*From the minister...*

Last Sunday my wife Adele and I launched this year's "Love in a Box" shoebox appeal in the online service from Trinity (Adele is the "Love in a Box" secretary at Trinity). Since then a number of people have expressed interest in contributing a shoebox to the appeal as we did last year at St Pauls. The appeal is much more restricted this year because it is being run by a skeleton staff, but you are most welcome to take part in Trinity's appeal if you wish. Leaflets are now available in church at St Pauls which you can pick up if you attend the 10.30am service.

If you know of people who would like to receive a leaflet but are not able to join us at church in person, please feel free to take extra copies to deliver to them. I'm afraid access to church at other times is very restricted due to Covid, but you should find a copy of part of the leaflet attached to this newsletter which you can use instead of the actual paper leaflet if its more convenient.

The information page gives you ideas for what you might include in your shoebox this year. The label should be printed out, completed and attached to your box as usual. Please note the big change this year, which is that you should seal your box prior to collection, and the £4 contribution should be brought separately (not placed inside the box).

"Shoebox Sunday" is November 15<sup>th</sup> at Trinity. Carol and Martyn Ofield have kindly offered to collect the boxes from St Pauls and deliver them to Trinity on this date. So please make sure that if you would like to offer a shoebox filled with toys for a child in Moldova this year, you must have it at St Pauls ready for collection by the morning of November 15<sup>th</sup>. If you have any questions please email me direct on [rlphwrd@gmail.com](mailto:rlphwrd@gmail.com) or ring on 01342 325877.

It's not too late to join our Alpha Online course, which will have its third session this Wednesday evening. Simply go to the church Facebook page, find the banner which says "Stay home – try Alpha Online". Click on it, which opens up the Alpha group page: click the "join group" button, then tune in every Wednesday evening at 7.30pm on the group page for my live streamed broadcast. There has been a very good response to this course so far, I'm pleased to say.

Church closures and limited opportunities to meet together in person for worship have really affected our families and children, not just in our church but in every church. However, last Sunday I was blessed to be able to lead our first children's service at St Pauls since lockdown began. We will continue to have a short 30 minute service for children, accompanied by their parents, grandparents or carers, on the second Sunday in the month at 3.30pm. I would ask you though, in the light of Covid, that adults attending this service only do so if they are accompanying a child. There is no adult content in the service at all, and we really want to minimise the risk of cross infection.

It seems to me that we are currently living through times of even less certainty than during the lockdown over the Summer. With local lockdowns being enforced and a rise in Covid cases, the future of our worship and fellowship together is as much in doubt as it was back in March when our church doors closed. So I have no further news for you about a return to more normal church life I'm afraid: we are continuing to hold our 10.30am services without singing and of a shorter duration than normal. You are most welcome to attend these services – so far we have had plenty of room for everyone.

Please continue to pray for our church, our town and our nation in these difficult times. God bless *Ralph*

*A prayer...*

*When the storms of life rage around us*

*And the waves threaten to push over our tiny boat*

*Lord, be our strength and fortitude*

*Help us not to fear the howl of the wind*

*Or the lash of the spray*

*Gift us, we pray, with the security and confidence of your Holy Spirit*

*That we may fear no evil*

*For you are with us*

*And if our God is with us*

*Then we need fear nothing*

*Thank you Jesus. Amen*

### **In your prayers**

**This weekend** marks the end of Prisons Week 2020. Please pray for all whose lives are impacted by prison; for prisoners and their families, for prison staff often working in extremely challenging situations and for prison chaplains as they seek to bring the love of God and the truth of the Gospel to the imprisoned. You can read a blog from the Methodist Church about prison chaplaincy at

## Our Harvest offerings

This Sunday and next, there will be a basket ready for your Harvest offerings by the door as you leave the sanctuary at the end of the service.

The money raised will be split equally between the *All We Can* appeal for victims of the Beirut explosion and, more locally, *Christians Against Poverty*.

If you're not coming to services, please consider making a donation directly to the Beirut Explosion Emergency Appeal on the *All We Can* website

<https://www.allwecan.org.uk/give/current-appeals/beirut/> or to *Crawley Christians Against Poverty* at <https://www.crawleycapcentre.org/donate>

## Let's all protect each other

Guidance from the Government on attending worship in church has not been changed as a result of this week's extra restrictions but please remember that you must wear a face covering properly, you must keep 2 metres away from other people and you must not mingle with anyone in a group of more than 6 people, other than with people you live with or have formed a support bubble with.

## NHS Track and Trace

If you come to the church, you will notice this sign on the front door. It is the QR code for the new NHS Track and Trace App. If you've downloaded the app onto your phone, you can use the QR code to show where you've been. However, even if you are using this app, we are still legally required to take your name and contact details as part of the new 'normal'. Don't worry, we will be deleting the information after 3 weeks. *Carol Ofield*

## Children's worship

We were delighted that 8 of our children and 6 adults felt able to come along to church last Sunday afternoon ( October 11th) to enjoy sharing in the story of the feeding of the 5,000. All those who attended seemed very willing to be involved with active retelling of the story. We are planning to hold another similar afternoon service on November 8th at 3.30pm and would like to encourage all those who have children to come along. *Jill Mason and Carol Ofield*

## New Welcome Hall stewards' team

When you arrive at St Paul's for worship you will be greeted by some new faces on the team of stewards as the three older members of the previous team have decided it's time to stand down. The people who have offered to form the new team are Eddie, Chona, Tunde, Lindelee and Leonie. As well as giving you a warm welcome, they are responsible for registering you on arrival and making sure all the Covid rules are being observed. If you'd like to join the team, and you are not in a vulnerable group yourself, please tell Eddie Madakudya, the new team leader, or email [ask.stpauls@gmail.com](mailto:ask.stpauls@gmail.com) *Joyce Jordan*

Well done to Destiny Njinyam on being made a Year 10 prefect at Holy Trinity School. St Paul's is proud of you!
