Dear St. Matthew's Family,

As I am sure you will have heard, the government have given the go-ahead for churches to open in a limited way for private prayer and small scale funerals. Whilst it is now permissible for people to enter St. Matthew's, it will take some time for us to think through how best to safely make church available to the people of our parish. By next Sunday we should have a clear plan in place and a list of times throughout the week when the doors will be open.

I will make an announcement in our service next week and the details will go out on our facebook page; be on our website; and there will be a poster in our noticeboard. You are also welcome to call to find out the details if you'd prefer.

Also enclosed in this pack is a sheet with topics for prayer and our next bible reflections which are on the theme of '**But God...**' Read the intro to find out more.

It will be still a little while before we are able to reintroduce collective worship at church and we understand that, even when that happens, some of you will feel unable to re-join us. Please do let me know how we can continue to support you until we are all able to meet up again.

Take care and God bless.
