### **# Banns**

*This fee is not payable for couples who have applied for a Common Marriage Licence or SRC.*

### **\*Notes on fees:**

#### **Verger, heating, copyright & the right to video**

This fee covers:

- The cost of opening the church for flower arrangers, setting up for the rehearsal, and a ministry of welcome for guests, ability to play CDs.
- Heating, as even in summer the church can be damp and heating can be required. If heating is not required a refund will be given.
- Small contribution to the cost of the church copyright licence, which allows for the reprinting of hymn words in a church service.
- Permission for an official video to be taken during the service.

#### **Suggested Donation**

All our churches (St Sampson's Cricklade, Holy Cross Ashton Keynes, St John the Baptist Latton and All Saints Leigh), are maintained entirely by voluntary contributions; we receive no state aid. These beautiful buildings are all historic jewels and are very costly to maintain in a good condition for future generations to enjoy.

Your donation helps to cover the costs of professional maintenance, routine care of a listed building, public liability insurance, etc.

#### **Optional Extras**

These payments go directly to pay for the services of the Bell Ringers/Organist/Choir.

#### **Wedding Blessing Service**

If you are already legally married but wish to host a Wedding Blessing Service for your friends & family to attend, then we would be delighted to discuss this further. A Wedding Blessing Service in church costs £210. We would also request a suggested voluntary donation of £50 – please see above.

*# Where Banns are not required (eg if a Common Marriage Licence is applied for), this cost does not apply.*
