## From the Editor

Well I guess the front cover says it all this month. The first week in June is going to be rather taken up with the celebrations of the Queen's Platinum Anniversary as monarch.

Wherever we sit on the topic of democracy, monarchy and republicanism it has certainly been an outstanding seventy years of personal commitment to our nation, with all the huge changes that have run through it.

If only we could rely on our political leaders, past and present, to give us the same level of service. Through thick and thin, all the while presenting her calm and comforting image to all, she has met her responsibilities to us, the British people.

I hope you find time to get involved with any, many or all of the events scheduled—most of which appear on various pages through this month's issue.

Apart from that there are other exhibitions and early warning of a request to get involved in a community consultation exercise in July on page 52.

I'm also feeling smug after last month's editorial dream of much better weather—It's hot in my conservatory writing this!

*Roger*

## Ministerial Musings

This month we are celebrating the platinum jubilee of Queen Elizabeth the Second. There are all sorts of events planned including Trooping the Colour with a royal gun salute, a flypast to coincide with the balcony appearance of the royal family, the lighting of Jubilee beacons, a Service of Thanksgiving at St Paul's Cathedral, the Platinum Party at the Palace, the Platinum Jubilee Pageant and street parties up and down the country. It is good to celebrate the dedication with which Her Majesty has served the country, through good times and all manner of crises both national and personal, for 70 years.

We do like to gather to celebrate. As well as national events, we get together for family events joyful and sad. One of the sadnesses of the Covid lockdowns was that people were prevented from being together for life-events, particularly funerals when mourning and memories would have been shared. Now as restrictions have been lifted, there is a flurry of weddings that had been postponed not once but sometimes two or three times.

As a church we like to gather to celebrate too: our major festivals of Christmas and Easter; celebration of the land and its fruitfulness at Rogation (22<sup>nd</sup> May this year) and Harvest; Holy Communion. This month, coinciding with the Jubilee weekend, it is Pentecost.

What is Pentecost? It is the festival when Christians celebrate the gift of the Holy Spirit, God's presence with us and within us. It is celebrated on the Sunday 50 days after Easter, hence the name. It is regarded as the birthday of the Christian church, and the start of the church's mission to the world.

Pentecost comes from a Jewish harvest festival called Shavuot. The disciples were in Jerusalem celebrating this festival when the Holy Spirit descended on them. It sounded like a very strong wind, and it looked like tongues of fire. The disciples found themselves speaking in foreign languages inspired by the Holy Spirit. At first some people thought that the disciples must be drunk. But one of them, Peter, told the crowd that the disciples were full of the Holy Spirit. And he went on boldly to explain all that had happened, telling them about Jesus's ministry, his miracles and teaching; about Jesus's wrongful arrest, trial and crucifixion; about his resurrection and return to God; about the promise of the Holy Spirit. Many people were persuaded then and in the following days, being baptised and joining a growing band who were 'following the way', a band who became known as Christians, followers of Christ.

On June 5<sup>th</sup> we will be celebrating Pentecost in our churches. Celebrating the fact that after 2000 years people are still being filled with the Holy Spirit, still joining the followers of the way, Christians. Why don't you come and join us?

## Worship in the Chet Valley

**You are welcome to join us at any of our services**

**Holy Communion** is celebrated every Sunday at one or other of the Chet Valley Churches, either Book of Common Prayer or Common Worship, with an informal Holy Communion service once a month in Chedgrave.

Services of **Morning Worship** are held in Loddon and Hardley.

**XPRESSIONS CAFÉ** is on the first Sunday every month at All Saints, Chedgrave.

This is a relaxed and contemporary way of 'doing church'. Open between 10:00am and 12 noon, you can come and go as you please for coffee, cake, discussion, crafts, games, stories, reflection and much more.

**All Together Worship** is on the third Sunday every month at All Saints, Chedgrave, starting at 11:00am (January, March, June and September are followed by shared lunch).

All Together Worship is designed to be as inclusive as possible: a mixture of formality and informality; traditional and modern; activity and stillness. In short, we will attempt to provide a service which will have points of connection for both children and adults—indeed people of all ages and all backgrounds.

