From the Editor

We can almost stop talking about the weather now, it's been fairly normal of late, but, do the huge amounts of fruit of all kinds, from apples to conkers, sloes to acorns, holly berries to bullaces mean we are in for a hard winter? Sorry, couldn't resist.!

This issue has several references to new or forthcoming initiatives to help those in our community who find themselves most in need in these challenging times. Look for items on the Community Larder,p26, and the new 'Warm Space',p30, planned at All Saints Church and likely to be duplicated at St John's and the Library. It will take a little while to work out suitable days and times around the other uses of these spaces but it is hoped they will provide a warm and welcoming place for people under pressure, to let them get out and spend time in a comfortable environment at no cost to themselves.

Elsewhere there is mention of the All Saints Autumn Fair,p2. the Victorian Evening coming up fast (volunteers welcomed)p24, see the article) and Christmas Carol singing rehearsals soon p54.

Mid-month the Poringland Singers will be at St John's on the 12th for a musical evening. So there is plenty to choose from which is always a good thing.

Now I'm off to find my snow shoes in case the "autumnal harvest" I opened with, turns out to be true!

Roger

Ministerial Musings

Be Prepared.

If you were ever a member of the Scouts you'll know that their motto is 'Be prepared'. It seems like a good idea to think about things beforehand and make sure you don't have any sudden surprises. I've just come back from a holiday for which we were told to be prepared for any sort of weather – I went to the north of Norway, where we could reasonably expect it to be cold and possibly very wet. The list of recommended items to pack included warm clothes to wear in layers, reliable water-proofs and good boots. We were also reminded that on the journey north we might also expect bright sunny weather too. We needed to be ready for anything.

In our day to day lives we are generally used to a regular pattern. We have a good idea of what we will be doing each day, and whether we need to make any additional preparations. Life is reasonably predictable most of the time.

But what about when things don't go according to plan? Or when we feel hurt or let down by other people? Or even when things are wonderful but unexpected, like a surprise party? Often we feel we are just not prepared for what is happening. For me, that's when I am grateful that through prayer I can take everything to God and know that he not only hears me, but also he cares about me.

The reality is, I can't be prepared for all the surprises that life throws at me. None of us can. But we can all share our joys and sorrows with God. He doesn't wave a magic wand and fix things, but he does support us and walk alongside us in every situation if we turn to him. We may not be prepared for everything, but we can be sure that nothing is outside God's care.

Worship in the Chet Valley

You are welcome to join us at any of our services

Holy Communion is celebrated every Sunday at one or other of the Chet Valley Churches, either Book of Common Prayer or Common Worship, with an informal Holy Communion service once a month in Chedgrave.

Services of **Morning Worship** are held in Loddon and Hardley.

XPRESSIONS CAFÉ is on the first Sunday every month at All Saints, Chedgrave.

This is a relaxed and contemporary way of 'doing church'. Open between 10:00am and 12 noon, you can come and go as you please for coffee, cake, discussion, crafts, games, stories, reflection and much more.

All Together Worship is on the third Sunday every month at All Saints, Chedgrave, starting at 11:00am (January, March, June and September are followed by shared lunch).

All Together Worship is designed to be as inclusive as possible: a mixture of formality and informality; traditional and modern; activity and stillness. In short, we will attempt to provide a service which will have points of connection for both children and adults—indeed people of all ages and all backgrounds.

Last Sunday Praise is held on the last Sunday of the month at St John's: a chance to sing old and new Christian songs and worship together.

XTRA! is an exciting, informal service every Thursday after school in St John's Church. Refreshments from 3:15pm, service starts at about 3:45pm. Open to all; particularly suited to children and young people.

In Loddon and Chedgrave there is an opportunity to enjoy a chat over refreshments after the service, Covid restriction permitting.

There are toilets and baby-changing facilities at All Saints, Chedgrave and St John's, Loddon.

Families are welcome at all of our services but are particularly catered for on the 1st and 3rd Sunday of the month in Chedgrave.

