

How can St Cross Church help?

New toys / games etc (we would never want to receive a second hand gift at Christmas - unless it was very Expensive). Here is a suggested list:

Family board games,
Footballs,
Toiletry sets (teenager/young adult),
Lego sets (Duplo, City, Friends, Creator, Technic ranges),
Remote-control vehicles,
Soft toys,
Musical toys,
Painting/drawing/craft sets,
Dough/sand modelling sets,
Dressing up/roleplay sets.

CAFT suggest these are valued around £10-15. Many stores (like The Works, Entertainer) have buy one, get the second half price, at the moment, so if there are people prepared to support each other this is a good way to make it work. Boots often run a 3 for 2 offer over Christmas.

Chocolate selection boxes are also at a cheapest price in supermarkets too!

So, if you can donate you can leave a your *unwrapped gift and / or selection box* on the table in the south aisle during November.

If you cannot get to a shop to purchase your gift please give Revd Paul the cash in a marked envelope and he can sort this out for you.
No payments on the Card Reader on this occasion please.

ST CROSS TOY COLLECTION FOR CHRISTMAS 2024

Like last year our toy collection in the church will be running throughout November until **Sunday December 1st** supporting *The Children's Adventure Farm (CAFT)* in Lymm.

CAFT offers opportunities for children whose lives are impacted by illness, disability, or social disadvantage.

From November 23rd until December 22nd CAFT will give around 3700 deprived children a day of lasting Christmas memories and at the end of that day each child will receive a carefully matched gift and selection box.

SUNDAY DECEMBER 1ST AT 10AM will be our ALL AGE TOY SERVICE (Advent Sunday)
