

Plant, Cake and Craft Sale June 13th

Members of JC are pictured below selling the cakes, plants and crafts made or grown by themselves, as well as those generously donated by church members. As you can see from the pictures, it was a really happy event, helped by the sunshine. The amazing total of £400 was raised. JC would like to thank you for all your support. We have a message back from the Buckinghamshire, Berkshire and Oxfordshire Wildlife Trust (BBOWT). "Thank you so much to the children and young people's group at Amersham Free Church for their fantastic fundraising efforts. What a wonderful amount they have raised through their hard work. We're so grateful for their brilliant support!" We are invited to send some pictures and a paragraph about our event to be included on the BBOWT Facebook page.

To quote from the website of Buckinghamshire, Berkshire and Oxfordshire Wildlife Trust: BBOWT is the only volunteering organisation in the region concerned with all aspects of nature conservation. We give wildlife a helping hand to ensure that it thrives in our three counties. As well as managing our nature reserves - (local ones include Long Grove Wood, near Seer Green, Gomm Valley and Millfield Wood near High Wycombe, College Lake near Tring) - we monitor species and run special projects to support declining species such as water voles, or threatened habitats such as chalk grassland. We also advise landowners about how to care for habitats and species.

The money we raised will go towards the upkeep of the nearby reserves.

Liz Waumsley