Home Communion: If you would like home communion, because you are unable for any reason to get to a Sunday service, please contact the clergy or the Church Office and we will arrange for someone to bring communion to you.

Times and details of the services can be found in the centre pages of the magazine.

Thanksgivings & Baptisms

You are welcome to talk to us about thanksgiving and baptism (christening) for your children. Thanksgiving Services give an opportunity to come to the church and give thanks to God for the gift of a new child. Baptisms (Christenings) are an opportunity to acknowledge and celebrate the new life we have in Jesus and to welcome a child into God's family, the Church.

Baptisms and Thanksgivings are both held within Sunday morning worship in our churches.

If you would like to come to the service, you will be very welcome, whether or not you usually come to church. We will be serving tea and cakes after the service.

There's no need to say if you're coming, but if you'd like to know more contact Rev'd David Owen on 01508 522993.

News From Your Local Councillors

Landscaping on George Lane/Roundabout/St Georges Park

I have been contacted by concerned residents of the St Georges Park Estate and elsewhere about the state of the landscaping around this area. I am currently in discussions with the planners and the developer to find a way forward. I believe we are almost at the point where I will be able to give you all timescales on what is going to happen and when. Please be assured this will be dealt with, as we all want to see Loddon looking its best.

Footbridge over the Chet at the Staithe

The works to repair the footbridge are taking longer than I would have hoped, you would not believe the bureaucracy involved! Currently this is with the Environment Agency, as they have to issue a license for works done across a waterway. I am pleased to report that Anglian Water have completed the lining of the pipe that runs under the footbridge. Hopefully this will prevent further incidences of raw sewage escaping into the Chet.

Loddon War Memorial

I was very pleased with the excellent work recently done to the war memorial steps, to sort out a subsidence issue. As part of this, a new ramp has been installed by South Norfolk Council. It all looks very smart and is now safe for wheelchair access. And finished before the Remembrance Day ceremony, as we had asked. I hope to see you all at the parade.

If you have any issues or I can help in any way, please contact me at

kay.masonbillig.cllr@norfolk.gov.uk

Councillor Kay Mason-Billig

As mentioned last month, please let me know if you might be interested in becoming one of the team of community wardens, who will have a very important role to play if an emergency does occur; with events like extreme weather conditions happening more often, I think this team will do very important work.

All District Councillors have a members' grant of £1000 for local causes, I still have some of this year's grant left, let me know if part of this could help your group.

As always, if you, or someone over-60 that you know, need some help or maybe just some friendship, please phone ChetChat. Our new number is **07944 858929** if you, or someone you know, needs something.

I'm delighted to confirm that my next surgeries will be **2-3pm Saturday 10 December & 11 February** in Loddon library: please drop in if I can help with anything, or just to say hello!

Please ring me anytime on **07733323581** if I can help you, as many people do.

Finally, I know many are understandably worried at the moment, but please reach out if I, or anyone else across our community, can help you. **Cllr. Jeremy Rowe**

Chedgrave Common: Unfortunately, the council hasn't received any offers of help with the project to obtain Land Registry title of Chedgrave Common. The council would really like to encourage the community to get involved. It is a complicated matter and a new update of the "Chedgrave Courier" will be distributed later in the autumn with a special focus on Chedgrave Common. Many residents and visitors enjoy the walking on the Common and the council is trying to secure it for the long-term enjoyment of all. **Please get involved, the council needs your help!** Please contact the Clerk if you are interested in joining a working group to help with the effort to retain Chedgrave Common for all including possible fundraising activities. Thank you.

Councillor Vacancies: There are two vacancies remaining on the council. If you are interested but not sure what's involved, why not come to a meeting and observe? You will get a flavour of the wide range of topics the council deals with and meet other councillors. The next meeting is on 3rd November, details below.

Footway Lighting: The council hasn't received any feedback from residents regarding spiralling energy costs and in the short term is going to attempt to secure a fixed rate contract for the next 12 months. This will at least give budget certainty for a while. In the long term, the council may have to consider reducing the time the lights are running by switching them off in the middle of the night to save money. If you have any views on this matter, please contact the Clerk.

Christmas is Coming! It's that time of year again and the council is planning a pretty display of lights in the village as usual. In the coming weeks, householders will be approached for permission to hang lights from their properties and their support with this is very much appreciated, thank you.

Vandalism: There have been a few acts of vandalism around the village recently with play area signs and equipment being destroyed and graffiti appearing. All of this is paid for by Chedgrave residents via the parish council so please accept this polite reminder to respect our village and its facilities.

Brian Clarke Room: A well-equipped modern bright room, including access to free WIFI and table tennis tables. Booking enquiries should be made to Georgina Buckle via brianclarkeroom@gmail.com or 07981 856270.

Next Meeting: Thursday 3rd Nov at 7pm in the Brian Clarke Room. All welcome!

Highways issues such as potholes, footpaths or public rights of way, road safety, flooding and overgrown trees and verges should be reported to Norfolk County Council on 0344 800 8020 or online at www.norfolk.gov.uk. Criminal & illegal activities, public disorder & nuisance, anti-social behaviour, speeding, uncontrolled dogs, should all be reported to the Police on 999 or 101 (non-emergency) and can be reported online at www.norfolk.police.uk.

Notes from Sisland

When you read this Sisland church will have held an autumn coffee morning, on Saturday 29th October, and we would like to thank everyone who was able to support us, as we continue raising funds to maintain the church fabric. As autumn arrives, the weather definitely changeable, our attention turns to a period of reflection and remembrance.

Changing seasons always makes me reflect on previous months, this year the incredibly hot summer and a period of national mourning. Remembering - to hold in your mind or bring to mind and to recollect - is an important part of life. We will all be aware in the last months, of remembrances both collectively as well as individually. In Sisland church, the Book of Condolence for Queen Elizabeth II, was valued and completed by residents and visitors alike.

Remembrance Day has been observed every year since 1919. As well as standing together in Remembrance on 11 November, we also observe a two-minute silence at 11am on Remembrance Sunday. The former, originally called “Armistice Day”, to commemorate the agreement that ended World War I on Monday, November 11, 1918, at 11 a.m.—on the 11th hour of the 11th day of the 11th month. For those who know Sisland church you will be aware that there is no war memorial in either the building or the churchyard but the act of remembrance is still important.

The changing season also brings the change of service times for Sisland. With the change of clocks on 30th October, evening Prayer moves to 4pm, during the summer it has been at 5pm. A traditional service using the Book of Common Prayer, an excellent way to reflect on the week past and look to the week ahead. The Church will remain open during the autumn, even if the door is closed it will be unlocked, so please take the opportunity to visit us if passing.

Rowena Bryce (Churchwarden, Sisland)

LODDON + CHEDGRAVE VICTORIAN EVENING

The annual Loddon and Chedgrave Victorian Evening will take place on Friday 9th December from 6:30-8:30pm.

The Evening commences on Church Plain where there will be a “grand switch on” of the Church Plain Christmas lights by Father Christmas before he heads off to his grotto at Bay Tree House where he will be receiving children of all ages.

“Many activities are planned for the evening, such as Punch & Judy, and most of the local shops will be open and hosting Christmas festivities, welcoming customers old and new”, said Heather Tew, Lead Organiser of the Victorian Evening.

Charity Stalls at the Victorian Evening

Friday 9 December 6-9pm approx

Each year there are stalls in our churches – Holy Trinity in the middle of Loddon and St John’s a little way along George Lane. They are open for people fundraising for a favourite charity and for local community groups to display what they do, with room for sales, games, information boards and more, space being limited to a long table for each stall. We try to be flexible where we can.. **For more details or to book a space contact Nina Owen on 01508 522993, email theroamingfenlander@gmail.com Please note that we do ask for a small donation in the region of £5 per stall to cover costs, because the church is a charity too.**

Wanted—Helper at Loddon Rainbows

Could you give up one evening a week to help at Loddon Rainbows? For girls aged four to seven, Rainbows is exciting, messy, friendly and a lot of fun! Here’s what one Rainbow has to say: “We make lots of things and play games. We have a lot of fun and I like Rainbows.”

