Tarves and Barthol Chapel  
Quarterly Newsletter

## March 2021 edition

Hello everyone

Good news for the whole Parish – we are preparing the  
March 2021 edition of the TBC.

However, under the present circumstances, we cannot ask our delivery team to distribute these on a house-to house basis as usual, so we've taken the decision for this particular TBC to be an online version only. The link will be sent out via the Tarves Community Facebook page, via emails to those we hold addresses for and it will also appear on noticeboards and in local shops.

These unusual circumstances have seen us living a different life for the last 10 months and has created different ways of communication; in both visual and voice. This is an opportunity for those reading this to contribute an article, a 'thank you', or your view of how the villages have managed the situation. Please forward these by the middle of February to [tbc.editor@btinternet.com](mailto:tbc.editor@btinternet.com) with the addition of your name and contact details. We also reserve the right to edit any material submitted, according to content and space available.

If you read this, either online or on a noticeboard, can you please make a note of any friends/neighbours who do not have internet access, and print off a copy of the newsletter to pass to them so they can enjoy the continuity of the newsletter.

Many thanks

Ruth

Ruth Nisbet, Editor - on behalf of the whole TBC team
