## Lefkosa Cyprus

Message from James Swanson  
“There has been a request for prayer from the prison for Alax one of the believing inmates who has been harassed by his cellmate for reading the Bible. It reached a head with a false accusation being made that he was planning to escape (which he has form for) and now he is in solitary confinement. Please pray that he will be back on the wing soon and that the other believers will NOT be afraid to read, pray and witness”