If you can help, Naomi Garner would like to hear from you:
Loddon_Rainbows@outlook.com or 07530 607307.

Loddon Bell Ringers

Following the sad news of the death of Her Majesty Queen Elizabeth II, church bells played an important part during the formal mourning period and the proclamation of King Charles III. It is only for the death of a monarch that bells are rung fully muffled with the deepest sounding bell, or tenor, open at one stroke. Bells rang out nationwide with many churches in our region doing the same and here at Loddon, as the news broke, we tolled our Tenor bell in respect.

A service of thanksgiving for the life of the Queen was held at Holy Trinity on the Friday at which we rang again, and then on the Monday, following the state funeral held at Westminster Abbey, we rang a half muffled Quarter Peal of Ten Doubles methods to honour the Queen.

The ringers were 1. Michelle Clutten 2. Rona Sporle 3 Stephen Rabong 4 David Webb 5 Katie Wright (conductor) 6 Levi Lovelock.

Struggling with Money? Local Charitable Funds available:

There are two local charities to help local people in need: Loddon Town Estate Trust (for people living in Loddon); and Chedgrave Church Discretionary Fund (for people living in Chedgrave or who are regular members of the congregation at All Saints). These have received a boost from monies raised by the monthly quiz at The White Horse during 2021.

The charities are only any good if people use them! In the past, money has paid for things like cookers and carpets. It has also gone towards solicitor's bills and rent. Please do not feel ashamed or embarrassed to call on the funds if you need them.

You can access the Loddon fund by contacting Ann Lumley on 01508 528141 or email: annlumley150@btinternet.com. The Chedgrave fund can be accessed by contacting Rev Alison, Rev David or the church warden, Roger Outlaw—contact details on p3.

Chet Valley Community Larder

*Helping each other out, reducing surplus food waste,
sharing with the whole community*

Monday—Friday 8:00am-7:00pm **Saturday** 8:00am-4:00pm
Sunday 10:00am-4:00pm

Based in the Loddon Library Entrance.

Just One Thing!

I wonder how many of you have visited the Chet Valley Community Larder. It's in the corridor next to the library in Loddon, on Church Plain. You walk past it if you are going to the Community Gym. It is being well-used—every time I have been to take goods from various harvest festivals, in church and infant and junior schools, the shelves have been emptied by the next day.

It made me think. Chet Contact is delivered to around **2500** houses in the Chet Valley area. I wondered how many of the households could afford to buy just one thing every week for the Chet Valley Community Larder and put it on the shelves. Just imagine how wonderful it would be if there were maybe **1000** tins and packets added each week to help those people out who cannot afford to feed themselves or their families adequately.

Bread, eggs and cereals go very quickly. There are often quite a few tins of tomatoes and baked beans still on the shelves, whereas other veg and tinned fruit don't stay there long. Tea and coffee also disappear fast.

What might you be able to donate?

The **co-operative** food
Central England Co-operative

Royal British Legion—Loddon & District Branch

The branch meets at the Lecture Hall, George Lane, Loddon on the third Monday of each month, 6:45pm for 7:00pm.

For information or support, contact Colin or Christine on 01508 521136.

Chedgrave Church Centre Hire

All Saints Church, Chedgrave has a lovely church centre attached to it which has been open for over 25 years. There are two rooms (one upstairs), a kitchen and a loo. There are wheeled tables which are easy to move and put up. It is warm even in the winter! It is available to book with a suggested donation of £8 per hour. If you are looking for a venue for a meeting, a party, or an activity do contact Anne Jackson who is responsible for hall bookings on 01508 502278.

Social Whist

We meet every 2nd and 4th Friday each month in the back room of The Hollies, 7.30 for 7.45pm start.. A chance to get together and play 12 hands of Whist with refreshments and a chat half-way. Partner not necessary, or knowledge, it's a fun social evening with a bit of thinking thrown in. Do join us. Lifts can be arranged.—call Jane on 528875. All funds to charity.

