Time to remember?

Place a stone in St Paul's to remember  
a loved one who has died.

## Remembering our loved ones who have died

From 1<sup>st</sup> November 2020 until the end of the year we are building a prayer cairn in St Paul's in memory of loved ones who have died - whether recently or some time ago - and we're praying for all who mourn.

You might like to bring a favourite stone or write their name on it, or bring one that you've decorated. The stones will stay there until after Christmas. The church website gives details of the times the church is open, or do get in touch with one of the clergy if you want to arrange a different time to come along.

If you can't come in person do complete and return the details on the form and we can add a stone to the prayer cairn on your behalf.

Deep peace of the running wave to you.

Deep peace of the flowing air to you.

Deep peace of the quiet earth to you.

Deep peace of the shining stars to you.

Deep peace of Christ to you.

And the blessing of God almighty,

the Father, the Son, and the Holy Spirit,

be with you and remain with you always. **Amen.**
