BAPTIST CHURCH

where disciples of Jesus Christ grow together

Purpose, Vision Mission Statement

- The **Purpose** of this church is to worship God and to explore and apply what that means to personal life, Christian community and the world.

- Our **Vision** is to be a growing community, where Jesus is at the centre and everyone is valued.

- We believe our **Mission** from God over the next period is to build a healthy Christian church, which develops our ability to serve Christ and his world authentically in every aspect of our daily lives – work (paid and voluntary), family, neighbourhood and leisure through:
 1. Enthusiastic and relevant *worship* and Bible teaching;
 2. Strong *fellowship*, especially through small groups;
 3. Personal commitment to become more like Jesus Christ through *discipleship*;
 4. The desire to *serve* in the church's various activities and projects;
 5. A passion to *communicate* the good news of Christian faith, locally and globally.