NB—possible date change next month to avoid a clash with Victorian Evening. See December Chet Contact.

Tuesday Market, Loddon

You will find our colourful plant and cut flower stall outside the Hollies, every Tuesday from 10:00-11:30am.

Inside will be a fine selection of baked goods, preserves, fresh eggs, raw milk and vegetables. Why not treat yourself to a coffee and cake, then browse our selection of local crafts including woodwork, jewellery, cards, paintings etc. We look forward to seeing you.

A Warm Space on Wednesday

9.30am to 12.30pm

Starting on Wednesday 2nd November, All Saints Church, Chedgrave will be offering a free, warm, church hall, open for anyone, to spend some time with friends and neighbours. There will be facilities in the kitchen to make tea/coffee/etc and there is also a WC in the hall.

This is the first of what are likely to be several initiatives in our villages to offer a comfortable warm space and, along with the others, hopefully create opportunities to have somewhere to spend time on most days, in a social setting, as the colder weather moves in.

We will update you next month as the scheme develops.

Community Groups, News and Events

News from Local Branches of the Women's Institute

Loddon and District Women's Institute

We were very pleased with the response to our Great Big Green Week event. Our speaker, Ed Gillespie, gave a very thought provoking talk on climate change and its devastating effect. He also reminded us of the decline in wildlife that has taken place during our lifetime. While acknowledging that this is all something that has to be tackled globally, he sent us away with some suggestions for small changes that we can make in our own way of living, and urged us to make our voices heard in demanding action from the powers that be.

We had a good meeting in September when Peter Lawrence talked to us about picture postcards – explaining not only the history of their development but also illustrating how they provide a record of a changing way of life.

In addition, some enjoyed our usual monthly Knit and Natter and Open House. We meet in November to begin preparing for our stall at the Victorian Evening, and we look forward to planning our decorated window in Holy Trinity Church.

Next Meeting: Wednesday November 16th. 7.15 for 7.30 p.m. St John's Chapel, George Lane.

Speaker: Juyna Lewis, who will be telling us how to 'Spice up our Christmas'!

New members always welcome. For further information we can be contacted via our Facebook page or on 01508 528656

Chedgrave & District Women's Institute

Our meetings start at 2:00pm on the fourth Tuesday of each month and are held at the All Saints Church Centre, Chedgrave. If you would like further information, please contact Audrey 528393 or Angela 521120.

Our next presentation is "**Operation Mincemeat**" rated **PG**. Directed by John Madden and stars **Colin Firth, Matthew Macfadyen**. Based on a true incident in WW2 a remarkable deception by British intelligence, creating a fictional officer, carrying secret documents of a planned invasion who became the victim of a plane crash. The "plans" ended up with the Germans but the real invasion was elsewhere.. Good reviews on release.

Thurs. 3rd November 7:30pm. Doors open 7pm.

Loddon Community Gym

The Library Annexe, Church Plain, Loddon, NR14 6EX

Tel: 07534 946143 www.loddoncommunitygym.com

Inside this month's Chet Contact you will find the Community Gym's latest flyer with all the information you need and pictures of the Gym in our new venue, the Library Annexe. Please have a read and pass it on to anyone you think might be interested in

joining. We are very grateful for the support for the Gym of both Chedgrave Parish Council and Loddon Parish Council in giving the Gym this opportunity to expand and develop at the heart of Loddon. We depend on grants, small and large, to keep running and our charges as low as possible. The Gym AGM is on Tuesday 1st November, 7.15pm in the Gym. If you are reading this before then you are welcome to come along and hear what we are planning and give your views about what would attract you to join. If the date is past please email the Gym (address above) with your ideas or simply drop in and chat with Louise (instructor). As I write this we look for a new treasurer and more committee members so contact me (Angela 07989043949) if you feel you could contribute to the Gym's future.

