

The Magi's Star Chart

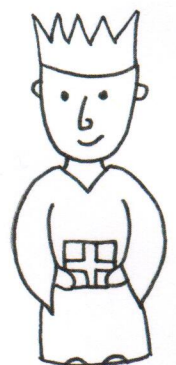

Connect the stars and planets to find Bethlehem

1. Mercury rising to Jupiter
2. Track Neptune from the East
3. Follow the comet's trail to Mars
4. Join Sirius to the west end of Orion's belt
5. Plot Pluto from the west
6. Start in the East and join the points clockwise to discover what you should follow...

Read about it in
Matthew 2:1-12

Who were they
trying to find?