**Last Sunday Praise** is held on the last Sunday of the month at St John's: a chance to sing old and new Christian songs and worship together.

**XTRA!** is an exciting, informal service every Thursday after school in St John's Church. Refreshments from 3:15pm, service starts at about 3:45pm. Open to all; particularly suited to children and young people.

*In Loddon and Chedgrave there is an opportunity to enjoy a chat over refreshments after the service, Covid restriction permitting.*

*There are toilets and baby-changing facilities at All Saints, Chedgrave and St John's, Loddon.*

*Families are welcome at all of our services but are particularly catered for on the 1<sup>st</sup> and 3<sup>rd</sup> Sunday of the month in Chedgrave.*

**Home Communion:** If you would like home communion, because you are unable for any reason to get to a Sunday service, please contact the clergy or the Church Office and we will arrange for someone to bring communion to you.

***Times and details of the services can be found in the centre pages of the magazine.***

You are welcome to talk to us about thanksgiving and baptism (christening) for your children. Baptisms (Christenings) are an opportunity to acknowledge and celebrate the new life we have in Jesus and to welcome a child into God's family, the Church.

Baptisms and Thanksgivings are both held within Sunday morning worship in our churches.

## News From Your Local Councillors

Ukraine I am very proud to report that our District has been the most proactive in the county offering support to Ukrainian evacuees. So far we have taken in 215 guests, and I would like to thank the host families for their generosity to those who have much need of our support. If anyone is considering offering to become a host, contact the Help Hub at South Norfolk, who can provide information. By using the District Council we can ensure government funding for these displaced people and safeguarding for the vulnerable.

The Staithe and Pyes Mill Moving on from achieving the funding for the footbridge, I have also managed to get further funding for more improvements at the Staithe and Pyes Mill. Local residents have been asking me if there was a safe way that we could provide public access to the river for small boats, kayaks and paddleboards. I have asked officers at South Norfolk to look into this as a project and hope we will be able to provide something like a pontoon or a slip way for this purpose. We are talking to the Broads Authority and will come forward with some options soon.

Planning There are some unresolved planning applications still waiting to be determined, one that I am often contacted about is the proposed Beccles Road development. I know that many residents are anxious about these but can assure you that nothing has been decided. If you see activity on the land that is subject to the planning application, it will likely be investigation works and a requirement to be carried out before any decisions can be made.

If you have any issues or I can help in any way, you can contact me at [kay.masonbillig.cllr@norfolk.gov.uk](mailto:kay.masonbillig.cllr@norfolk.gov.uk)

**Councillor Kay Mason-Billig**

We're making good progress in our work with Loddon and Chedgrave Parish Councils to create an Emergency Plan, to ensure help is available to every household; let me know if you might be interested in joining the team of community wardens, who will have a very important role if an emergency does occur.

It was a real pleasure to work with the ChetChat team distributing flowers and Easter eggs to our over-60s friends and neighbours; particular thanks go to Loddon Primary Foundation, for the brilliant cards.

As mentioned last month, each District councillor has a members' grant of £1000 for local causes – let me know if part of this could help your group and, as always, if you, or someone over-60 you know, would like some help and maybe just some friendship, please phone ChetChat on **07876050110**.

I'm restarting the regular surgeries I promised when I was elected – the next is in the Loddon library between **2-3pm Saturday 25th June**; please drop in if I can help with anything, or just to say hello!

Ring anytime on **07733323581** if I can help. **Councillor Jeremy Rowe**

### **Next Parish Council Meeting Tuesday 28 June 2022 7.30 pm**

in the Hales Assembly Hall, Briar Lane, Hales. Agendas are posted on the notice board in the brick bus shelter opposite Masala Garden and on our website 3 days before the meeting. Minutes are displayed in the same places.

**Annual Parish Meeting was held on 10 May:** Our thanks to Sir Nicholas Bacon who presented the villages with a Commemorative Plaque and gave a short talk. We had a Village Mardle about how residents see the village now and how they would like it to develop in the future. For more details of what happened look at our website for a meeting report or ask the Clerk for a copy of it.