The Gym is currently open as follows:

Monday (afternoons) 1.45pm– 5.25pm; Tuesday (early evenings) 4.45pm-7.05pm;

Wednesday (mornings) 9.00am-11.20am; Thursday (evenings) 6.00pm-8.20pm;

Friday (mornings) 10.15am-12.35am.

As we are a relatively compact Gym you will still need to book via

www.picktime.com/easternriverscommunitygym

Alternatively you can book a first session by ringing Louise on the number above.

Our meeting in November is on Monday 14th in St John's Methodist Chapel, George Lane, Loddon. Doors open 6.45pm for 7pm start. We are working on a programme for 2022/23 and details for our November meeting will be posted on our website when they are available. Our September meeting saw a club friend come and talk about his start-up experience with drone photography which has led to further interest by a couple of club members. Expensive equipment is not needed at all - images can be taken using a mobile (phone, tablet) or point and shoot camera. Much is now taken on a smartphone as that is usually with us at the time.

Please contact Jackie Franklin,

Loddon and District Local History Group

Our speaker for the September meeting was Steve Silk who introduced us to three books he had written recently, two of them about this area. Steve started by outlining his background in journalism which had started when he worked on a local newspaper in the North East before travelling abroad and writing various articles including one for the India Times. He came to Norwich to work on the Evening News before becoming a T.V. reporter and editor on B.B.C Look East.

'The Wherryman's Way' (published in 2010) emerged as an idea in 2006. The footpath now known as the Wherryman's Way had been 'rebranded' when several existing footpaths had been linked with leaflets outlining different walks becoming available and information boards being placed on the river. A few statues of local 'celebrities' from the past were erected but have not been maintained well. Steve decided to research this river area and found the two sides of the Yare were much better connected than now. There were 15 ferries operating across the river between Norwich and Yarmouth in the early twentieth century. Some ferries were rowing boats while Langley had two to transport staff to Cantley Sugar Works. Yarmouth had two as well. His book sold very well. Steve's second book was entitled 'Hidden Riverside Norwich' (published in 2016). Norwich has 4 rivers - the Yare, Wensum, Tud and Tas. This book outlines a journey Steve made down the Wensum by canoe, mentioning a few of the bridges - Coslany Bridge, St George's Bridge and Bishop's Bridge. The latter involved some research on Kett's Rebellion as rebels had stormed this bridge to win their first battle. Steve hopes this book helps people to realise what they have on their doorstep. He also took the photographs illustrating different aspects of the river.

The third book is very different, 'The Great North Road' (published in 2021) based on a cycle ride he undertook. He came across a book by Charles G. Harper who had made this trip in the late nineteenth century. Harper's thoughts about what he saw were close to his own despite the time difference and he loved the book's illustrations. The Great North Road has a stagecoach history, impacted by the advent of the trains and he mentioned some of the great coaching inns like the George at Stamford. Steve's cycle ride covered about 50 miles a day on average and he found that only 50% of the route was on the old Great North Road while the other 50% was spent trying to get as close as possible to it. He started in London and finished in Edinburgh. Getting published was not easy and he had several rewrites before a publisher accepted it in 2020. This was a fascinating talk.

November 16th: David Hamblin will be talking about the Pharmacy in Loddon.

Meetings are open to all and are held in the Lecture Hall at St John's Methodist Church, George Lane, Loddon starting at 1:30pm. £3 admission includes tea and biscuits.

Read Any Good Books Lately?

Grimwood by Nadia Shireen

A perfect children's book for readers who have just started to enjoy reading on their own. The story itself is brilliantly funny. It's about two foxes who are run out of their urban environment after a battle with a mean cat. They come to a magical place called Grimwood and discover a whole new community, with their own traditions and unique characters.

A Lady's Guide to Fortune-Hunting by Sophie Irwin

I felt like something light and frothy and this is definitely both those things! It's set in Regency England and is perfect for any fans of Georgette Heyer or Bridgerton. It's witty, fast-paced and the ending is very satisfying. The heroine, Kitty, needs to marry money in order to save her sisters, and herself, from destitution. The story tells how she sets about this and although set in Regency England it's a sharp modern take on the whole setting – much like Bridgerton, but far less smutty!

