## DATA PROTECTION

**In order to comply with General Data Protection Regulation (GDPR), can all members please complete, sign and return, the subscription notice.**

## FUTURE OF THE CLUB

Consideration will need to be given during the year about the future viability of the Tennis Club. With dwindling membership numbers, deterioration in the state of the court and the amount of upkeep required to keep the court for safe for play, it may not be possible to continue to operate the Club safely in the future. This will be brought to the attention of the Church Council for their consideration.
