Loop Special – Sunday 10 January 2021

LOCKDOWN UPDATE

With the dramatically worsening situation with the pandemic and the Prime Minister's announcement on Monday evening, we have been considering very carefully what steps to take and some of our churches have decided to close. This additional Loop is to let you know the current situation and which churches remain open for worship this Sunday. We will be reviewing the situation weekly and please be prepared for more changes to the published pattern of services. **Where churches are open, please know there is no expectation that you should attend.** The level of risk is at its highest and if you feel you should not go, that is absolutely fine. Bishop Michael has issued a Canonical Dispensation which permits all churches to close until at least 21 February.
