Celebrating 70 Years

As the United Kingdom, Commonwealth and the World say thank you to her Majesty the Queen for her leadership over the last 70 years, I wonder how she feels about her 70 years as Queen. As a church we give thanks for her dedication to her role and pray God's continued blessing on her and her family.

A lot can happen in 70 years, when the Queen Elizabeth II came to throne, there weren't any motorways in this country, the world was recovering from World War II, home computers weren't thought of, mobile phones were not even a dream of anyone. Over the 70 years of her reign, there have been many happy times and some sad times.

What has happened in your life in the last 70 minutes, 70 hours or 70 days? Have you reached any goals that you set for yourself? These time frames can either seem very short or long depending on the circumstances. You may have had some very good news or some sad news. As you reflect on these questions, remember that during these 70 minutes, hours, and days, God has been the same constant force of love and support, freely available to everyone.

In the church we have recently celebrated, Easter, when Jesus (God's one and only Son) died on the cross and was then raised from the dead by his Father to over come death and give everyone who believes in him eternal life. In the bible in the gospel of John we are told 'For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life', (John 3 v 16).

Her Majesty the Queen believes in God and has relied on his strength during her regain of 70 years, many people of Stanground and all over the world believe in and rely on God for his strength. If you would like to find out more about God and his love that is freely available for you, join us at Stanground Baptist Church.
