

Plants & Wildlife in Seer Green churchyard

Plants and trees were recorded 17.04.1982, 22.05.1983 & 21.08.1984 by botanists Roy Maycock and Aaron Wood

- The categories below are my (unscientific) organization of their lists, to make it less confusing to work through
- [New entries in 2021 are in blue font – please add any new ones you spot – not just plants but birds/animals, see bottom of the list for a few starters.](#)
