

A photograph of a nativity scene set up on a lorry. The scene is illuminated with colorful string lights (red, green, blue, yellow) and star-shaped lights. In the foreground, a man dressed as Joseph and a woman dressed as Mary are seated. Mary is holding a baby wrapped in white cloth. The background shows the wooden structure of the lorry and more lights.

Nativity On A Lorry (NOAL) 2021

We will be hitting the streets of Hucclecote on **Thursday 16th & Friday 17th December, 6.30pm to 8.00pm**, in partnership with the other Churches in Hucclecote. On Thursday 16th, we will be on the Hillview side of Hucclecote Road. On 17th December, we will be on the Dinglewell side.

It will look somewhat different again this year, as we will again not do door knocking (though we will still have chocolates available for socially-distanced interactions with the public/bystanders). The invites to services leaflet will still happen ahead of the Lorry, and advertise the routes the Lorry will take, to add to publicity via social media etc.

If you could act as a Steward for either or both of these nights, please get in touch with Mike Webber (via the Church Office).

Please pray this will be a positive event, and well-received by the community!