**Queen's Platinum Jubilee:** At present, this event is proving a challenge to organise. The Parish Council do not have enough people to do everything that is required. It is difficult to find enough volunteers although we have had very generous offers from Martin Sisley, The Mod One to provide the entertainment, Brian Frost to provide electricity and Masala Garden for the refreshments. Please look at our website and the Facebook page (including Hales and Heckingham things) for up to date information about the event or get in touch with the Clerk.

**Parish Council Role:** The most important way the villages have a say in what South Norfolk and Norfolk Councils decide about Hales & Heckingham. It is unlikely we would have our roundabout, the improved playground facilities, the defibrillator, the A146 bus stops, the compost site, the speed awareness monitors or the village sign without a Parish Council. Developers would be freer to build properties in the village that residents do not feel provide the best solutions for the community. The Parish Council has been able to request conditions that occupants of new housing have better accommodation and amenities.

**Parish Council Future:** We are allocated seven councillors and currently have six. It is likely that three members of the Council will not stand for election next year and without more volunteers, there is a risk that Hales & Heckingham could lose its Parish Council. If you do not wish to see this happen please consider whether you would be interested in being involved in the Council. We would love to see projects such as a 20mph speed limit on School Lane and a new village hall which could accommodate more people and a wider range of events but these may not be achievable without a Parish Council. Any of the current councillors or the Clerk would be delighted to talk to you about how it all works.

**Composting Group:** Contact Alan Mason for more details:

Loddon Branch is still here and still recruiting new members. We are still here to help and support Veterans and their Beneficiaries.

## Notes from Sisland

It is definitely time to look towards warmer weather and the chance to visit a range of local churches. All open churches, including those in our Benefice, are listed on the *Exploring Norfolk Churches* website,

[https://](https://www.exploringnorfolkchurches.org)

[www.exploringnorfolkchurches.org](https://www.exploringnorfolkchurches.org). The Norwich diocese produces a reference guide to churches in Norfolk and

Waveney, it can be ordered online or, you can flick through the pages online as well as download in PDF format the most up-to-date edition.

You can also see a description, key information and details for many churches on *A Church Near You* website which can be found at <https://www.achurchnearyou.com>. This website also provides a link to a key contact, which for Sisland church, gives an opportunity to email myself. Only a couple of weeks ago I received an email from someone in New Zealand who was looking to trace ancestors they believed are buried in the churchyard. I always like to be able to respond and confirm, if possible, any link they may have and send some images and description for them to be able to imagine the location from a different part of the world.

For those who are able to visit us this spring and early summer, the grass in the graveyard is left uncut as we want to welcome the wildlife and wildflowers as well as humans to our corner of the parish. It is looking stunning as I write this with bluebells, buttercups and meadow saxifrage. We want to allow them to be able to seed before cutting, which we always try to do before the Sunday teas in August. We are looking forward to the latter and welcoming friends, old and new, for tea and cake.

# LANGLEY WITH HARDLEY A TRIP THROUGH TIME IN THIS NORFOLK VILLAGE

## Loddon Bell Ringers

Two of our members joined with others to ring in a Peal at All Saints, Necton on Saturday 23rd April to celebrate St. George's day. The 5040 changes of seven Surprise Minor methods took 2 hours 56 minutes to ring.

We have rung quarter peals of Plain Bob Triples at Swaffham, Pudsey Surprise Major at Ashill, 11 Doubles methods at Haddiscoe, Morning Exercise Delight Minor at Norton Subcourse, Surfleet Surprise Minor at Ditchingham and London Surprise Minor at Woodton.