The Marriage Portrait by Maggie O'Farrell

A new novel by one of my favourite authors and a wonderful read. I'm so pleased Maggie O'Farrell has written more historical fiction. I loved Hamnet, set in Shakespearean England, which won the Waterstone's book of the year and Woman's Prize for Fiction in 2020. She breathes life into historical characters by weaving story around them and her writing is rich but so accessible. This is the story of the third daughter of Cosimo de' Medici and her grand marriage set in Renaissance Italy. What Maggie O'Farrell does so well is to convey the menace and danger that lurks around every corner and how young noblewoman, until they have provided an heir, are prisoners to their own fortunes.

Holding by Graham Norton

This is the first novel from the well-known TV personality and he's since written two more. They've been well received and reviewed so I thought I'd give this one a try. It's a great crime story, set in a remote Irish village. Its themes include loss, dark secrets, love, troubled relationships and alcoholism and it's told with Norton's trademark tongue-in-cheek comic timing. It's very well written and an enjoyable read. I will be reading his other two books when I get time.

Special mention to Hilary Mantel who died last month, what a loss but also what a legacy she leaves behind. I plan to reread Wolf Hall and the subsequent novels at some point. If you haven't tried any of her books then I would highly recommend them, her writing is wonderful.

Nature Notes

To begin with I confess that my 2022 bird list was not nearing 200, as I thought but was only 189. Also, although there have been plenty of passage migrants, especially on the Norfolk and Suffolk coast, I've not been out to try and see any of them.

It was the start of the last week of September that I heard the familiar “wink, wink” call of returning Pink Footed Geese. Initially only small skeins, by the end of the week they were around in their hundreds. I have not seen winter thrushes yet, such as Fieldfare and Redwing. Hopefully, this will be rectified by the end of October.

One bird that I should have mentioned last month was that there are a pair of Barn owls around at Hardley Staithe. Having been absent for most of the year, it was great to see a pair of these beautifully graceful birds quartering over the fields.

Walking up the track from Chedgrave Common with our dogs, I kept hearing something bouncing down through the branches of oak trees. I realised it was ripe acorns falling to the ground. Jays, normally a secretive woodland bird, can be seen flying openly from oak tree to oak tree collecting acorns, which they bury to eat during the winter. This can be in the region of three thousand plus acorns buried in small clusters and amazingly remember where they have hidden them.

I managed to see one new bird during September, walking the dogs along the Yare towards the sugar beet factory from Langley Dyke. I noticed several small birds flitting about and picked out Goldfinches and Linnets. Then a female Stonechat revealed itself, perching on top of a reed. It was followed by a second bird, I initially assumed another Stonechat, but closer scrutiny saw it to be a Whinchat passing through on migration to sunnier climes. Over the next two weeks walking along the same riverbank, the Whinchat was still there. So, my year total crept up to 190.

On the last day of September, whilst getting out the car at Hardley Staithe, I noticed a small flock of, what I assumed were Collared Doves fly over the farm buildings and on into the recently ploughed field. Following them was a second small flock, scanning the field I was delighted to discover that they were in fact Golden Plover rather than the aforementioned doves. Golden Plover migrate from their northern breeding grounds to southern climes. Some overwinter in East Anglia. I stopped on Church Road to see if I could find them again. Sure enough, I found them. However, on closer inspection via binoculars, I realised that although twelve of them were Golden Plovers, there were also three Ruff, another species of wading bird. What delights will November bring, it will be good to escape into the natural world and enjoy what is there

Chet Neighbourhood Plan Steering Group

Chedgrave and Loddon are developing the Chet Neighbourhood Plan, an official document that aims to maintain, promote, and improve their quality as places to live, work, obtain services, and undertake leisure activities. We are paying particular attention to the environment and sustainability. Working towards net zero carbon emissions and protecting biodiversity are both key requirements of the plan.

