

Holiday Club Days

On August 14th St Mary's, Calne rang to the sound of young voices as children assembled for the first of two holiday club days, which were physically active, non-stop and above all, FUN. St Mary's hosted a seaside themed day based on the story of Jonah. On August 31st more excitement ensued when Christchurch, Derry Hill was the venue for the second club day, this time based on the story of Joseph.

Below and opposite various comments by the children on each occasion.

The Holiday Club Team.

We lined up for a big photo and gave a big smile.

We laughed a lot when we did the 'conger eel' round St Mary's in a long line

I enjoyed making my picture.

I enjoyed dancing 'like an Egyptian'... and singing 'My Lighthouse'

I liked writing my prayer and sending it up to God, that's a good thing

We made puppets and put on a show about Joseph and his brothers

We floated our prayers in the 'rock pool'