We also rang for a wedding blessing at St. Peter's church, Brooke and have been helping with teaching new ringers at the St. Peter Mancroft training center in Norwich. We are also teaching some new ringers here at Loddon who are progressing well. We are always pleased to hear from anyone who would be interested in learning how to ring church bells

**Steve Rabong**

## **Struggling with Money? Local Charitable Funds available:**

There are two local charities to help local people in need: Loddon Town Estate Trust (for people living in Loddon); and Chedgrave Church Discretionary Fund (for people living in Chedgrave or who are regular members of the congregation at All Saints). These have received a boost from monies raised by the monthly quiz at The White Horse during 2021.

The charities are only any good if people use them! In the past, money has paid for things like cookers and carpets. It has also gone towards solicitor's bills and rent. Please do not feel ashamed or embarrassed to call on the funds if you need them.

You can access the Loddon fund by contacting Ann Lumley on 01508 528141 or email: [annlumley150@btinternet.com](mailto:annlumley150@btinternet.com). The Chedgrave fund can be accessed by contacting Rev Alison, Rev David or the church warden, Roger Outlaw—contact details on p3.

## **Chedgrave Church Centre Hire**

All Saints Church, Chedgrave has a lovely church centre attached to it which has been open for over 25 years. There are two rooms (one upstairs), a kitchen and a loo. There are wheeled tables which are easy to move and put up. It is warm even in the winter! It is available to book with a suggested donation of £8 per hour. If you are looking for a venue for a meeting, a party, or an activity do contact Anne Jackson who is responsible for hall bookings on 01508 502278.

## Royal British Legion—Loddon & District Branch

Our February meeting was well attended, considering the weather! We welcomed two new members wishing to help the RBL.

One RBL motto is 'Service not Self' to help others where they can. We welcome non-military members and veterans. We know meetings are good for people, for social and mental reasons. Our meetings start with a catch up on business and end with a cuppa and chat. They are held in Loddon in the Library Annex back room, 6:45pm for 7:00pm start.

Our next meetings are Monday 18<sup>th</sup> April (pending Easter decision at March meeting) and Monday 16<sup>th</sup> May.

For any information or support, please contact: Branch Secretary: Christine Hartley, or Chairman: Colin Hartley on 01508 521136.

### Tuesday Market, Loddon

Now the weather has improved our colourful plant and flower stall will be outside the Hollies, every Tuesday, from 10.00 to 11.30am. Inside you will find a warm welcome and a fine selection of home cooking, preserves, baking fresh fruit and vegetables, raw milk, farm eggs and local crafts. Why not stay for a tea or coffee in our friendly cafe. We take orders so if there's something special you'd like please let us know.

This month I have been meeting with the local Parish Councils in Chedgrave and Ditchingham on a walkabout in the villages with councillors to discuss local issues, one main topic that was discussed was Speeding, which remains as one of the priorities for the area at present until at least the next priority Setting Meeting on 28<sup>th</sup> March.

We discussed the Community Speed Watch scheme and the great benefits it can have for the community, I have also been meeting with local Community Speed Watch Groups in Bergh Apton, Hedenham and Ditchingham, to see the vital work they do and how well it promoted community spirit, for any one else wishing to set up a CSW, please get in touch with me.

Monday 28<sup>th</sup> March we held a virtual Priority Setting Meeting via Microsoft Teams, for Loddon and surrounding parishes.

Members of the community were given options to vote for their top policing priority – these votes were discussed at the meeting and the following Priorities have been agreed:

- Road safety - Speeding
- Burglary / theft
- Drug dealing / drug use

I would like to say 'thank you' to the community for your vote & voicing your concerns. We will concentrate on these 3 priorities over the next 3 months.

James

#### Loddon and District Women's Institute

First, apologies for the wrong date for our May meeting! It should have been May 18<sup>th</sup>, not the 20<sup>th</sup>! I hope no one was inconvenienced by this. Yours truly is looking forward to an exciting event on May 20<sup>th</sup> and I think that must have been foremost in my mind.

Our 92<sup>nd</sup> birthday celebrations in April went with a swing – good company and lovely refreshments. May was busy, with the Jubilee bunting workshop, Knit, Natter and Crochet and the Open House Wrapping party in preparation for our Jubilee fete stall, and our regular meeting.

