

# Benefice Events E-Letter

Dawlish with Holcombe & Cofton

Sunday 19<sup>th</sup> June

1<sup>st</sup> Sunday after Trinity

As we begin to continue with looking at the future some of which is about building back what we had to let go of, and some of it is about new things, it would certainly be very helpful to re-establish the Dawlish Coast Mission Community Forum. Since our annual meetings I have been asking church councils to provide representatives from each church (2 people) to join the forum. The Forum is made up of the Staff Team, the Churchwardens (for Holcombe 2 assistant wardens) and two people from each church.

It used to be known as a Council but the group does not have any power invested in it and does not carry any authority. Calling the group together as a Forum seemed the obvious step to take as it is really about the sharing of information, which is then reported back to the church councils and to look at future planning. That includes what we can do together and what each individual church might want to do.

CHURCH MEETINGS ARE BRILLIANT

We meet approximately 3 times a year. When the Staff Team last met, we planned a meeting for **Monday 4<sup>th</sup> July at 7pm at St. Gregory's.**

After 2 years of not being able to meet, and with Starcross on their own new journey, it is really a new beginning for us all. If you have any thoughts you would like to share please do get in touch with me.

The next joint Benefice Service will be on 31<sup>st</sup> July at 10.30 at St. Mary's Hall. If the weather is good it is hoped that we can worship in the car park as we did last year and to share a picnic together afterwards.

with blessings,  
Dallas
