put on Social Media – is the message you give out one that shows you are part of God's family, that you have the love of God in your heart?

Activity: Write down a list of 10 people you would like to encourage this week. Check on the list as the week goes by and cross off the people you manage to encourage.