**Saturday, June 4<sup>th</sup>** : Come and see our stall at the Platinum Jubilee Fete

**Thursday June 9<sup>th</sup>**: Knit, Natter and Crochet. 2.30 – 4.00 p.m. Loddon Library.

**Wednesday June 15<sup>th</sup>**: Monthly meeting – Speaker: Stephanie Israel - 'Dog training with Magnus'. 7.15 p.m. for 7.30. St John's Chapel, George Lane.

All sorts of plans for future activities and events are in the pipeline- a visit to Hotter Shoes and a tour of Thurton Church followed by afternoon tea being just two, and we are always pleased to welcome new members. For more information, we can be contacted through our Facebook page or on 01508 528656.

#### Chedgrave & District Women's Institute

. Our speaker for April was Evie Herd from the Local History Group, who gave us an interesting insight into the residents of Loddon and Chedgrave in the 17th century.

Our meeting on Tuesday 28<sup>th</sup> June we shall be holding a Silent Auction and have invited members from other local WI's. Always a fun event!

We meet at 2.00pm at All Saints Church Centre, Chedgrave. Please contact Audrey 528393 or Angela 521120 for more information.

#### Parkinson's

Would you like to meet other Parkinson's sufferers? We will normally meet on the first Monday of the month at the Chedgrave White Horse at 12:15pm. Partners are also welcome. Further details from Michael Osborne on 01508 522034.

## Norfolk Home Library Service

Norfolk home library expands service and calls for new users and volunteers.

Calling all book lovers and digital masters! A popular home library service delivered by Royal Voluntary Service and the Norfolk Library and Information Service is looking to expand throughout Norfolk.

A new digital inclusion program is also being trialled, in which specially trained volunteers teach the service's clients how to access critical information digitally, and how to download books online. The expansion means that the Home Library Service is looking to welcome new clients, volunteers, and Volunteer Coordinators to the team.

Volunteers work alongside their local library to select and deliver books and other media to those who may find it difficult to leave the house, have mobility issues, or caring responsibilities. The service also provides regular, friendly social contact to check if clients are safe and well, to discuss reading and listening preferences, and to report any concerns to appropriate services as needed.

Volunteer Coordinators liaise with local libraries, manage a network of local volunteers to arrange book deliveries, recruit new volunteers, and build relationships with local community groups to promote the service. As part of the new digital inclusion program, Digital Service Coordinators may offer their skills in workshops to train volunteers to use various devices, apps, and programs that the service's clients may find challenging.

Alicia Stillman, Service Manager for Royal Voluntary Service Norfolk Home Library Service says: "For people who find leaving their homes problematic, the Home Library Service offers a vital link to the local library and a welcome connection with a friendly face. The Covid-19 pandemic has shone a light on the significant number of vulnerable adults living in isolation. During the last two years, it has also become apparent that many socially isolated people were not able to access vital information due to digital illiteracy. Instruction on downloading eBooks, accessing GP and Council services, and setting up video conferencing can often be more easily explained in person, in an informal setting, one on one. Through the new digital inclusion program, with the help of our dedicated volunteers, we hope to bring clients back to the activities they love, prevent further isolation, and provide companionship and support."

To sign up to the Home Library Service, please contact the Norfolk Library and Information Service on 0344 800 8020 or visit: [libraries@norfolk.gov.uk](mailto:libraries@norfolk.gov.uk) to be added to a round.

To sign up to become a volunteer or coordinator of the Norfolk Home Library Service please visit the Royal Voluntary Service at: [www.royalvoluntaryservice.org/volunteer](http://www.royalvoluntaryservice.org/volunteer). For further information about the roles, please contact Royal Voluntary Service Norfolk Community Service Manager Alicia Stillman: email: [norfolkhl@royalvoluntaryservice.org.uk](mailto:norfolkhl@royalvoluntaryservice.org.uk) or 01603 397998.