As part of our evidence-gathering activities, the Environment Focus Group has embarked on a series of parish walks, looking at the green spaces, verges, parks, gardens, and sports fields, together with views, so that they can be an important focus of the policies we write. The walks are being led by Andrew Milner and Carol Webb.

The remaining walk, starting at 2pm, is as follows:

13 November – Sports fields, etc., from Church Plain (3.2 miles)

We welcome input from those who live, work or undertake leisure here. Do visit our website ([Chet Neighbourhood Plan | Welcome \(chetnp.info\)](http://Chet Neighbourhood Plan | Welcome (chetnp.info))) to keep informed of progress and activities and to see what you can do to help. If you would like to give us your views about relevant matters, please use the Contact us page on the website or send an email to Neighbourhoodplan@loddonpc.org.uk.

CAN YOU HELP?

Do you remember the Millennium celebrations? Did you live in Loddon at the time?

To celebrate this milestone event, a time capsule was buried next to the porch in Loddon Churchyard. This contains various photographs of shops and shopkeepers at the time.

The local history group have copies of these pictures in their archive but now need to identify some of the people for their records. If you can help or would like to see the collection please come along to:

LODDON LIBRARY Tuesday 18th November 10.30-12.00

A very informal gathering where we can all join in.

HOPE TO SEE YOU THEN.

Gardening Notes

From the Allotment—Andrew Milner-Well, time to stop worrying about the damage of the hot dry summer. November is the time to look ahead: clear away the past, plan crops, prepare ground for next year and begin planting crops that go in now. Plan your crops first as once you are sure where everything is going you can prepare the ground accordingly so soil for potatoes needs a boost with manure or compost, but brassicas don't: peas and beans do well over a trench filled with raw or semi composted material. In sandy soil you can also line the bottoms and sides with newspaper to hold in moisture. Compost and newspaper all break down and disappear over the year.

November planting includes garlic and broad beans, but you can also plant peas (beware mice eating these!), winter onions, spring onion seed and varieties of lettuce you can keep growing under a cloche like Fourseason or Winter Density.

My aim with garlic is to grow enough to store until the next harvest which I will not achieve this year as the bulbs were small due to lack of rain over winter and spring.

Hardneck and softneck garlic do well in my sandy soil, but Elephant Garlic does not, and I have stopped trying to grow it. With broad beans my aim is to extend the cropping season and I will plant a second batch in February.

From the Garden—Shirley Cross-This month it is good to spend time looking back at how well the garden performed in the summer drought so that plans can be made for new plantings as predictions are for warmer and drier years to come. I watered the flower beds this year as they were newly planted and the plants weren't established. Two plants I'd not used before flowered all summer, Cosmos and Gaillardia, deadheading every two days encourages new flowers. The Bessera Elgans bulbs eventually flowered but were shorter than expected. The list of plants the deer are partial to is growing, currently Hydranga, Sambucus Niger, Campanula Glomerta, Viburnum Opulus Roseum, Deutzia and Pinks. The pinks were a surprise as most websites say deer don't eat them, but they have eaten the flowers, so I will move them to the front. The pond is full at last and is planted up, the bank is planted with Foxgloves, primulas, daffodils, alliums, chionodoxa, Iris, crocus and snowdrops. We also scattered wildflower seeds over the area so it will be interesting to see what comes up. Chrysanthemums are looking good this year with lots of flowers so I will look to add more colours next year. Sweet peas can be sown this month, start them indoors and then move them into a cold greenhouse before planting out next spring. Enjoy planning your garden.

Choir for Carols

Hooray! The community choir is coming together once again this year to sing at the...

Carol Service in Chedgrave Church

Drawn from people of varying ages (~7-90+) we lead the traditional carols as usual and sing one or two items of our own.

“It is a lot of fun. We all enjoy the singing and getting to know others in the community.”

The carol service is on Sunday 18th December at 5:00pm

There will be four rehearsals and it is best if you can make **at least** three of them:

Saturday 26th November 3 – 4pm

Saturday 10th December 2 – 4pm

Saturday 17th December 10am – 12noon

Sunday 18th December 3 – 4pm

(refreshment break before the service)
