## Dec 5<sup>th</sup> – Their Finest (12) 2017

1940, London, the Blitz; with the country's morale at stake, Catrin an untried screenwriter, with fellow screenwriter, Buckley, together with a makeshift cast including Ambrose Hilliard (Bill Nighy) and crew, work under fire to make a film to lift the nation's flagging spirits; and, hopefully, to inspire America to join the war.

**Running Time 1hr52**

## Jan 2<sup>nd</sup> – Beauty and the Beast (PG) 2017

Beauty and the Beast is the fantastic journey of Belle (Emma Watson), a bright, beautiful and independent young woman who is taken prisoner by a Beast in his castle. Despite her fears, she befriends the castle's enchanted staff and learns to look beyond the Beast's hideous exterior and realise the kind heart of the true Prince within. With lovely songs throughout. **Running Time 2hr09**

## Feb 6<sup>th</sup> – Lion (PG) 2017

Five-year-old Saroo gets lost on a train and ends up thousands of miles away. Somehow he survives and eventually is adopted by an Australian couple. A chance meeting with some fellow Indians reawakens his buried yearning and he embarks on one of the greatest needle-in-a-haystack quests of modern times.

**Running Time 1hr54**
