# Church Family Summer Fun!

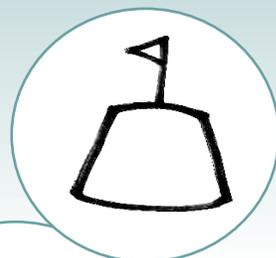

We encourage you to come along to some (or all) of the different activities happening after the service each week. See below what's on and the people who are hosting it. Bring everything you need to the service - suitable clothes, footwear and food for lunch so you're ready to go straight after it finishes and, of course, feel free to bring a friend or two. Parents, you are responsible for your children at all times!
