I am pleased to tell you about a decision made at the recent church council meeting. It was agreed that our more positive financial position gives us an opportunity to use some of the money in our deposit account for the good of the church and the community. We agreed to consider taking forward activities and projects under the following 4 headings -

**Accessibility** - to help people with different mental or physical needs to use our services more easily or comfortably

**Future proofing** - to enable us to make good use of more modern technologies where that would be helpful

**Environmental** - to make changes that would help our church to run more sustainably

**Community** - to provide help and support that would benefit the community we serve.

Please let me know if you have any suggestions. You can email me on [treasureratkmc@gmail.com](mailto:treasureratkmc@gmail.com) In addition, I will be providing a suggestions box in church.

Please provide your thoughts by 9<sup>th</sup> December. These will then be considered / costed and put to the church council for decisions.

I look forward to hearing from you!

Lucinda  
Treasurer

What favourite carol would you like to sing at this service? Each church is being invited to nominate a carol, so please let me know and I'll submit our top two choices. Hopefully not every church will choose the same carol 😊 Gillian

## Blackpool and South Fylde Circuit

I have been asked to look into the possibility of starting a Circuit Men's Meeting. I have booked The Drive community room for 1pm on 20 November and there will be a light lunch available and an opportunity to talk about the future. If you are able to come, please let me know for catering purposes and also if you have any dietary needs.

If you are not able to attend but would be interested in joining a meeting, please get in touch and tell me what time of day (morning, afternoon, evening); how often (weekly, fortnightly, monthly, quarterly); what sort of meeting (discussion or speaker); and where (one venue or moving around the circuit).

Of course, you may not be interested at all and that's fine too.

I look forward to hearing from you.

God bless you

Rev Stuart Wild
