Food bank for our International students

Can you help?

Can you spare a few items and bring to the church food bank for International Students? We know there is a huge crisis right now as prices rise. FISH works with International Students at the UoN, supporting and giving friendship. While they are here to study, there is a limit to how much they are able to work, which means they are in deeper need as prices rise. If you are able to help please do so by donating dried goods and hygiene items.