## Loddon Community Gym

The last piece of new equipment, a third treadmill, has arrived and we are proud to be a modern, well-equipped Gym with all that you would expect in a larger, commercial setup. We also have a stock of smaller equipment – kettle bells, weights, gym balls and such like, which have been recently replaced. We continue to provide sanitiser for users to clean each piece after use which is basic gym etiquette but has been highlighted since Covid. The only change we are making is that the large pieces of equipment will return to their former positions facing into the centre of the hall and not the wall, except for the treadmills which for safety reasons cannot be turned round. This will please a lot of members who take encouragement from seeing others doing their best. In addition to all this many people exercise using a bar on the wall or sitting in a chair or on a floor mat. It all depends on each individual person's needs and fitness levels. What you want or can do at 80 is very different from a fifty year old but the desire to keep fit, healthy, flexible and with a sense of well-being is just the same. We have a well-established GP referral Scheme and the local GP practices recommend us highly to those they think would benefit from what we have to offer. New members are always welcome.

The Gym is open in the Jubilee Hall, George Street, Loddon

Monday afternoons, Tuesday evenings and Friday mornings.

You will find session times and booking details on the website - £5 per session

## Hales and Loddon Cricket Club

We're hoping to restart our youth training outside (weather permitting) at Hales Green every Monday (apart from Monday 30<sup>th</sup> May) from Monday 25<sup>th</sup> April to Monday 25<sup>th</sup> July. This will amount to 13 weeks of training.

Ben France will be running these sessions on alternate weeks. Our plan is to run three youth teams this year: U9 softball, and U11 and U13 hardball. We will confirm fixtures and all timings closer to the start of the season.

Cost for youth membership will be £45 per child (or £80 for two siblings) including training, club insurance coverage and match fees for all youth games.

Please could all parents pay ahead of the start of youth training where possible (BACS, cash and cheque all accepted). We will also bring the club card machine to the first two sessions to aid with payment.

Additionally, we will also be running All Stars again for 5-8 year-olds from Monday 6<sup>th</sup> June to Monday 25<sup>th</sup> July, 6:00-7:00pm. We've capped numbers for this at 16 this season and places are going fast. Booking and payment for this is handled separately via the ECB website: <https://ecb.clubspark.uk/AllStars/Course/ebc1355f-5717-4c1a-867e-dda9c515f1b5>

## Loddon and District Local History Group

Dr Richard Hoggett gave the April talk, titled 'A very remote period indeed. Discovering East Anglia's Earliest Humans.' Our area has some of the most important study sites for early humans in Northern Europe.

Around 700,000 B.P, after various ice ages when it had been too cold for human habitation, it became warmer so humans moved northwards. Secondly, our geography has changed. Around 900,000 B.P. Britain was connected to Northern Europe by a wide land bridge allowing people to enter southern and eastern areas of the U.K. East Anglia was particularly attractive for settlers as the River Thames entered the sea in North Norfolk and was a source of food and water. 6 important sites have been excavated:

1. Hoxne in Norfolk. A hand axe was found in 1797 which was a 'threshold moment' in understanding human origins around 400,000 years ago and for a long time this was one of the oldest excavated sites. Discoveries there were found in brick pits deep in the ground which had been covered by an ice sheet later on.
2. Pakefield cliff erosion revealed flint tools dating back 700,000 years. A major dig took place here between 1971 to 1978.
3. Happisburgh is the most important site in this country for early signs of human life, finds again exposed by heavy erosion of the cliffs. In 2000 a hand axe was found, dating back 700,000 years and this sparked further investigations on the beach after a large bank of sand was created to keep the tide back. Flint tools, fossils, teeth from mammoths, fish and animal bones and hyaena poo are among the finds. From this evidence the team could reconstruct life in this area along the River Thames between 980,000 - 780,000 B.P. These have proved to be some of the earliest finds in Northern Europe. In 2013 a storm revealed an incredible find human footprints (2 adults and some children) in a peat bed. For 2 weeks the footprints were recorded and photographed until the sea washed them away, possibly the earliest example of human footprints outside Africa.
4. East Farm, Barnham in Breckland. Excavations around the ancient Bithin river revealed flint tools used 400,000 years ago and animal remains that are helping to reconstruct the climate of that time.
5. Beeches Pit, West Stowe which is a former gravel pit. The orange earth there suggested a deliberate fire had been made.
6. Lynford Quarry saw a very deep excavation of this Neanderthal site dating back to 65,000 years B.P. There was evidence of butchery of mammoths there. These sites prove that East Anglia is at the forefront of the discoveries of early humans particularly at Pakefield and Happisburgh but the story is constantly changing. A fascinating lecture.

