### Notices

**Administration of Communion:** Again, today we're asking that you line up to receive communion as we did before Covid restrictions; for the time being we are still distributing communion in one kind (the bread only). The church wardens will guide you.

**Prayer requests:** If anyone has any prayer requests please could you let us know by writing them on the prayer request form at the back of the church.

**Attention church computer users:** We're currently upgrading the church desktop computer. If you are a user of the church computer and have files or accounts on it, please let Revd Adam know as soon as possible. Many thanks.

**Community Café:** We are very fortunate to have such a fantastic resource in our kitchen and community café, and now that Covid restrictions are easing we are looking to reopen the café – but we can't do so without people to run it. If you feel you can offer your help by volunteering in any way, please talk to Revd Adam, Helen or Christianah

**Youth Group:** We're looking to start Youth Group again, probably after the October half term. It would be very useful to know from youth in Year 6 and above (and their parents) how best we might do this. If you'd like to know more please talk to Revd Adam or Martin Ware

**A very warm welcome to our church this morning, especially if you are visiting us for the first time**
