

## **PRAYING FOR THE CHANNEL ISLANDS DURING THE CORONAVIRUS PANDEMIC**

Let us hold the people of the Channel Islands before God at this time and pray for

- those who lead our Island communities and the difficult decisions that they have had to make.
- those who have Covid-19, both in the wider world and within our own communities.
- those in the healthcare profession who are caring for them and working long hours at great risk to themselves.
- those who are anxious and afraid and who are far from home.
- those who are bereaved.
- those who have lost their jobs and income and are at financial risk.
- that we, as Christians, may be servants in our communities, united in our faith and committed together in prayer.

**Lord Jesus Christ, you taught us to love our neighbour,  
and to care for those in need as if we were caring for you.**

**In this time of anxiety, give us strength  
to comfort the fearful, to tend the sick,  
and to assure the isolated of our love and your love,  
for your name's sake.**

**Amen.**
