Welcome to Cornerstone Community Café!

Cornerstone was opened by Menston Methodist Church in 2007 as a place of warmth and welcome to all in the community and beyond. We hope we have created a relaxed space where people can enjoy good food and coffee with family and friends. We also hope we are a place people feel comfortable coming on their own to find a friendly face and a chat.

The café runs on an amazing team of around 40 volunteers from all ages and backgrounds. The warmth and welcome extends to anybody who wants to volunteer, including those who may have various challenges or need to rebuild confidence. We are a supportive team who love what we do and enjoy having new volunteers as part of the team.

Finally, our Church is passionate about being a place where the community can explore or connect with Faith if they wish to. If you have questions about God, spirituality or just need a safe place to talk or find support then we are here for you! Just mention it to one of the café team or contact:
