

ACTS

THE JOURNEY OF THE EARLY CHURCH

This summer we are going to be looking at the book of Acts in our evening service. We would love you to join us in reading this book together this summer. We want to encourage you to consider reading a section of Acts each day using the plan below. Each Sunday we will be looking back at a passage that we have read during the week before. Food for thought will be changing over the summer, following the reading plan below and containing a reflection on the daily reading taken from the Bible in One Year. We would love you to join us in studying this great book together!

To sign up for the daily reflection go to stgilesnorthampton.org.uk/church-life/food-4-thought/
