## **Social Distancing Provision at the 10.30am Service**

3 rows of chairs have been set aside for those who wish to attend whilst maintaining social distancing.

In these rows we ask that folk wear a mask and refrain from singing.

Dear COTHA Friends

Please join us for a COTHA walk round the Nature Reserve in Little Chalfont, on Sunday October 3<sup>rd</sup>, at 3pm.

We will meet in the Little Chalfont carpark. Do let me know of anyone needing a lift to get there? Young people and families will be very welcome. I plan to organise some activities to help us explore this lovely wild area, which also has plenty of play space.

Hope you can come! Bring a hot or cold drink!

### **Art in the Corridor:** Our Wonderful British Wild Places.

Two years ago, a number of you kindly shared some of your holiday photos, sending images via email so that they could be printed out for a corridor display.

This year, in time for our Harvest Service on September 26th, we would like to focus on wild places in Britain, from sweeping seascapes to little corners of your gardens, or the meadows, river banks or woodlands which you love and have found restorative over the past months.

The Art in the Corridor Group will choose 3 of the images to print and display. If you would like to send an image, please email it to [liz@waumsley.com](mailto:liz@waumsley.com) before Monday September 20th.

### **Other items of interest happening locally...**

The Big Sleep, organised by Street Kids Direct aims to increase awareness of the plight of the children who are attempting to migrate from Latin America to the USA.

On the 9th October, we are planning to sleep out for street kids, in order to learn about the hardships of children sleeping in the open on the journey. We would like as many as possible to take part in this event, which will be at St. Michael's and All Angels Church Forecourt in Amersham overnight.
