## Covid -19 Benefice Diary

From August 2020  
until further notice

### From the Rector

It is good to be able to publish this slimmed-down version of our Benefice Diary giving details of a modest resumption of some services in our churches as well as on-line.

There is no need for anyone, particularly those in a vulnerable group, to return to worship in church. Our at-home and on-line provisions will continue to be available.

Government Guidance is clear that: 'Certain groups of people may be at increased risk of severe disease from COVID-19'. But each individual must assess the risks for themselves. Our risk assessments will be on line and in the church porch. You can then make informed decisions about attending worship.
