

Esther Who Wants To Be A Millionaire

How to play:

After initial title slide, click to advance to next slide

- On a question slide, once the **question title** is in view, the **answer options** will AUTOMATICALLY appear, if you were to click your mouse, ALL FOUR options (answers) will appear.

- Once all four options (answers) are on the screen you can wait a while after which you can progress to the next by clicking your mouse,
- this will advance you to an 'applause' slide, followed (click) by the 1-15 list slide, followed (click) by the relevant number being highlighted, next click will reveal the next question slide.

- A full version with all the answers at the end can be requested from the office

If you wanted to play an extra option, they can ask you for your opinion as to what might be the correct answer. Or you could, before revealing the last question, if you were making this quiz, what sort of question would you have at this stage?

Have Fun.
