

## John 2.1-11

Jesus turns ordinary water into wine for an extraordinary celebration at a wedding feast.

It's a miracle! Colour the picture to show the water turning into wine.

Can you transform the word 'Time' into 'Wine' by changing one letter at a time?

	<b>Time</b>
<b>A green citrus fruit</b>	
<b>A long, straight...</b>	
<b>The weather today is...</b>	
	<b>Wine</b>

Imagine you are a reporter who witnessed Jesus turning water into wine. Write a news report about the event. Be sure to include a catchy headline, how the events happened and some words from other wedding guests.

Transform this water jug by adding a new design and lots of colour.
