#LiveLent: Care for God's Creation is the Church of England's Lent Campaign for 2020.

With weekly themes shaped around the first Genesis account of creation, it explores the urgent need for humans to value and protect the abundance God has created.

This year's #LiveLent challenge offers 40 short reflections and suggested actions to help you, your family and your church live in greater harmony with God, neighbour and nature. It has been inspired and informed by the Archbishop of Canterbury's 2020 Lent Book, *Saying Yes to Life* by Ruth Valerio (SPCK).

Would you be willing to help support destitute asylum seekers in Rochdale ?

A number of those who have travelled long distances, often making dangerous journeys, find themselves homeless and without any money.

Working with other churches, the Red Cross, the Council, the Council of Mosques and others we have established a project to offer a home to the homeless and provide a warm welcome - but we need your help, and if you would like to help then please talk to the vicar.

All are welcome to attend the next general meeting:

**Tuesday 11 February
at Bamford Chapel - 7 pm**
