

## Activity B

---

Print Activity B (two pages) onto paper for each child.

**Before the lesson** use a craft blade to cut away all the grey blocks then cut along the lines to produce eight A6-sized pieces of paper (these are numbered from 1 to 8 in the bottom right corner).

**The children** colour in the characters and stack the pages in order from 1 to 8.

Help them to staple the pages together at the top as marked and show them how to retell the story by flipping one page up at a time.

Are they able to tell the story to each other using their books? Remind the children that Ruth followed Naomi because she trusted God.