On June 10th there is an outing to Raveningham Gardens instead of a lecture.

July 20th Phyllida Scrivens: The Great Thorpe Railway Disaster of 1874.

## Read Any Good Books Lately?

### **The Queen's Knickers by Nicholas Allen**

A very funny royal tale of the many important knickers the Queen wears for different occasions (woollen for Balmoral, ones with holly on at Christmas – that's why her message is always rather short!). What knickers will she wear for her Platinum Jubilee one wonders?!

### **Mr Wilder & Me by Jonathan Coe**

From one of my favourite authors, it's a bit of a departure from his usual stories and feels like a love letter to the golden age of film. I found it compelling and a lovely easy read. It tells the story of Calista, who falls into working in the film industry after she meets Billy Wilder, revered director of *Some Like it Hot* etc. It flits between Calista's present-day life and her memories of working with Billy. There are some very intuitive touches about changes of fortune and how stars rise and wane. It's bitter-sweet with very likeable characters.

### **American Dirt by Jeanine Cummins**

I was given this by a friend who said she couldn't put it down. And I felt exactly the same – I read it in two sittings! It's the story of Lydia and her son Luca who, after their entire family is gunned down at a family BBQ, in their home-town of Acapulco, have to flee. The insidious influence of the cartel responsible for their loss are long reaching and they are forced to become migrants, treading a well-worn path through Mexico and to 'El Norte' (the USA). The book has been a controversial one in that some people have argued that it's not the author's story to tell. But I don't know much about the plight of the Mexican migrants and the journey they undertake, and this book has definitely made me more likely to seek out real-life experiences and opened my eyes to how horrific it can be. It's not a perfect book, but it's a very readable one, and the small acts of human kindness that are noted along the way feel very real and heart-warming.

### **Daisy Jones and the Six by Taylor Jenkins Reid**

A tale of a band that rocket to stardom in the 70s – loosely based on the Fleetwood Mac. It's told using interview transcripts of band members and various friends and family, it makes it feel very immediate and real. And you get particular insights into each relationship, which you wouldn't do if it was told as a traditional story. I inhaled this book! It's a wonderful read.

**A Place of Greater Safety by Hilary Mantel** I was hoping to read this in time to review it but it's a large tome! I'm now saving it for the holidays. It focuses on the families and the loves of the men who led the French Revolution – Danton, Robespierre and Desmoulins.

## Nature Notes

I sit typing Junes Nature Notes watching the much-needed rain fall, I thank my dog who decided to shorten our walk, it enabled us to be home before the rain set in. We had been walking at Rockland Broad enjoying the early afternoon bird song serenading us. Willow Warblers cascading song and Chiff Chaffs calling, the fluting song of Blackcap, and approaching the reeds, both Reed and Sedge Warblers were singing interspersed with the angry call of Cettis Warblers. There was little bird life on the broad except for a few pairs of Great Crested Grebes. However, flying over a small mixed flock of Artic and Common Terns were active, diving for small fish. At this point our dog decided it was time for home, almost back at the carpark a Kingfisher showed itself as it flew off the Staithe and then surprisingly up the road! During the last week of April, working at Seething, each morning I've been entertained by up to 6 Ring Ouzels, passing through on migration to breeding grounds on moors and mountain areas. There have been good numbers of them passing through here in May. Including 21 birds seen at Waxham one morning. Along with Ring Ouzels I also had good views of a Wheatear, but it only stayed around for a day. This morning, as I arrived in Seething, I was pleasantly greeted with the sight and sound of two Grey Partridges, which are always a delight to see as this native species are becoming rarer. The gawdy Red Legged Partridge which seem to be everywhere, are game birds that are raised and released for shooting. We are still waiting to see and hear the classical sound of summer which Swifts are responsible for. Saying that, there does seem to be only low numbers of Swallows, House Martins and Sand Martins about. I have seen all three species but only in very small numbers. Nor have either of us seen or heard a cuckoo. However, the Garganey, a small migratory duck seemed to have appeared in far greater numbers than normal. I watched some at Carlton Marsh, they are beautiful birds especially the males with their white crescent over the eye extending down their neck. A couple of days have past since I started these notes, and we are now sweltering in a mini heatwave. We have enjoyed seeing more butterflies about including Holly blue and Orange Tip. Around the marshes dragonflies are beginning to emerge, though as yet I have failed to identify any, I have definitely become rusty with my identification skills. Roadside verges are awash with white cow parsley and the hawthorn hedges are bursting into flower. Trees are draped in their green finery though some species, like Sycamore, Oak and Ash seem to be reluctant to adorn themselves in their green dresses. Though by the time this goes to print and lands on your door mat they will be adorned in all their green finery. We are fortunate that we live in such a beautiful county. So, get out or look out of your window and enjoy.

