Dear Ms Grenfell

Proposed Closure of Holy Trinity Churchyard, Calne, Wiltshire

Thank you for your application form requesting an Order in Council to discontinue burials in the above named churchyard. We have considered your application and are now taking it to the next stage (see paragraph 33 of the guidance notes).

We ask the Parochial Church Council to make sure local parishioners are aware of the proposal so that we can address any concerns or questions they may wish to raise. For this reason, I enclose a draft notice which announces the Secretary of State's intention to apply for a closure Order, including details of any exceptions (such as space in family graves, or graves reserved by faculty).

Please arrange for this notice to be published where all parishioners will have the opportunity to see it, such as a local newspaper, a parish newsletter delivered to the area, or a prominent community notice board.

Once the closure has been advertised, please forward a copy of the published notice to me at the above address.

I have also enclosed for your reference a copy of the map of the above-named churchyard with the area to be closed crosshatched.

A copy of this letter is being sent to the Parish Council and the District Council for their information.

Yours sincerely,

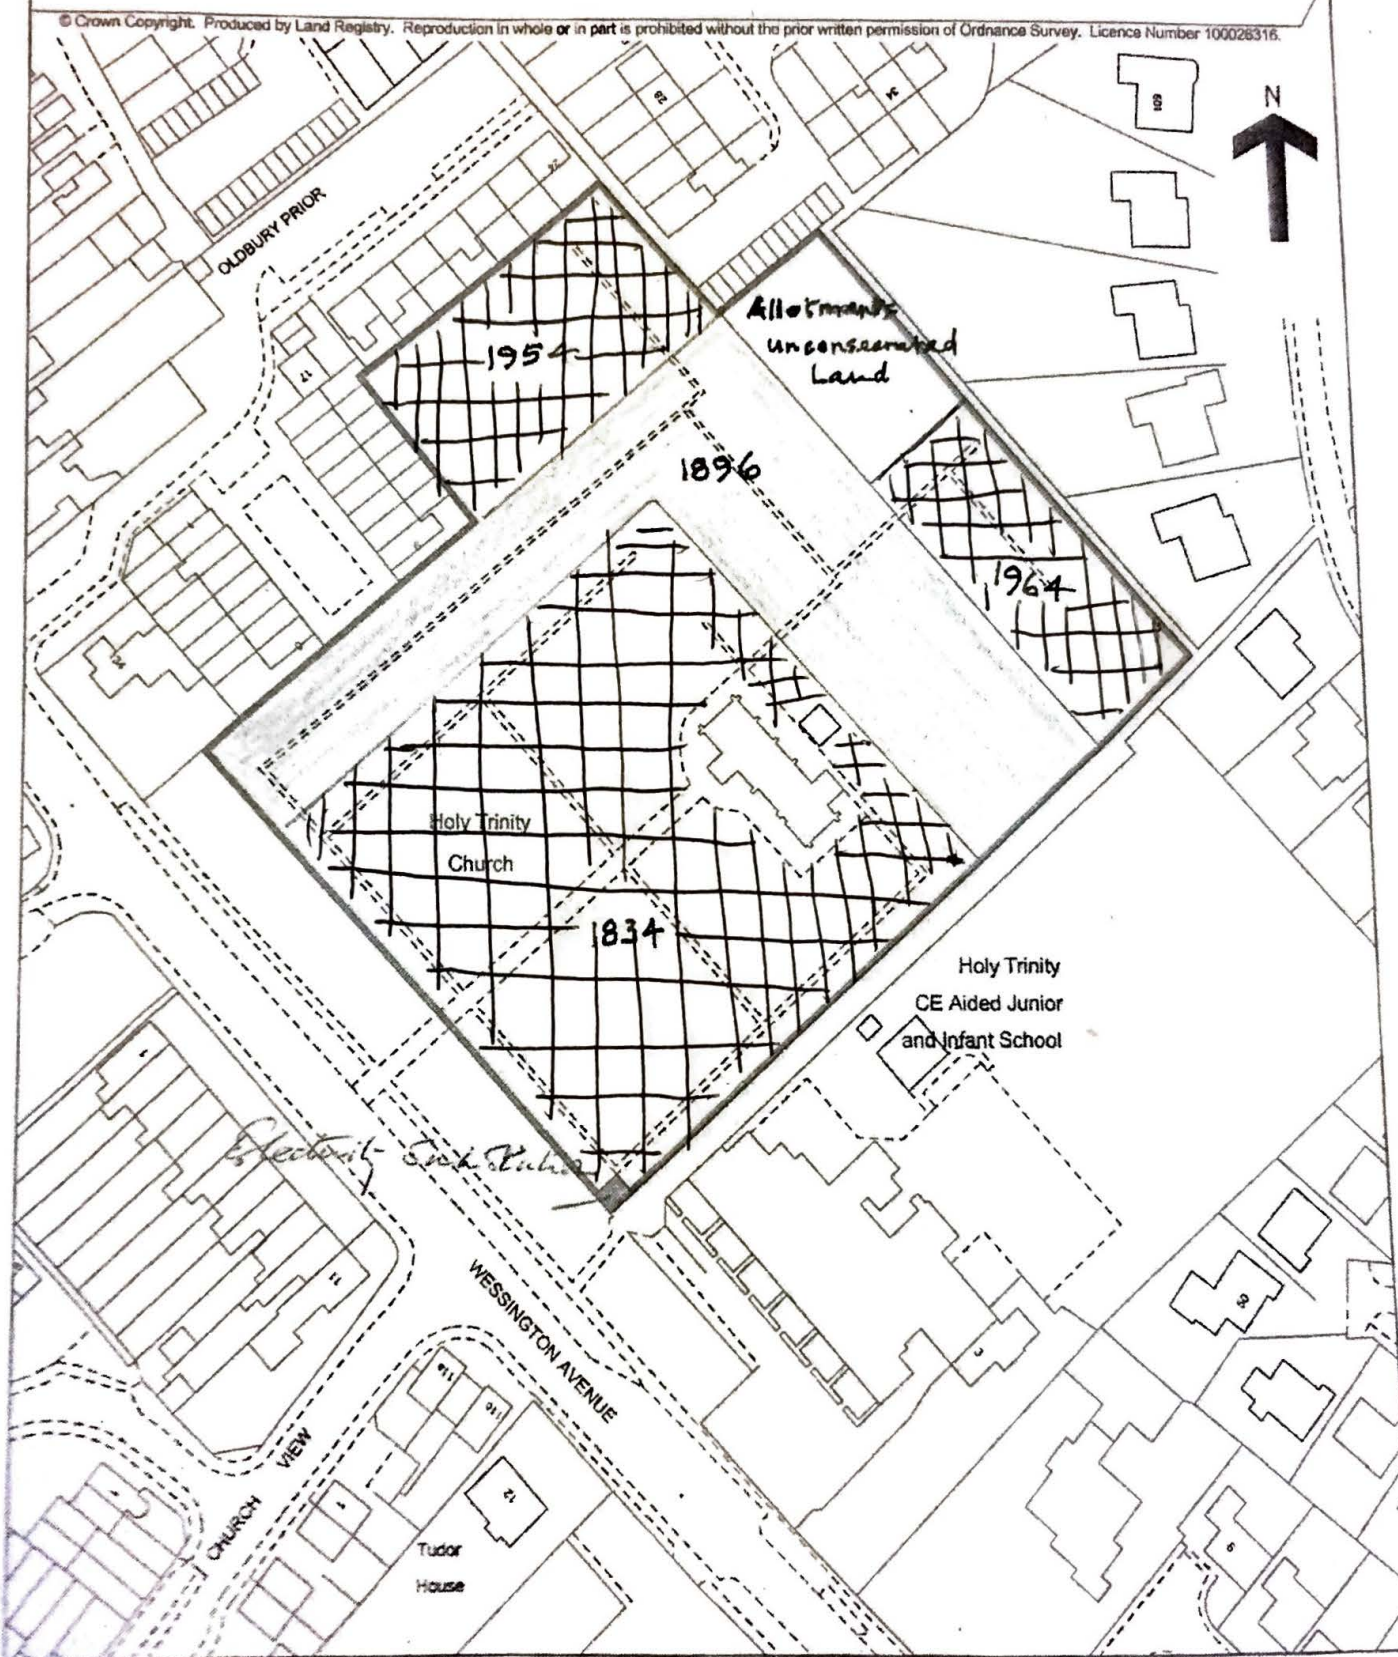

Richard Finlay

- c. in any grave space in which no interment has previously taken place, the burial may be allowed of any person for whom, or any member of the family for which that grave space has been reserved and appropriated, with the exclusive right of burial there, but no part of the coffin containing the body shall be less than one metre below the level of the surface of the ground adjoining the grave.
