Calling all knitters

Teesside Hospice needs your help to knit some Easter baskets, for them to then fill with Creme Eggs & sell this Easter. It's going to be a great way to get involved and support your local hospice. You will need DK wool and size 4mm needles. If you would like to take part in this project, contact me, Janet Hinton, contact details below, and I'll deliver a printed pattern to your door. I can collect any completed baskets and deliver them to the hospice.

Hello, my name is Joseph, I was born in November, so I'm very nearly 3 months old. At the moment, my mummy, Ann, & I are staying with my grandma & granddad,

Janet & Tony Barker. My dad works on a ward with covid patients and my mummy can't fight nasty bugs very well. I'm really missing my daddy, but every day he talks to me from a flat, rectangular thing, I can't see him but I can hear him. When my mummy has had her 2nd vaccination, we can go back and live with my daddy. That will be lovely. In the meantime, Grandma loves changing my nappy!

Saying Grace.

Bill Colombi has contributed this:-

'I was going to suggest to Janet a spot in this bulletin for people to quote their favourite Grace. Then I came across *Vic the Vicar's*[#] blog railing against those VIP's using their invitation to say the Grace before a formal dinner as an opportunity to demonstrate their verbal dexterity and wit with dreadful doggerel. As he says, it should be a serious moment to think about and thank God for the blessing laid out before them. I will, therefore, not quote my favourite Grace*, apt as it is, for a post-pandemic (too soon), post-Brexit (too political) era. However, I'm sure Janet would still like to get your favourite grace to include in future Social Bulletins.'

* Bill's Grace will be included in future bulletins, but I'd love to hear your favourite, as well. JEH.