## Gardening Notes

### From the Allotment—Andrew Milner

June is a productive month and we should all be enjoying picking and eating (freezing, bottling etc) the results of our hard work. It should be safe to plant out all more tender plants like courgettes and squashes now. You should also be successional sowing to ensure food is available in a continuous flow to avoid gluts. Easier said than done I know and it's tempting to simply to put all the seeds out at once, but worth the effort. Some veg like beans just taste better freshly picked.

As the avid reader of this column knows I like to experiment and for the last few years have mastered growing sweet potatoes. This year I decided that the cost of the slips + my time compared to the price in the supermarket simply doesn't make this worthwhile, though they do taste better.

Thinking along these lines my advice on the best things to grow that more than repay the effort are soft fruits. Expensive in shops and easy to freeze also relatively simple to grow and if you have little space many grow upwards which maximises the use of space, even gooseberries can be trained espalier. The fruit you grow may not be so perfect as the supermarket ones, but they taste wonderful. And if you are organic, you know exactly what they have been sprayed with. Nothing!

My experiment this year is with mushrooms. More on this later....

### From the Garden—Shirley Cross

I'm afraid Shirley is away this month, back for the next issue.

Meanwhile, if your garden is going mad, as mine is, I'm sure you can find plenty to do.

I have a large patch of English Marigolds, looking beautiful and bright orange, but not one planted by me! It must be the fairies!!

Ed.

## End Piece

### **My Memories of when Bombs fell on Hardley and Langley**

Some people moving into Hardley and Langley are surprised to hear that bombs were dropped in the area during World War 2.

The first instance I remember was when two bombs were dropped on a Friday night. The press reported that these were the first to drop on English soil, but we later discovered that Yorkshire beat us to it.

The only casualty was a little pony on the marshes.

Later a bomb was dropped on Hazelmere Wood and this was thought to have been a land mine.

Worse followed when a number of bombs were dropped around the same time. A council house was set on fire. I cycled round to see and realised it was one my family had previously lived in.

The nearby fields were littered with incendiaries, most of them live, but the real surprise came the following morning when I saw my mother looking into a hole in the ground near our home where an unexploded bomb lay. All the families around had to move out for several days while the bomb squad defused it and took it away. I had to leave my dog behind which meant I was up early each morning to cycle over and feed and walk him.

We discovered that Mr Soanes had been killed cycling home the night the bombs fell. It literally hit him on his bike. He had been at work at Cantley and had stopped at the pub with others after crossing the river by boat as usual before leaving to set off home. If he had stayed a while longer or left earlier he would have been in the clear.

We would roam around the fields and marshes and find hundreds of incendiaries, I wonder if some are still there today?

A young soldier at the time said the army were setting up ack-ack guns around Norwich and the Germans may have been trying to disrupt the work. Possibly unable to find a target they dumped their load as they left for the coast and home.
